Our Family Shoes for All the Family

That is the idea exactly—"Our Family" Shoes "For Every Member of the Family" a complete line for all the home folks, for little and big, for work or play, for every day and Sunday.

"Our Family" Shoes are made in the great "Star Brand" specialty factories, where thousands of expert shoemakers devote all their time year in and year out to making these particular shoes. And they are very particular as to how they do their work, and the kind of leather used, for nothing but leather goes into an "Our Family" shoe. In fact, all "Star Brand" shoes are solid leather, because the manufacturers never use any kind of a substitute.

This is why we have such a good trade on "Stars" and why the Star on every heel is a guarantee of quality, good wear and all the fit and comfort possible in a shoe.
