## PIONEER MEETING

Plans Being Made for Big Day at Ft. Meigs.

The Maumee Valley Pioneer and Historical Association meeting held at the high school auditorium last Saturday was well attended and an interesting program was rendered.

Mr. W. J. Flora, tenor soloist, rendered several exceptionally fine selections, one of which was "Flag of the World."

Attorney Philetus Smith of Toledo read an original poem entitled, "Vale of Maumee."

Mr. Albert E. Chapman played several selections on the saxophone to the delight of all present.

Mayor D. R. Canfield gave the principal address of the program using as subject, "The Preservation of our Historic Landmarks."

This was only one of several monthly meetings to be held during the summer and at different places over the valley preparatory to the final big meeting and program to be rendered at Ft. Meigs in September.

Plans are in formation to make the Ft. Meigs day the largest and most notable in the history of the northwest counties.

## OVER THE TOP

## LACKED PROPER COACHING

Makes Good Showing in Winning 10 Out of 17 Games.

P. H. S. having closed the basketball season last Friday announces that during the season seventeen games were played. Ten of these were won by P. H. S. The total scores were: P. H. S., 402; opponents, 356. The results are as follows:

	P. H. S.	
Waterville	17	24
Bloomdale	24	19
Bloomdale	28	1
Pemberville	25	21
Haskins	11	17
Grand Rapids	25	8
Rudolph	11	44
Rudolph	15	22
Bowling Green	14	35
Waterville	30	18
Maumee	6	28
Lake Twp.	4	20
Grand Rapids	14	39
Pemberville	33	13
Cathedral Hi.	51	8
Haskins	19	41
Ford Plate Glass	25	44
	356	402

P. H. S. being defeated twice, only by first class teams is in position to claim the "B" class championship of Wood county. The "B" class championship means that the team claiming it is second best team in the county. P. H. S. has played two first class teams of Wood county. They are namely, Pemberville and Bloomdale. Cathedral Hi. of Toledo is a first class team also, they being in Lucas county. P. H. S. then lays claim to the "B" class championship of Wood county and will defend this title with any second class team of Wood county.

The members of the basketball teams wish to thank the people of Perryburg and vicinity for their loyal attendance at these games. They also wish to thank the people who boosted the idea of basketball and for the interest maintained by all in spite of the "flu" and the bad weather.

Those who played on the basketball ball teams are, boys, Captain Walter Thornton, Charles Roberts, Alan Ballantyne, Lindsay Johnson, Wayne Hartzell, Merlin Sheldrick, Harvey Haefner, Charles Marvin, Leo Dibling and James Wiser. The girls' team is, Captain Wilma Waggoner, Vera Hufford, Eleanor Lowmsbury, Mary Fuller, Mary Williams, Mildred Budd, Gertrude Witzler, Doris Feneburg, Mabel Doyle, Elsie Lusher, Madeline McGee and Myrtle Sheldrick.

Next year the team plans to secure the services of a coach. If the team had been handled from the start by some capable man they would have shown much better results in the way of playing. The only coaching the team had this year was what little time Supt. Nietz could spare and the remainder of the time the team was run by the captain, Walter Thornton.

Next year the basketball enthusiasts will have something to look forward to for several of the high school players will be on the town team and several new players will be found in the high school line up.

## IN BUSINESS AT NEAPOLIS

Mr. Frank L. Fuller, better known among his many friends as just "Frank," has traded his house and lot on Fifth street in Perryburg for a general store at Neapolis, Ohio, and has moved there, with his family, to make their future home.

He has purchased the store formerly operated by Mr. H. Brown and will conduct a general store, dry goods, department and grocery. He opened for the first time on Monday.

Frank has always lived in Perryburg and having been in business with his father, Mr. A. C. Fuller, for the past few years, has accustomed himself to business responsibilities and thus decided to "start up for himself." Though we all hate to "lose" Frank we extend our heartiest wishes for a crown of success to him in his new business.

## Whooping Cough.

Give Chamberlain's Cough Remedy to keep the cough loose and expectoration easy. It is excellent.

## CIVIC ASSOCIATION FLASHLIGHTS

You will do better in Perryburg (than in Maumee).

Why not do some independent thinking rather than think just like the last person you met?

Are we proud of our khaki uniformed boys? If not, why not?

Harmony is the strength of all institutions, so with the Civic Association.

Mr. Champney is still looking for new members of the Association.

All hands up to approve the appropriation given Ft. Meigs.

Don't fail to be present at Rivic rooms tonight (Thursday). Dr. Rhinefrank will speak on his European tour.

How about Perryburg going over the top in the Victory Loan? We have done it before, why not again?

What next?

## THE RUNAWAYS

What promises to be one of the biggest events of the season will be the presentation of "The Runaways" at the town hall May 1st and 2nd under the auspices and for the benefit of The Grange.

The story deals with the theft of valuable jewels from a noted writer of fiction. The sheriff and his deputies are hot on the trail of a mysterious man and woman in a gray touring car and overtake "their game" at the home of a wealthy ranch owner.

The scene of the play is laid in Travers county, Texas. The time being the present, one need have no fear of witnessing a "wild west" melo-drama of the "blood and thunder" variety.

"The Runaways" is a comedy in three acts, sparkling with funny situations and laugh creating lines. However, there is a thread of human interest interwoven throughout the lines, but tears and sorrow and gloom are absent.

"The Runaways" was originally produced in New York City and had a successful run. Every member in the cast which will produce the play here is a well known local person. See next week's paper for their names and cast of characters.

## PLANT OAK TREES FOR THREE AMERICAN SONS

### CATTLE FEEDERS' DAY

Many Wood county farmers are interested in feeding steers. Most steer feeders are interested in the most economical rations obtainable.

In order to answer inquiries most satisfactory, April 16th has been designated "Steer Feeders' Day" by the County Farm Bureau. At this time five or six farms on which steers are being fattened will be visited and a comparative study made of the daily gains, the cost of producing the gains, the finish of the steers, and the profit per steer at the present market.

The trip is so arranged as to be of special interest to men who are wondering if silage can be used successfully in a steer's ration. Farms will be visited where no silage has been used, some where silage has been used part time, and some where no silage has been fed.

The trip will cover about thirty-five (35) miles and will start from the farm of J. L. Herman near Lemoyne at 9:30.

An interesting and profitable day for steer feeders is assured.

PAUL GERLAUGH,  
County Agent.

### HELP! HELP! HELP!

That is the call from the State Civil Service Commission at Columbus. So urgent is the need for help in various state departments that the May issue of the official bulletin of the commission was issued from the press before the April examinations were held. It is now ready for free distribution and will be sent to all who apply. It contains calls for 24 examinations to be conducted during the month of May, and includes among other positions, clerical help of various kinds, stenographers, bookkeepers, chefs, bakers, printers, farm superintendent, janitors, chief clerks, job pressmen, publicity specialist, deputy director of claims, chief railroad inspectors, civil service examiner, teachers, nurses, etc. There are calls for both male and female help and at good salaries.

The law provides that these permanent appointments may only be made through competitive examinations, and there are splendid openings in the state service at the present time for those who qualify. Any person at all interested should send for a free copy of the bulletin. Address the State Civil Service Commission, Columbus, Ohio.

### CITIZENS PAY TRIBUTE

#### TO FALLEN HEROES

In Memory of Millard E. Davenport, Frederick L. Yeager and Merlin Hufford, Soldiers of the Republic.

Last Sunday afternoon at 4 o'clock, a fitting program was rendered and three oak trees were planted in Monument Park, one for each of the above named soldiers who gave their lives in the great world war.

After a selection by the band, the invocation was delivered by Rev. Spybey, after which the address of the day was made by the Hon. Frank L. Mulholland of Toledo, whose masterly oratory fitly portrayed the great sacrifices made by the soldiers that this country might maintain its place among the nations of the world.

Following the address, three trees were planted (oak trees) in memory of the sacrifice that these boys made for their country. These trees will be a lasting monument and each year as they grow they will impress upon us from day to day what it means and what it always has meant (for us) to enjoy life, liberty and the continued pursuit of happiness.

The trees were purchased by our local civic association, and the program was arranged and carried out by the ladies of the New Century Club, however, all the people of this community claim an interest in the final tribute paid to the three boys that went away not to return.

After the exercises of the day had been said, a final prayer was offered by Rev. C. W. Weltmer, that this great republic might continue and that war again may never darken our land.
