IN AUTO WRECK

Mr. and Mrs. Chester Thornton Receive Serious Injuries.

While driving a new automobile down the old Pike road on their way east on a trip to Cleveland, Chester Thornton and wife narrowly escaped fatal injuries.

On Sunday morning they started east with the intention of running to Elyria that day, and continuing on to Cleveland the next morning, where they would celebrate the 4th with relatives.

The machine was a new one which had been delivered to them the night previous and this was their first trip in the new auto. It is said that the steering gear was not working properly, and as they were about one mile east of LeMoyné, they started to turn to the side of the road and the machine would not respond to the wheel and refused to straighten up, but continued on over the edge of the road and into the deep ditch, overturning and pinning the passengers under the car, where they remained until another car came along the road and the passengers stopped and helped the injured people out of their unfortunate position and summoning help they were cared for as well as possible until doctors Bowers of Perrysburg could be brought to their assistance.

As soon as possible Mr. and Mrs. Thornton were brought to their home here, an ambulance being used to convey Mrs. Thornton, while an auto brought Mr. Thornton in.

Mr. Thornton's injuries consist of a broken collar bone and other minor bruises, while Mrs. Thornton is suffering from internal injuries which may prove fatal, although the exact extent of the injuries were not known when our information was received.

Later.—Mrs. Thornton is improving rapidly and it is now thought she will fully recover.

Those Pies of Boyhood.

How delicious were the pies of boyhood. No pies now ever taste so good. What's changed? the pies? No. It's you. You've lost the strong, healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's needed? A complete toning up by Electric Bitters of all organs of digestion—Stomach, Liver, Kidneys, Bowels. Try them. They'll restore your boyhood appetite and appreciation of food and fairly saturate your body with new health, strength and vigor. 50c at C. P. Champney's.

FELL OFF STREET CAR

Sustained Injuries Which Knocked Him Out for Hours.

On Saturday night last Charles Petrie, a street car motorman who was riding home from Toledo, fell off the rear end of the car and sustained injuries which rendered him unconscious for several hours and placed him under the care of a physician for several days.

Petrie had been down to Toledo and came home as a passenger on the midnight car and had been standing on the rear platform of the car. He was about to get off the car at Walnut street, and when reaching for the hand rail the lurching of the car prevented his grasping the rail, and he fell off the car, striking his head on the cement curb and injuring him seriously. He was picked up while unconscious and taken to the Rheinfrank hospital, where his injuries were attended to and the following day he was removed to his home. He received a very bad "bump" on the head and was somewhat "shook up," but it is thought that he will not be seriously injured by the accident, although it was a close call for a fatality.

Later.—Petrie's injuries may prove fatal. At the present time he is in a serious condition.

A JUST CRITICISM.

The following communication is written by a prominent Perrysburg gentleman, and shows that the Journal's comments on the value of birds has touched a responsive chord in the mind of our most worthy citizens: Editor the Journal:—In the last issue of your paper, I read an item on the first page headed with the question: "Does it pay to protect birds?"

I wonder whether others also perceived said lines? I am sure the collectors of birds' eggs ought to feel proud of their high achievements. 'Tis a proper ideal and humane employment in their estimation—to rob our songsters and birdies.

They deserve the contempt of the community as much as the young Apaches who rob the birds' nests in our public cemeteries and remind us of ghouls in story books. Shame on the monsters.

ANOTHER ACCIDENT

Auto Turns Turtle With Fatal Results.

A party of autoists came to grief near Prairie Depot last Thursday morning.

They had left Upper Sandusky for Toledo in M. M. Stoneburner's automobile. When a mile and a half west of Prairie Depot, Hedge's Corners, the machine plunged over the roadside into a deep ditch, turning turtle and pinning the four occupants beneath its heavy weight.

Ralph Beldler, a pumper for Ralph Brothers, died a quarter of an hour after being released. He had a fractured skull. He recovered consciousness before death and sent a message to his wife and two sons.

Rev. J. M. Lashley, the Presbyterian minister at Upper Sandusky, was under water for ten minutes and was nearly drowned. He has a broken ankle and suffers from concussion of the brain.

Mr. Stoneburner was not greatly injured, although bruised up painfully by the steering wheel.

J. M. McConnell, a casket manufacturer, had his face and shoulder bruised and cut.

DEATH OF B. F. PRATT, JR.

Benjamin F. Pratt, son of Foster Pratt, died at his home, Waterville, O., June 24, 1910, aged 42 years. He leaves a widow and one daughter, Jeanette, aged 11.

Ben lived with his parents in Perrysburg township for 30 years, and is well known by all. He was taken suddenly ill with peritonitis and so severe was the attack that the most skillful surgeon could not save him.

Rev. Motter conducted the funeral services and interment was made in Waterville cemetery, Monday afternoon, June 27.

Mr. Pratt had many friends in this locality who regret his death and extend sympathy to the bereaved relatives.

KNOCKED OFF BOAT

And Drowned in Maumee River at Toledo.

James Maten and his brother-in-law, Rev. Manley Wilson, an evangelist, of Sandusky, O., with their wives and children, and David McCausland of Detroit, went to Toledo in a 24-foot gasoline launch Monday morning from near Perrysburg, where they have been camping for two or three weeks. Mrs. Maten and Mrs. Wilson landed at the dock at the foot of Jefferson avenue about 10:30, and went up town to do some shopping. A few minutes later, Maten, with his 14-year-old son, George, Rev. Wilson and the latter's two sons, aged 10 and 12 respectively, started in the launch for a boat house a short distance up the creek to have some repairs made to the boat. Maten was operating the engine in the rear of the launch and his brother-in-law was at the wheel.

As the boat passed under the bridge the floor of which is not more than four feet above the water, Maten, who had been sitting down, suddenly raised to his feet and his head struck an iron brace on the bridge, knocking him overboard. Hearing the screams of the boys in the boat, Wilson turned his head and saw his relative struggling in the water. The evangelist turned the boat as soon as possible, but before he could reach Maten the latter had disappeared.

The coroner and the police were notified and Motor Patrolmen McCloskey and Natchab dragged the creek with grappling hooks. The body was recovered Tuesday afternoon.

Rev. Wilson has been holding evangelistic services in Perrysburg for several weeks and during the time has been camping at Miami and used his launch for transportation purposes. He has made many friends here who extend sympathy for the unfortunate accident which has occurred in his family.

A FINE ENTERTAINMENT.

The Ginnivan & Good Dramatic Co. are advertised for a week's show at Perrysburg commencing Monday, July 11. Entertainments will be given each evening in a large tented pavilion situated on the corner of Walnut and Second streets. This company has visited this place on several previous occasions and are very popular with the theatre-going people of Perrysburg and always draw large audiences. This season they are stronger than ever, with Myrtle Barcome in the leading role, supported by such stars as Ed Branch, Joe Good, Norman Ginnivan and several others.

Their repertoire of plays is exceptionally strong and includes such popular dramas and comedies as "A Battle of Life," "Tennessee Rose," "Lena Rivers," "The Cattle King," "St. Elmo," "A Romance in Egypt," "A True Kentuckian," "A Hero in Rags" and many others.

They will present on Monday evening as the opening bill, "A Battle for Life."

High-class vaudeville and specialties will be introduced between the acts, making a continuous show.

The prices are 10 and 20 cents with five cents additional for reserved seats. You cannot afford to miss this opportunity of seeing a first-class show at these prices.

BASE BALL GALORE

Lots of the National Sport Here On Sunday and Monday.

Perrysburg certainly had its share of base ball last Sunday and Monday with two games on Sunday and four on the Fourth.

Sunday the Perrysburg team played the East Toledos and it was a fine exhibition of the national game in which the home team won by a score of five to three. Campbell pitched the game for Perrysburg and allowed but five hits, while the home team got seven hits off Brier.

On Monday two games were played with their old-time rivals, the Wolverines. Divins was in the box in the morning game for the home team and had an off day as all players do sometimes, and allowed the visitors 14 hits, one base on balls and hit one batter. Heisey pitched for the visitors and was quite effective until the last half of the ninth, when Perrysburg got four scores with one out and two men on bases when the Toledo umpire called a Perrysburg base runner out at first, when he was easily safe by a strike. The home team refused to go on with the game and it was declared off with the score 8 and 9 in the visitors' favor and only one man out and two on for the home team.

The afternoon game was one of the prettiest contests ever played in Perrysburg, and some of the fastest plays ever seen on the local diamond were pulled off. Campbell pitched for the home team and was entitled to a victory. Perrysburg got eight hits and Toledo nine, but Bararchi, the Toledo pitcher, gave four bases on balls and hit two batters. The final score was 4 and 5 in favor of the Wolverines.

Snyder got two singles and a double in the first three times up in the afternoon game. His batting average for the day was 429.

Schlect got two bases on balls and a hit in the forenoon game.

Campbell practically lost his own game in the seventh inning, when with two down, Moore on first as the result of a base on balls, Campbell threw to first base and Kazmaier was not looking for such a play under the conditions and the ball got away from him and was lost in the bleachers and Moore scored. Then Campbell did what he ought to have done in the first place—retired the batter.

Schlect made the most spectacular fielding stunt of the day when he went high into the air and speared a hot line drive and fired it to second in time to complete a double play. Divins made a nice catch of a sky-scraper in right field in the afternoon game, when he went high way up the fence to get it and picked it off the boards.

Kazmaier got a nice two-base hit in the afternoon game.

The Juniors divided honors in a double-header with the Moore Sunday.
