

For Sore, Strained Muscles

Every athlete knows just what it means to have a liniment that is right—one that he can depend on to keep the muscles and tendons in perfect trim—

Nyal's Liniment goes into every pore, is absorbed by the tissues and promptly removes all soreness and stiffness of the muscles and tendons—reduces the swelling and relieves the pain of bruises

It's the right liniment for the athlete—

That suit case of yours should always contain a bottle of Nyal's Liniment—use it with your rub-down and cover with flannels while you are resting—it will leave you in the pink of condition.

It sells at 25 and 50 cents the bottle.

Besides good goods you get good treatment at our store. Always glad to have people come in and look around, whether they want to buy or not. We wait on you promptly, give you what you ask for but never tease anyone to buy anything.
