

Throw Away Your Lantern Troubles

DON'T be bothered with the flickering jumpy kind that annoy you when they are burning—and won't even burn when they get up against a good stiff breeze.

Rayo LANTERNS

won't go out. Rayo Lanterns throw a big bright light. Exhaustive tests have shown that the light efficiency of Rayo Lanterns is 20% greater than that of any other lantern made.

Rayolight Oil!

is the best oil to use in Rayo Lanterns or in any oil burning device.

Ask your dealer to show you the Rayo Lantern—then insist upon Rayolight Oil. That is the combination that will throw your lantern troubles in the discard.

METHODIST EPISCOPAL CHURCH

Rev. Daniel Carter, D. D., Pastor. Services, Sabbath, Feb. 20, as follows:

Sunday School, 9:00 a. m.
Junior League, 2:30 p. m.
Epworth League, 6:00 p. m.
Public Services, 10:30 a. m., and 7:00 p. m.

Sermon subjects, "The Hurt Unhealed" and "Weighed and Wanting."

The topic for Epworth League devotional meeting Sunday evening will be, "The Tragedy of Indifference."

Evangelistic services continue, evening meetings being held in the Sunday School room of the church, which are being marked with increasing interest and profit to those who attend.

Itching piles provoke profanity but profanity won't remove them. Doan's Ointment is recommended for itching, bleeding or protruding piles. 50¢ at any drug store. Adv.

MARRIED AT DETROIT.

On Wednesday last, February 9, 1916, Miss Emma Treuschell of Perrysburg, accompanied Mr. Fred Mandell to Detroit, Mich., where they were united in marriage by Rev. Charles Treuschell. They are now making their home with the bride's father Mr.

Charles Treuschell, at Eekel Junction.

They have the congratulations of a large circle of friends.

BUSINESS IS BASED ON CONFIDENCE

A Theory Put Into Practice by Well Known Business Men

J. C. BRADY

"A druggist has many opportunities to make lasting friends of his customers," said Mr. J. C. Brady, popular Rexall Pharmacist of Fall River, Mass. "The very nature of his business draws their confidence for little helpful suggestions on the matter of health. Many people have thanked me for recommending Rexall Orderlies as the best relief for constipation and its resultant ills. Put up in dainty candy tablet form, they are pleasant to the taste and make an ideal laxative for the home—for men, women and children alike."

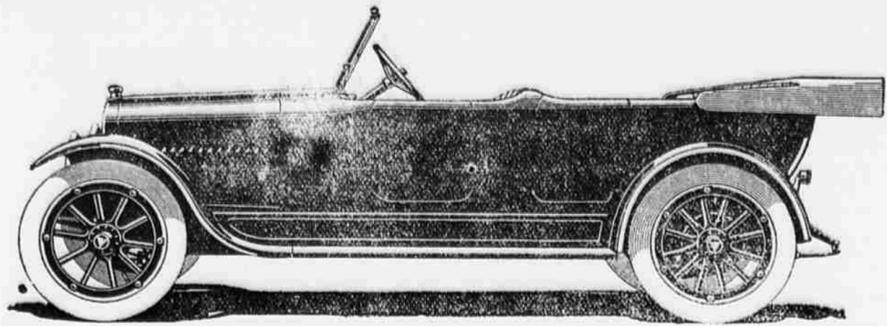

C. P. CHAMPNEY THE REXALL STORE

We have the exclusive selling rights for this great laxative. Trial size, 10 cents.

Daily Thought.

There is one thing that can never turn into suffering, and that is the good we have done.—Maeterlinck.

Other Sensations Excelled 80 pr. ct. by the

HUDSON SUPER-SIX

The Car That Now Holds the World's Records.

EVERY other sensation fades away at the Show when you come to the Super-Six. There are boasted new-type Sixes. There are double motors—Eights and Twelves—which claim a long advance step.

But here is a new motor, exclusively Hudson, which proves itself 80 per cent more efficient.

Which has won the world's records against stock cars of all the lauded types.

Not a little better motor, but an almost twice better—size for size—measured by any performance.

A HUDSON PATENT

The other seeming sensations are widely shared. There are numerous cars to claim them.

But this supreme attraction is a Hudson invention. Our patents make it an exclusive feature.

So, for the first time, one car at the Show controls an 80 per cent advantage.

76 H. P.—NO ADDED SIZE

Hudson has stood for light weight and economy. It stands for those things still.

The Super-Six has six little cylinders, 3 1/2 x 5, exactly like the Hudson Six-40.

But this Six delivers 76 horsepower.

Former like-size motors, at their best, could not deliver more than 42. The reason was vibration, which wasted the power we save.

VIBRATION AT ZERO

What we have done is to end this vibration. We have brought it to almost zero.

A smooth-running motor, beyond any parallel, yields that extra 80 per cent.

One result is vast reserve power. With the Super-Six, the most difficult feats are done without evident effort. And usually on high gear.

In quick response the Super-Six has broken every record. Also every speed

record, up to 100 miles, ever made by stock cars.

And the reason lies in smoothness. We have added no size, no cylinders. The same power is created as in other types of like size. But the power that was wasted in vibration gives us the added efficiency.

That means fuel economy, constant and vast. It means engine wear reduced by half. It means a long-lived motor. And it means quiet, bird-like motion.

In all these ways the Super-Six has vastly out-matched every rival type.

MAKE US PROVE IT

These are the strongest claims that were ever made about a motor car. They mean for the Super-Six a degree of supremacy never held by a car before.

But these facts have been proved by countless tests, on roads, on speedways and in shops. They can be proved to you at any time, and you should make us do it.

One hour on the road will convince you. It will give to you a new idea of motoring delight. After that, we will rest our case with you. If you find any car at any price which does what this does, buy it. If not, you'll want the Hudson Super-Six.

You will want it both for pride and for service—a car that excels 80 per cent.

Ask us to take you for a ride today in the Super-Six—we will happily do so even though you do not consider the purchase of an automobile for we want to acquaint as many people as possible—as quickly as we can—with the operation of the Super-Six marvel motor—which establishes a new and undreamed of standard in automobiles.

Come today for your ride—we invite the opportunity to have every one learn by personal experience the reasons why this patented automobile—through eliminating vibration—smashes all world's stock car records.

COUGHS AND COLDS ARE DANGEROUS

Few of us realize the danger of Coughs and Colds. We consider them common and harmless ailments. However, statistics tell us every third person dies of a lung ailment. Dangerous bronchial and lung diseases follow a neglected cold. As your body struggles against cold germs, no better aid can be had than Dr. King's New Discovery. Its merit has been tested by old and young. In use over 45 years. Get a bottle today. Avoid the risk of serious Lung ailments. Drug-

How Mr. Davis Got Rid of a Bad Cough.

"Some time ago I had a very bad cough" writes Lewis T. Davis, Blackwater, Del. "My brother McCabe Davis gave me a small bottle of Chamberlain's Cough Remedy. After taking this I bought half a dozen bottles of it but only used one of them as the cough left me and I have not been troubled since." For sale by all dealers.

FUN! FUN! FUN!

Let no innocent man escape.

"Granny" Chamberlain Sore Throat

"You may not look upon it seriously, but a sore throat indicates a weakness in the bronchial tubes. If neglected it may soon develop into some chronic complaint.

People who are troubled in this way are most susceptible to influenza, contract pneumonia readily, and fall easy victims to consumption.

To remove this irritation, soothe and heal the inflamed membrane, there is nothing equal to

Chamberlain's Cough Remedy

It gives tone to the weakened tissues of the throat, strengthens the bronchial tubes, and at the same time builds up the system. When the throat is healthy, influenza or consumption germs cannot obtain a foothold. Above all things never neglect a child's throat, for it may mean years of suffering for it in after years."

Yours for Health — "Granny" Chamberlain
