It is in the country where man expects to receive full value for his money that this remedy is most appreciated. For sale by all dealers.

## SCOUT NOTES

### Commendable Activity Among the Perrysburg Scout Patrol.

The meeting on last Monday evening was attended by about twenty of the Scouts.

The boys selected Ed. Schuster as editor of the Scout column. His assistant will be Earl Lauman and he will also be aided by a publicity committee composed of one from each patrol, viz.: Carleton Finkbeiner, Donal Pheley and Dick Russell.

A large number of Perrysburg people attended the Scout show at the Coliseum last Friday evening.

Mr. Blue has made a proposition to the boys, by which they can earn some money for troop supplies. He has agreed to give the boys 75c for every new subscription to the Journal. The boys have taken the proposition up and next Saturday will canvas the town in an effort to raise much needed money.

Merwin Finch has joined the troop thus bringing the number of registered scouts to 34.

Perrysburg Scouts defeated the Bowling Green Scouts in a dress game at the show Friday night. That's putting one over on the high school girls.

Our troop was presented with a large American flag at the Coliseum show, for having 32 registered scouts.

Bear in mind, the Boy Scout movement is non-militaristic.

## DEATH OF MRS. DEWLAND.

Mrs. Louise Dewland died at her home in Swanton, O., on Thursday, February 24, 1916, at the age of 77 years, 7 months and 13 days.

Deceased was born in England, and came to America in 1881. She leaves a husband, four sons, A. T. Dewland of Perrysburg, Frank, Douglas and Fred, of Swanton, and two daughters—Mrs. Amelia Hagerman, of Swanton, and Mrs. Ada Scott, of Toledo.

The remains were brought to Perrysburg and placed at rest in Ft. Meigs' cemetery, Rev. Dr. Carter conducting services at the cemetery.

The United States Marine Corps is unique in all branches of the American services, in having a distinctive marching song that is as swiftness, and catchy, as many of the foreign marching songs. True, West Point has its Bemy Havens song and the Seventh Cavalry marches to the inspiring tune of Garry Owen, but the "Halls of Montezuma" is sung by all who wear the Marine's uniform. One verse of the song—a favorite one—runs:

"Our flag's unfurled to every breeze, From dawn to setting sun, We have fought in every clime and place

Where we could take a gun; In the snow of far off Northern lands And in sunny tropic scenes, You will find us always on the job, The United States Marines."

—WANTED—Agent for Perrysburg and vicinity; good proposition for the right man; previous experience unnecessary. Free school of instruction. Address Massachusetts Bonding and Insurance Company, Accident and Health Department, Saginaw, Michigan. Capital, \$2,000,000. 2a

## THE SPARROW HUNT

### Pazazzas and Mazumas Secure Many Birds in Contest.

The weather favored the hunters who were chosen by Captains Geo. J. Munger and R. R. Hartshorn in the sparrow hunt on Monday and Tuesday.

The hunt is believed to have made the real start when Tom Franey drove up to Roachton, Sunday morning with a large bag of salt in his buggy. At Roachton the birds are very tame and Tom sprinkled salt on the tails of many and Capt. Munger says the birds had been dead so long, the salt was very necessary.

C. P. Champney did very nicely with a new style of shell which he prepared for use in his gun. The shells contained asphyxiating gas and when exploded near a flock of birds they fainted and waited for "Champ" to gather them in.

Don Whitehead had been feeding "hypopilorum" to his birds which gave them "Spinal-come-nig-it-us" and Don got 'em promptly.

George Schwind's barn and Adamson's elevator made large contributions, although Schwind declares Adamson's cat stole 140 of his birds. Adamson denies the allegation, and thereby another "Court Trial" may result.

Edgar Hoffmann, to save himself "squeeled" on the bunch and said that Jacob Schrumm was the source of supply for many birds and that when he called on Jake he was told that Capt. Hartshorn had "phoned" his order for 1200 birds, but that Capt. Munger had come down in an auto just ahead of Hartshorn and got them.

John Wilson said it was a simple case of "Preparedness" and that Capt. Munger was like the Kaiser—well prepared with supplies for the battle.

Col. Kingsbury resented the insinuation that there was something wrong with his gun. He shot four times and got 60 birds.

Wm. Mills thought he was some hunter when he produced 41 birds, but lost his appetite when he saw the Editor's count of 123.

Capt. Hartshorn can blame his defeat to Franey, Adamson and Schwind for failing to mobilize their forces earlier in the contest.

At the splendid banquet served by the W. O. W. Ladies Mayor Roether ably presided as toastmaster and all enjoyed the meet.

The total birds was 2676. Capt. Munger's Pazazzas secured 1671 and Capt. Hartshorn's Mazumas brought in 1005.

## A Specific Against Colds.

The nearest thing to a specific against colds is a sleeping porch or open bed room and a cold sponge bath every morning when you first get up. Even then you will occasionally take a cold, especially when colds are epidemic, and when you do you will find Chamberlain's Cough Remedy a great help in enabling you to get rid of it. Try it. For sale by all dealers.

## CRACK ROSSFORD SAFE

### Yeggs Secure \$130 from Herman Winkler's Saloon Saturday

Safe crackers made a haul of \$130 in the saloon of Herman Winkler early Saturday morning.

The saloon is on the Perrysburg road, between Rossford and Eagle Point.

The robbery was discovered by an employe of Winkler's, who opened the place for business Saturday morning at 5.

He found the door blown from the safe, but the interior of the saloon was not damaged.

A Ford glass employe says he saw three men, one lame, near the saloon early Saturday morning.

## MAN KILLED IN RUNAWAY

### Christopher Hahn Killed When Team Plunges Over Bank.

Christopher Hahn, 38, of Maplewood road, was killed Saturday when his horses became frightened and plunged 20 feet over an embankment.

The accident happened south of Rossford. The injured man was found by a driver of a LaSalle & Koeh Co. truck and taken to the office of Dr. L. J. Herold in Rossford.

Hahn's skull was fractured. He died shortly after the doctor's office was reached.

Hahn was on his way home from Toledo. It is thought a Perrysburg car frightened the team which was found standing quietly near the scene of the accident.

Hahn leaves a widow and a son aged 12.

## AUTOMOBILE STOLEN

Chester Crandall, residing near Moline, is looking for his 7-passenger Studebaker which was stolen from his garage on Saturday night.

As there was no water in the radiator and only one gallon of gasoline in the tank at the time, the prospects are it didn't go far without needing supplies.
