The Indications are

That all dry goods, underwear and hosiery will be higher next year and hard to get. We are advised to prepare for a further advance. Therefore why put off buying the things you need now, hoping for lower prices. While the prices are high now, they will certainly be higher.

We have a big line of Blankets, Outing Flannel, Percalé, Gingham, Hosiery, Underwear, etc., at reasonable prices.

We invite you to visit our store.
