THOSE SUDDEN TWINGES.

Bring Suffering to Many a Perrysburg Reader.

Pain is nature's signal of distress. A warning not to be ignored. Those sharp, twinges in the back—Those sudden, stab-like pains when stooping.

Are frequent signs of kidney trouble. To remove kidney pains, you must assist the kidneys.

Use a tested and proven kidney remedy. None more highly endorsed than Doan's Kidney Pills.

Endorsed abroad—endorsed at home. Read this Perrysburg testimony.

Mrs. W. A. Evans, Second and Pine Sts., says: "A year ago I suffered with backache and other symptoms of kidney trouble. I could hardly do my housework for my back bothered me so. Sometimes I would have to give up and go to bed. When I leaned over to tie my shoe sharp pains would catch me over my kidneys that felt as though someone had thrust a knife into my back. Kidney and bladder weakness caused me a great deal of annoyance and distress. The first box of Doan's Kidney Pills gave me relief and I continued using them until they had cured me."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mrs. Evans. Foster-Milburn Co., Props., Buffalo, N. Y.
