The Time To Think Of A Bank Account Is Before The Shops Close.

Did you ever consider that the day might come when the shop would be closed? A time when the weekly envelope would not come and your family would be in want? The time to think of these things is while you are making money. Put some of it in the bank every week and you will feel a sense of security.

We pay 4 percent interest in our Savings Department and compound the interest every 6 months. Act today.

The Perrysburg Banking Company.
