Woman's Province.

THE DUTIES OF THE GENTLE SEX—HOW BEST FULFILLED. What a great task is assigned to woman. Its dignity cannot be elevated. It is not her province to make laws, to lead armies, nor to be at the head of great enterprises, but to her is given the power to form those by whom the laws are made, to teach the leaders of mighty armies and the governors of vast empires.

This action of the Bishop in making his appointment is gratifying to the people of the congregation and of the city also, with whom Mr. Tate stands high. During this Conference he has performed the arduous duties of the secretaryship with ability and accuracy and the records are in unusually good shape. The GLOBE REPUBLIC is indebted to Mr. Tate for courtesies and hopes to see him a Presiding Elder before many more Conferences are held.

Woman's Province.

Rev. B. W. Arnett, the eloquent colored preacher, who is well known and always welcome in Springfield, was nominated for Representative in the Legislature, by Greene county Republicans, at their primary election Monday, and will be elected next October.

The Republican ticket was elected in Urbana, Monday, but by such narrow margins the Citizen feels called upon to read Republican voters a lecture on their neglect of duty.

A Fasting Girl. In Cincinnati a sixteen-year-old girl recently died after a fast of fifty-two days. She had been attacked by something like paralysis which rendered it impossible for her to take nourishment. The human system cannot thrive without good food and good ability to digest it. Weak and impaired digestion is rectified by Brown's Iron Bitters—better than any other tonic in the world.

A little son of Chas. Darlington, Esq., who with his mother had just returned from a trip South, was very painfully injured at his home in Xenia, a few days since, by a playmate falling upon him, dislocating one arm at the elbow. The lad suffered greatly but bore the operation required with manly courage.

LOCAL NOTICES.

Cardemans is the true cause of a great many of our ailments. It was carelessly, according to the admission of Stephen W. Reynolds, of Coldwater, Michigan, that brought on a severe attack of colic. "The pain was intensely acute," he writes, "I was cured in two hours by Miller's Herb Bitters." This great household remedy never fails when used as directed for colic, cramp, pain in the stomach, dysentery, diarrhoea, indigestion, or kidney and liver disorders.

CURES FOR PILES.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or right or left organ. At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blood, bleeding and itching Piles yield at once to the application of Dr. Ross's Pile Remedy, which acts directly upon the parts affected, absorbing the Tumors, allaying the intense itching, and effecting a permanent cure. Price 50 cents. Sold by A. B. Bakhaus & Co.

MEETING OF MANAGERS AND ELECTION OF OFFICERS FOR THE NEW YEAR.

W. H. Warren. Vice presidents (representing the various denominations)—Mrs. E. P. Christie, Mrs. C. M. Nichols, Mrs. Rev. A. L. Wilkinson, Mrs. Rev. D. W. Smith, Mrs. Rose, Mrs. Rev. B. Walker, Mrs. Rev. Joseph Kyle, Mrs. Rev. Dr. Leonard.
