Small Stores Gain Business

by the bright electric light for signs and windows. Now that G.E. MAZDA lamps are available nothing is easier to obtain than profitable lighting. These new incandescent lamps we now offer to our customers under very favorable conditions.

More Electric Light

can now be obtained for every dollar you pay for current than ever before. The G.E. MAZDA lamps give more than twice the light you have ever before considered it possible to obtain for a given expense for current. We are now ready to tell you how you can get the benefit of this great advance in electrical development.

Reaching Out for Business

Every effort to attract trade helps even if it only draws a child's wish for candy. Electric light for windows and signs should be given a chance to be useful. Every merchant can now get double electric light at no increase in cost for electric current by using General Electric MAZDA lamps. Made in all sizes. We have them and will be glad to tell you about them.
