DELTA DEFEATED

Sliding Around in the Snow Was the Feature of the Game

The local eleven clashed with the Delta team Sunday, although our boys met defeat at Delta last year they sent home revenge in a 36 to 0 score.

The light snow made the field somewhat difficult to perform on but nevertheless the game proceeded with much pep and our star (Pete Morriot) made a long dash for a touchdown.

The crowd of rooters along the sideline was only a hand full and again the management had to dig down to pay the expenses of the visitors.

This will be the last game of football in Perrysburg this season as manager Harper has cancelled all games rather than taking chances on "no crowd" to support the financial end of the sport.

PIONEER OF MAUMEE DIES.

James M. Wolcott, Maumee pioneer, is dead after an illness of two years. He had been residing with a nephew, Wade Church.

"Tip" Wolcott, as he was called, was a prominent figure in Maumee for many years, serving as mayor for several terms. He was a member of the Maumee Valley Pioneer Association and of the Northern Light Masonic Lodge.

His father, Judge James Wolcott, built the first house in Maumee in 1825 and the son James was born here in 1839. The great-grandmother was a daughter of Little Turtle, chief of the Miami Indians.

Funeral services will be held in the historic Wolcott home Wednesday at 2:30. Burial will be in Perrysburg.

WE ARE AT WAR:

Because Germany made war on us, sunk our ships, and killed our citizens.

To assert and to defend our rights. To make good our claim that we are a free nation.

To have the kind of institutions we wish.

To live the kind of life we have determined to live.

—Secretary of Agriculture.

Mrs. P. O. Stuchell Tells How She Cured Her Son of a Cold.

"When my son Ellis was sick with a cold last winter I gave him Chamberlain's Cough Remedy. It helped him at once and quickly broke up his cold," writes Mrs. P. O. Stuchell, Homer City, Pa. This remedy has been in use for many years. Its good qualities have been fully proven by many thousands of people. It is pleasant and safe to take.

SCHOOL NOTES

Items Concerning Various Departments of the Public Schools

An enthusiastic and expectant audience greeted the first basket ball game of the season when the Perrysburg town team played the Mack's five of Toledo last Friday night. The game was very fast and the struggle our boys exhibited was highly commendable. They have discovered weak points and are going to improve on them. The score was 32 to 11 in favor of the visitors.

Town team plays Broadway M. E. November 30.

The gym floor is now in good condition and accommodations for a large audience have been completed. The balcony was made by the manual training boys of the high school and they deserve much praise for their work. They rushed this work in order to have it completed for the first game.

This new feature enables the audience to see the games comfortably and gives much more satisfaction to the players as the spectators are not forced to interfere with the game by being on the floor.

It is encouraging to note the development of musical talent in the school. The orchestra made its first appearance at the last program given by the Athenian Literary Society. Its performance was excellent and it will continue to be a very important feature of the literary program.

CAMP SHERIDAN NEWS

Bounty Basket Sent to the Boys Was Much Appreciated.

By Ralph Brokaw
Nov. 22, 1917

Mr. Macomber, of the Toledo Commerce Club spoke of the Battery Thursday evening. He had brought messages of good news from the city of Toledo. Mr. Nassr also of Toledo took moving pictures of the battery Friday. They will be shown at the Coliseum later.

Tuesday was a glad day in the camp, pay day. The pay seemed rather short to us for our first Liberty Loan payment was deducted.

We received the tobacco and other articles sent by Mr. A. J. Witzler and wish to thank everyone who contributed to the bounty basket.

Schuster will attend the Auburn Ohio State football with the band Saturday.

"Our Tent" won the dollar offered by the captain for the neatest looking tent at last Saturday's inspection.

Battery E is the proud possessor of a swell piano. It is placed in our mess-hall so we can have music while we eat.

Measles were found in camp today and Headquarter's company is quarantined in.

Thurlby received a slight kick by one of the horses the other day. The doctor said his foot will be alright in a few days.

Battery E took an examination on all the things they have been taught last Thursday afternoon.

The nine Perrysburg fellows are going to take out about \$9,000 worth of Uncle Sam's insurance.

In the recent shake-up of officers we were unfortunate to lose two of our Lieutenants. They were transferred to other batteries. As a little remembrance the battery presented each with a gold cigarette case.

We are having cool weather down here now but are looking for warmer weather soon.

The other day after being paid, Veitch slipped quietly away and came in about 10 o'clock with a mysterious bundle under his arm. Sarver who was still up said: "Veitch whatcha got? Anything to eat?" In a very serious way, Veitch said "Nope, just seen a bargain sale on whiskbrooms and thought I'd lay in a supply."

Thurlby can now go to church and put in real money instead of the buttons off his uniform.

Schuster has fully recovered from his battle of last week.

Mr. Simmons and Mr. Thurlby made a splash into Montgomery society last Sunday.

A good corporal is had. First-class privates are worse. Be a buck-private. For safety-first.

Lepper is on guard tonight so we can't put anything in this week about him.

XMAS FUND FOR SOLDIERS.

On Wednesday evening, December 5, the ladies of the Red Cross society will be pleased to have everybody come to the Auditorium theatre where a splendid picture will be shown featuring Little Zoe Rae, the wonderful child actress in "The Little Pirate." Two shows will be given at 7:00 and 8:30 p. m. The price of admission is placed at 15 cents for all.

The proceeds of the entertainment will be used as a Christmas fund for the soldiers who are now in the service from Perrysburg village and township. It's a worthy cause. Help it along.

ZEISLER-ECKEL WEDDING

On Wednesday, November 28th at 8 a. m., at St. Rose DeLima Church, the marriage of Joseph Cyril, only son of Mr. and Mrs. Joseph Zeisler of Toledo and Edna Catherine, daughter of Mr. and Mrs. John Eckel, was solemnized with nuptial High Mass, Rev. Father Kiebler officiating.

AMERICA TO FEED THE WORLD.

Among the obligations now laid on farmers, none is more inexorable than that to increase the supply of fats and meats. Grain supply abroad is merely a matter of shipping. If the ocean were freed of menace we could not supply the required quantity of fats and meats. It means breeding and feeding.

The opening of the seas would flood markets with grain. Only the persistence and skill of farm breeders of meat stocks will feed the starving world with the essentials of subsistence. It cannot come in a day, in a year, but widespread, determined, united effort must be immediately set in motion. The food administration has designated the International Live Stock Exposition a "food training camp." It is well named. The farmer can there study breeding and feeding.

Never was it so wasteful to feed high-priced grain to ill-bred stock. Lessons of breed improvement, of grading up common stock, and of economical feeding can be learned at the "International" as in no other place. The American farmer has heard the call of the nations of the world. He will heed.

Never can tell when you'll mash a finger or suffer a cut, bruise, burn or scald. Be prepared. Thousands rely on Dr. Thomas' Eucletic Oil. Your druggist sells it. 30c and 60c.

SOME OBSERVATIONS

Concerning Nothing Very Serious But Worthy of Thought.

To err is human—to lie about it is fore so.

Enthusiasm is to man what steam is to a locomotive.

Bernstorff is gone, but, owing to the spies he left, is not forgotten.

Many a man who thinks he is capable of steering the ship of state couldn't run a wheelbarrow.

No, the Kaiser shall not press down upon the brow of labor his iron cross.

When we shall have ended this war right it will be a long time before anybody starts another war.

A girl is frivolous if she curls her hair, but when it's a question of a young man's pompadour, that is different.

Those timid coal hoarders, after a few more fierce threats from Uncle Sam will be sending back the other lump.

The latest dance is the Chinese Toddle. We hear that its effect can hardly be distinguished from that of a plain Southern toddy.

With German troublemakers out of the way, Japan and America have no difficulty in reaching an amicable understanding.

A shipment of German toys for America has at last been released in Rotterdam. Fie, fie! Would any good little American play with German toys? Verboten.

A candid survey of the Thanksgiving situation still discloses the fact that U. S. A. still has about as much to be grateful for as any country on the map.

Pansies are replacing unattainable imported bulbs in the White House gardens. Pansies stand for thoughts and there is some thinking going on inside, believe us.

The behavior of the various German diplomats stationed in foreign lands recalls the old Elizabethan witicism that an ambassador is a man sent to lie abroad for the good of his country.

An Old Man's Stomach.

As we grow older and less active, less and less food is required to meet the demands of our bodies. If too much is habitually taken, the stomach will be overburdened. When a man reaches the advanced age of 85 or 90, you will find that he is a light eater. Be as careful as you will, however, you will occasionally eat more than you should and will feel the need of Chamberlain's Tablets to correct the disorder. These tablets do not contain poison, but strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels.
