CORN AND OATS

Their Relative Value as Feed for Horses.

Contrary to popular opinion that horses fed oats have more life, keep in better condition and endure work better, especially during hot weather, than horses given a grain ration consisting largely or exclusively of corn, an experiment conducted for 48 weeks at the Ohio Experiment Station with work horses showed that oats are not superior in efficiency to corn. Economy in feeding is generally in favor of corn.

Three teams of mature geldings were used, one horse in each team being fed oats and the other an equal weight of ear corn in connection with mixed clover and timothy hay. There was practically no difference in the change in weight during the year between the two lots. No difference due to the feeds used was observed in the spirit and endurance of the horses.

The cost of feeding the corn-fed horses, with corn at 80 cents a bushel, oats at 60 cents and hay at \$10 a ton, was \$85.65 for the 48 weeks, as compared with a charge of \$122.19 for the horses given oats. Animal husbandmen at the Experiment Station, considering the relative prices of these two grains over a long period of years, say that corn may be substituted for oats for work horses with a material saving, and therefore should be given a large place in their rations whenever market conditions warrant its use.

STOCKHOLDERS' MEETING

Perrysburg Banking Company Have Had a Successful Year.

The annual meeting of the stockholders of the Perrysburg Banking Company was held on Monday on which occasion 421 of the 500 shares was represented, an evidence of the personal interest taken by the stockholders in the bank's affairs.

The cashier, Mr. T. M. Franey, gave a very complete and interesting account of the condition of the bank, showing the resources and liabilities taken from the balance sheet at the close of business December 31, 1916.

From this statement is shown a net profit of \$4,180.45 for disposition.

The amount annually placed in the general surplus was this year increased from \$1,000 to \$1,500, also adding \$600 to the undivided profit account.

A large increase has been made in the number and amounts of savings accounts.

The bank has shared liberally in the general prosperity of the year, showing a steady, healthy and general growth in all departments, the deposits having increased over \$40,000, made more noticeable in the increased number of deposits rather than the amount of the deposits.

A special effort is made to extend the good offices of the bank to people, who, from skepticism or indifference, do not use a bank to assist them in habits of thrift and efficiency. This is especially true in relation to children of whom there are many with savings accounts of \$100 and more. The bank has been steadily increasing its holdings in municipal bonds, \$10,000 of which are our own village bonds.

The bank is used as a U. S. depository for postal savings and a depository of the state of Ohio. An 8 per cent dividend was paid this year.

The prospects for the further growth and development of the bank are very encouraging.

The old board of directors were re-elected and Col. E. L. Kingsbury was made president, with Mr. T. M. Franey continuing as cashier.

After the close of the business session the stockholders visited Col. Kingsbury's apartments where a splendid lunch awaited them with the colonel showing his old time vigor as chef.

The Best Recommendation.

The strongest recommendation any article may receive is a favorable word from the user. It is the recommendation of those who have used it that makes Chamberlain's Cough Remedy so popular. Mrs. Amanda Gierhart, Waynesfield, Ohio, writes, "Chamberlain's Cough Remedy has been used in my family off and on for twenty years and it has never failed to cure a cough or cold." Accused of receiving freight stolen from the Hocking Valley railroad, Benjamin Bahnsen, proprietor of the Hocking Valley Hotel at Walbridge, was arrested Sunday night.

The arrest was made by Deputy Sheriff Unkert and Detectives Skenyon and Marrah. Bahnsen, when arraigned in court before Justice Comstock, pleaded not guilty and is held on \$5,000 bond. The officers say they found 12 cases of beans in the basement of Bahnsen's hotel.—Blade.

SENT HIM TO JAIL.

Judge McClelland Has No Love for Delinquent Husbands.

Parley D. Finney, 23, is in the county jail, in default of payment of \$25 as temporary alimony to his wife, who is suing him for alimony.

Finney's contemptuous attitude on the witness stand and lack of comprehension of his duties as a husband and father caused his jail confinement. He informed Judge McClelland, who was giving him a talk on his obligations, that "You can't make me cry."

FUNERAL OF H. M. HOOVER.

The body of Mr. H. M. Hoover arrived in Perrysburg on Saturday morning and the funeral service was held at his late home on Sunday afternoon, Rev. Dr. Pheley officiating.

Mr. H. M. Hoover was born in Lorain county, Ohio, December 8, 1842. While still a mere boy in years he enlisted in the 10th Ohio Volunteer Cavalry and served his country faithfully throughout the war of the rebellion. On May 12, 1869, he was married to Miss Sarah Jane Hill, who was also a resident of Lorain county. Of this union four sons were born. Mr. Hoover came to Perrysburg in 1880 and was active in the business life and community interests during all the ensuing years. In the early days of his life here he became identified with the First Presbyterian church and for many years was a faithful attendant, and was chosen by the congregation to serve in all the most important elective offices. He was trustee for 27 years and served as treasurer for 14 years. He was a senior elder of the session, having served in that highest office of the church for the past 24 years.

Mr. Hoover was a member of Wolford Post, G. A. R., and also a member of Phoenix Lodge of the F. and A. M.

Some three weeks ago Mr. Hoover became seriously ill at his winter residence, Mt. Dora, Fla., and was taken to Sorrento, Fla., for expert care, but without avail. He passed away Monday evening, January 22, being at the time of his death 74 years, one month and 14 days old. He is survived by his widow, Mrs. Sarah Jane Hoover; by three sons, Ira W. Hoover, of Chicago; Frank M. and Roy D. Hoover, of Pittsburg; and by his sister, Mrs. F. A. Sanders, of La-Grange, O., and his brother, W. K. Hoover, New London, O., and also by a host of friends, who mourn with the bereaved family the loss of this devoted husband and father, loyal comrade and friend.

SOME OBSERVATIONS

Concerning Nothing Very Serious But Worthy of Thought.

We are wondering if the shortage in white paper is due to the numerous letters the President has been writing.

No wonder Mexico gets along so badly with Carranza as its "head."

Now Secretary Lansing and Senator Stone are conferring on raising that \$25,000,000 purchase money for the Danish West Indies. Perhaps you thought the money was waiting in the treasury.

The dove of peace will have to coo a little louder to be heard above the roar of the artillery.

A 20th-century girl has no more use for a man who is fresh, than for one who is stale.

If he has not already done so, the janitor of the peace palace at The Hague no doubt is thinking it is time to overhaul the furnace, the steam pipes and brush up the furniture a bit.

As yet, those new street cars for which we begged President Coates of the Maumee Valley R. & L. Co. have not appeared. Must we write another "painful pome" in order to touch his heart?

EVANGELISTIC MEETINGS

Evangelistic meetings are in full swing at the Methodist church. Rev. S. Carter, the pastor, has secured Rev. F. T. Champion of Maumee, to assist him.

Mr. Champion is one of the most efficient evangelists in the church. A large chorus choir will be organized and services held every night except Saturday night. Your presence is earnestly requested and you will be cordially welcomed if you will attend.

"Come with us and we will do thee good."

For a Bilious Attack.

When you have a severe headache, accompanied by a coated tongue, loathing of food, constipation, torpid liver, vomiting of partly digested food and then bile, you may know that you have a severe bilious attack. While you may be quite sick, there is much consolation in knowing that relief may be had by taking three of Chamberlain's Tablets. They are prompt and effectual. Obtainable everywhere.
