Receipts of cattle at Chicago were 102,000 this week as compared to 92,600 for last week. Fat cattle of best kinds steady and other grades unevenly lower. Top for the week \$19.50, as compared to about \$16.50 a year ago.

The big receipts this week included an enormous supply of stockers and feeders in all the beef breeds of Hereford, Angus and Short-horns and in all weights from 500 to 1,100 lbs. We had a great many choice to fancy cattle of all ages in the different beef breeds. Quality for the week all that could be desired. A wonderful selection and showing of cattle. No feeder who expects to buy can afford to miss coming to Chicago to see the great selection offered him at our pens. Our purchases 7,200 head this week.

Market fully 25c lower on best kinds and about 50c lower on plain to medium grades. An active trade with big demand for these cattle at these greatly reduced prices. We advise buying on this broken market while receipts are so heavy. Please write us, or better yet, come to see us this coming week.

SCHOOL CHILDREN ASKED TO ASSIST

Secretary of Treasury Says Youth of Nation Must Come to Its Aid.

MUST PRACTICE THRIFT

Tells School Children That in Buying War Savings Stamps They Are Not Only Helping Their Country but at the Same Time Are Providing For Their Own Needs.

Columbus, O. — (Special). — Carter H. Glass, secretary of the treasury, has appealed to the school children of Ohio to buy more War Savings Stamps. He has addressed the following open letter to H. P. Wolfe, state savings director, with the request that it be published for every school child in the state. The letter for the school children follows:

"To the School Boys and School Girls of Ohio:
"In addressing the 20,000,000 or more school boys and girls of this country, I am addressing the citizenship—the business and professional men and women, the producers and consumers and the home makers of only a few years hence. The responsibility of all the problems of our country will ultimately fall upon you. The spirit of patriotism and helpful-

CARTER H. GLASS,
Secretary of United States Treasury.

ness which you displayed during the world war has proved your fitness for your future responsibility. Your record in production of needed materials during the war, your saving of food and money, and your investment in government securities is a record of which every American citizen is justly proud.

"It is the earnest desire of your government that you should continue to practice and make permanent those same habits of industry and economy, that through your influence and example America may soon become a nation of savers and cease to be a wasteful nation; that this may be a nation of people who always save some part of their earnings, who spend money with greatest care, and who invest what they save in some safe place.
"I am glad to see that our school boys and girls have continued during the vacation months to save their money and are buying Thrift and War Savings Stamps, thus laying aside a portion of the money they earn for some future purpose, and while they are continuing to render some service to their government, they are at the same time providing for their own needs.
"The habit of earning and saving money is a most interesting and happy one. I am sure that this habit has become so fascinating to you that you will continue to earn and to save through all the months and years to come and keep investing what you save in government securities.
"It is my personal hope that the lessons of thrift that are being taught in your school may help you to develop in your life permanent habits of saving and thereby lay a foundation for your personal happiness and usefulness and ultimately for a bigger and better America."

Columbus Schools High.
Columbus, O. — (Special). — Columbus schools are selling more War Savings Stamps this fall than at any time during the war.
"There is no doubt but that the Columbus schools will lead all others in the nation in the sale of government securities during the balance of the year," said Don L. Tobin, head of the War Savings Committee in Franklin county. Every one of the schools in Columbus has an active selling organization.

PERFECT FITTING
MUNSING WEAR UNION SUITS

The Best Foundation for Stylish Clothes!

No outer garment, however well cut or tailored, can fit perfectly over ill-fitting under-garments. A Munsing Union Suit, because of the perfect way in which it fits and covers the figure, is the ideal undergarment and is preferred by "women who know."

The fact that we sell more and more Munsingwear union suits every year is significant. There must be a reason. In truth, there are several. In addition to the perfect way in which it fits, Munsingwear is unusually fine in quality, remarkably durable,—and surprising in its ability to stand trip after trip to the laundry without losing its shapeliness, perfection of fit or comfort.

Our splendid success with Munsingwear is the natural result of the splendid service and satisfaction that our customers get from it.

Our increasing volume of business in this line enables us to offer you a more comprehensive assortment of styles, weights and fabrics to select from this season than ever before.

LEGAL NOTICE.
In the Court of Common Pleas, Wood County, Ohio.
Margaret Hayes, Plaintiff,
Thomas H. Sill, et al., Defendants.

Thomas H. Sill, the unknown heirs at law, devisees, legatees, administrators and executors of said Thomas H. Sill, deceased; Joanna Sill, wife of said Thomas H. Sill; the unknown heirs at law, devisees, legatees, administrators and executors of said Thomas H. Sill, deceased; will take notice that on the 17th day of October, 1919, Margaret Hayes filed her petition in the Court of Common Pleas of Wood County, Ohio, in Cause No. 19543 against the above named parties as defendants, and each of them, praying for a judgment and decree quieting title in, and excluding said parties from, any interest in the east three-fourths (3/4) of in Lot No. 569 in the Village of Perrysburg, Wood County, Ohio, and that the description of real estate in a deed from Thomas H. Sill and wife, by Elijah Huntington their Attorney in Fact, to Henry Wygant, recorded in Volume M. 439, Records of Deeds of Wood County, Ohio, may be reformed and corrected by describing the same as in Lot No. 569, in the Village of Perrysburg, Wood County, Ohio, instead of in Lot No. 567. Plaintiff states that she is the owner in fee simple of, in actual possession of, and has the legal title to, the east three-fourths (3/4) of in Lot No. 569; that said defendants, and each of them, have no interest or title therein, that their apparent title or estate is null and void of no effect, and that the same casts a cloud upon plaintiff's title; that January 2, 1849, for a valuable consideration said Thomas H. Sill and wife, grantors, by said Attorney in Fact, intending to convey said in Lot No. 569, did, by the mutual mistake of said grantors, and their Attorney in Fact, and Henry Wygant their attorney, write the description in the deed of conveyance to said Wygant "in Lot No. 567 in the Town of Perrysburg, Wood County, Ohio;" that said Wygant hereupon took actual possession of said in Lot No. 569, and that all those claiming under and through him have ever since occupied said in Lot No. 569, that thereafter said Wygant and his wife, grantors, made a deed of said in Lot No. 569 to one Samuel Fahrner; that by the mutual mistake of said grantors and grantee the name of Samuel Fahrner was written "Samuel Fahrner" in said deed; that Samuel Fahrner was the same person intended by the name Samuel Fahrner; that plaintiff owns and holds the east three-fourths (3/4) of said lot by deed, clear and indefeasible chain of title from said Henry Wygant by deeds from him and his assigns and those holding under and through him; that possession actual, peaceable, open, notorious, continuous, exclusive, uninterrupted and adverse was taken and held by each and all of the grantees of the title of, in, and to said East three-fourths (3/4) of said in Lot No. 569 from their respective grantors, such possession continuing uninterruptedly from the date said Henry Wygant took actual possession of said in Lot No. 569, that plaintiff has been unable by the exercise of reasonable diligence to ascertain the residence of any of said defendants. The prayer of said petition is that the description of the real estate in said deed to Henry Wygant may be reformed and corrected by describing the same as in Lot Number 569 in the Village of Perrysburg, Wood County, Ohio; that the defendants may be required to set forth their interests in said East three-fourths (3/4) of said in Lot No. 569; that the claims of defendants may be adjudged null and void and plaintiff's title quieted against such claims; that defendants be forever enjoined from asserting any interest in said real estate, that the cloud upon the title of said real estate be removed, and for such other and further relief as may be equitable and just.

Said defendants are required to answer said petition on or before the 20th day of December, 1919, or judgment will be taken against them.

MARGARET HAYES, Plaintiff,
