

What's the Use?

Of paying 5c for a roll of

TOILET PAPER

when you can buy of us a 1,000-SHEET ROLL OF EXTRA FINE QUALITY for 10c or 3 for 25c?

It costs just as much to roll and label a 5c roll as it does a 10c roll, hence the saving. Ask for our 1,000-sheet roll.

Dependancy.

When you feel discouraged and dependant do not give up but take a dose of Chamberlain's Tablets and you are almost certain to feel all right within a day or two. Dependancy is very often due to indigestion and biliousness, for which these tablets are especially valuable. Obtainable everywhere.

A dollar deposited now will be the acorn of your future. Just as surely as you make the start the oak of financial independence will grow, provided you are interested in making it grow. Young men who spend all their money as they make it will be surprised to see how rapidly money will accumulate once the saving habit is formed. NOW is the time to start—resolve to do it this pay day.

Are You Looking Old?

Old age comes quick enough without inviting it. Some look old at forty. That is because they neglect the liver and bowels. Keep your bowels regular and your liver healthy and you will not only feel younger but look younger. When troubled with constipation or biliousness take Chamberlain's Tablets. They are intended especially for these ailments and are excellent. Easy to take and most agreeable in effect. Obtainable everywhere.
