Easter Communion was more largely attended than any such service ever held in the church. Eight new members were received making twenty in the last six months.

Encouraging in all respects were the reports of the various organizations of the Church read at the Annual Congregational meeting, last Monday evening. Two trustees were elected to succeed themselves, Joseph F. Brandhuber and Bennett Carter. The board of Elders was increased from five to seven members, four to be permanent and three to serve under the rotary system. The two new Elders elected are Joseph F. Brandhuber for two years and Leslie Robertson for one year. Arrangements are in progress for their ordination. Arthur W. Finkbeiner was re-elected treasurer of the congregation and W. H. Roose, clerk.

—Mr. Alex and Miss Margaret Pargellis have returned from the winter home in Florida.

## FIRST DEGREE MURDER

John Willey Held for Murder of Mrs. Eva Kimble.

Justice A. A. Stump, of Bradner, late Friday evening bound John Henry Willey, aged 26 over to the common pleas court on a charge of murder in the first degree of Mrs. Eva Kimble, aged 86, at her home near Bradner on February 12th, 1915, says the Sentinel. He is now held at the county jail without bond awaiting the action of the grand jury which met Monday, April 4th. Willey is held on the first degree murder charge and one of assaulting with intent to kill Joel Kimble, aged 73, at his home near Bradner on the same date.

The hearing was begun Thursday and only one witness, Dr. Ward of Pemberville, testified for the state. He explained to the court as to what caused the aged lady's death. The defense then produced its witnesses and over thirty were examined before the trial was concluded late Friday evening. The prisoner, John Henry Willey was the last one to go on the stand. He stated that he left his home near Rollersville on February 12th shortly after seven o'clock and arrived at Gibsonburg, five miles away, about nine o'clock. He denied all of the charges.

Prosecutor Earl K. Solesher and Attorney J. E. Ladd were attorneys for the state and E. D. Bloom and B. F. James were the lawyers for the prisoner. Several physicians examined the body of Mrs. Kimble after it had been interred for a month and a half and found it in an excellent state of preservation. The examination was made for the purpose of finding the exact course of the bullet which entered the old lady's head. The bullet itself glanced out of the head.

### Some Forms of Rheumatism Curable

Rheumatism is a disease characterized by pains in the joints and in the muscles. The most common forms are: Acute and Chronic Rheumatism, Rheumatic Headaches, Sciatic Rheumatism and Lumbago. All of these types can be helped absolutely by applying some good liniment that penetrates. An application of Sloan's Liniment two or three times a day to the affected part will give instant relief. Sloan's Liniment is good for pain, and especially Rheumatic Pain, because it penetrates to the seat of the trouble, soothes the afflicted part and draws the pain. "Sloan's Liniment is all medicine." Get a 25c bottle now. Keep it handy in case of emergency.—Adv.

## SOME OBSERVATIONS

Concerning Nothing Very Serious But Worthy of Thought.

One suspects that nothing will ever make alarm clocks popular.

Italy is putting submarines into commission with a rapidity that supports the view that neutrality does not invariably imply lack of preparedness.

The Piute Indians consented to abandon the war path and hit the sawdust trail without waiting for the persuasions of Billy Sunday.

Orville Wright has built a "war aeroplane" that is "as safe as a street car." Maybe the aeroplane is, but war is something else.

When fame does come to the average man it generally roosts on his tombstone.

Keeping a man's nose to the grindstone doesn't sharpen his wits.

According to some experts there has been so little secrecy about military matters in this country that there could not be any business worth mentioning for a foreign spy.

Unless a garment is uncomfortable, you can't convince a woman it is stylish.

Nothing worries a liar like having to tell the truth and stick to it.

### ORCHARD DEMONSTRATION.

A practical orchard demonstration in pruning and spraying will be given at the home of George W. Miller 1 1/4 miles from Lime City, April 12th at 1 p. m. At the home of H. A. Vermilya, Wilson stop T. B. G. & S. elec., Haskins, April 15, commencing at one o'clock.

Every one interested in this work is urged to attend. A representative of the Ohio Agricultural Commission will conduct the demonstration. Bring specimens of injury for identification.

### A Cure for Sour Stomach.

Mrs. Wm. M. Thompson, of Battle Creek, Mich., writes: "I have been troubled with indigestion, sour stomach, and bad breath. After taking two bottles of Chamberlain's Tablets I am well. These tablets are splendid—none better." For sale by all dealers.—Adv.

### GROWING IN INTEREST.

The illustrated service at the Presbyterian church on Sunday evenings are improving as they proceed.

Last Sunday night the church was filled, and the service was of extraordinary merit and interest.

Mrs. Cook sang the Holy City, an appropriate selection for the service and the season, most charmingly rendered.

Dr. Pheley should continue these illustrated travel stories, as they are instructive as well pleasing and entertaining.

On Friday evening of this week the congregation will tender to Dr. and Mrs. Pheley a public reception, a slight and very proper recognition of the splendid service being rendered the church and Sunday School by them.

## NEW WHITE CHAMPION

Jess Willard Made A Chocolate Drop in the 26th Round.

The fight for the world's heavy-weight championship in Cuba on Monday last resulted in Jess Willard, the Kansas cowboy knocking out Jack Johnson in the 26th round, winning the world's championship in a clean battle, and bringing back the title to the white race.

Rheumatic Pains Relieved. Why suffer from rheumatism when relief may be had at so small a cost? Mrs. Elmer Hatch, Peru, Ind., writes: "I have been subject to attacks of rheumatism for years. Chamberlain's Liniment always relieves me immediately, and I take pleasure in recommending it to others." 25 and 50 cent bottles. For sale by all dealers.—Adv.

## LOST IN THE RAPIDS

Old Newspaper Chronicles First Fatally at St. Mary's Falls.

Mr. Chas Lampman secured a clipping from an old newspaper in which is found a thrilling account of the first fatal accident known to have happened in the rapids of St. Mary's river. The paper was the Lake Superior News, dated "Sault de Ste. Marie," June 12, 1847, and the story refers to a former Perrysburg citizen:

"One of the most distressing accidents that ever occurred at the Sault Ste. Marie, and which it becomes our duty to record, took place Thursday afternoon, carrying gloom and dismay to every heart. A party of citizens and persons from abroad had agreed to descend the falls of the Ste. Marie river, situated immediately above this village, and with that view proceeded to the head of the Portage, where they procured a yawl boat with which to make the descent—a fete at times considered hazardous, and yet, strange to say, in its frequent performance ending in the loss of life. The party on this occasion was nine in number, consisting of Capt. John Stannard, Capt. Robt. Brown, and Messrs. E. G. Seymour, Thomas Riches, John Parker and William Flynn of this place; Dr. Hugh T. Prouty of Monroeville, Ohio; A Spafford of Perrysburg, Ohio, and Mr. Wales, clerk of the steamboat St. Clair.

With this company, the boat started on its perilous voyage. When about half-way down the rapids, it shipped a breaker that filled her nearly half full of water, and bailing was commenced. But a moment more, the boat having reached what is called the "big leap," (being some eight or ten feet in descent) was by some reaction thrown on end after descending, and all were precipitated into the foaming rapids.

"This catastrophe was witnessed by many of our citizens who were watching the voyage from the shore. Boats were immediately procured and put out to render assistance to those who should survive the struggle of the dashing waters and reach the foot of the rapids. Messrs. Stannard, Brown, Wales, Spafford and Parker succeeded in sustaining themselves until picked up by the boats which went out, or by the Indians who were fishing from their canoes. By the Chief of the latter, Mr. Seymour was discovered floating at the bottom of the river, and rescued by means of a spear with which the Chief succeeded in entangling his coat, thus raising him to the surface. So completely was Mr. Seymour exhausted when taken that for some time resuscitation was considered doubtful. By proper applications and incessant rubbing for hours, animation was finally restored, although he is still considered to be in a critical condition.

"The other three men, Dr. Prouty, and Messrs. Riches and Flynn, were drowned, and their bodies have not been discovered. Dr. Prouty was one of a pleasure party, who, with his wife, were on excursion to this place. In Huron county, Ohio, where he was a resident, he had been a practicing physician for twenty years.

For other sources we learn that the object of this ill-fated cruise was to take soundings of the Rapids for the passage of the schooner, Uncle Sam, a sailing boat which was then on Lake Superior and drawing six feet of water, light.

The schooner afterward passed safely over the rapids this being the only vessel of that size to ever accomplish the feat.

## AFTER FOUR SCORE YEARS

Thomas Frusher Answers the Last Roll Call.

On Friday evening last at 6:30 o'clock (April 2) Mr. Thomas L. Frusher passed away at his home about four miles south of Perrysburg, after a brief illness with pneumonia, having been confined to his bed but five days.

Funeral services were held at the late residence at 10 o'clock, Tuesday with Rev. E. J. Webster of Toledo, officiating. Interment was made in Ft. Meigs cemetery.

Mr. Frusher was born in Cambridgeshire, England, on March 14th, 1836 and was eighty years, three weeks and five days old at the time of his death. When eighteen years of age he came to the United States with his parents and his brother and sister. Mr. Frusher first settled near Monroeville, Huron county, Ohio and moved to Wood county on a farm near Perrysburg in 1855. Since that time he had followed the occupation of a farmer. He was confirmed in the church of England when sixteen years of age. Mr. Frusher was married to Miss Mary Cordrey on the 30th of August, 1862 and over fifty-two years of a happy married life had been spent together before his death occurred.

Surviving are his wife and six children: Edward and Charles, in Perrysburg township; William, in Canada; Mrs. Jane Kazmaier, near Perrysburg; Mrs. Lizzie Hemminger, Essex, Canada; and Mrs. Alice Taylor, Crosswell, Michigan; also one brother, James Frusher, of Perrysburg, and one sister, Mrs. Fanny Byrne, of Perrysburg. Thirty-three grandchildren and four great-grandchildren also survive the deceased.

Mr. Frusher served in the war of the rebellion in the 144th O. V. I.

### Nothing So Good for a Cough or Cold.

When you have a cold you want the best medicine obtainable so as to get rid of it with the least possible delay. There are many who consider Chamberlain's Cough Remedy unsurpassed. Mrs. J. Boroff, Elida, Ohio, says: "Ever since my daughter Ruth was cured of a severe cold and cough by Chamberlain's Cough Remedy two years ago, I have felt kindly disposed toward the manufacturers of that preparation. I know of nothing so quick to relieve a cough or cure a cold." For sale by all dealers.—Adv.

## FIRST GAME OF SEASON

Perrysburg Club Try Limber-Up Game for 1915.

The Perrysburg Ball Club had their first work out of the season on Sunday last, and the players showed up well after their long winter's rest.

However, two and a half hours of real work on the diamond gave the boys several kinds of aches and pains and created a big demand for liniment, and if next Sunday is a pleasant day the team will again engage in practice to get in condition for the season's work.

About 150 fans were out to see the first effort of the season and were well entertained.

The first regular game of the season will be played on April 18.

In order to get a good seat, come early, as the tickets are going fast.

The score on the Sunday game was 30 to 20 in favor of the regular team against the Colts on five innings, but the score keeper was unable to continue the count because he ran short of chalk.

Bilious? Feel heavy after dinner? Bitter taste? Complexion sallow? Liver perhaps needs waking up. Doan's Regulators for bilious attacks. 25c at all stores.—Adv.

### IMPORTED OIL PAINTINGS

Those oil paintings representing sacred scenes in the last days of the life of Christ are being greatly admired in St. Rose's church.

The same were imported from Munich. They were dedicated on Good Friday.

People from far and near will be attracted to these works of art.

They are unique representations of the Passion Play as enacted at Oberammergau. The artist or master painter of the original work, Gilhart Fugel, is still alive and receives a royalty from each copy. As far as we know hereabouts there is only one other such set of sacred paintings in this country. The following names appear below the frames indicating the donors.—"In memory of Fr. Griss, First Pastor of the Parish. In memory of Val. Fink, Frank Haas, John Amon, Geo. Munger. Gift of Ella Meaney, Anton Shrum, David Lahey, John Kipp, C. M. B. A. Branch 28, G. F. Hoffman and others.
