Saved His Daughter.

Another instance where Thompson's Diphtheria Cure was the means of saving life comes from Charles Karcher, of South Williamsport, Pa., who says: "Several months ago my daughter was taken with a severe case of diphtheria. Our physician did all he could until she became so weak that he had to give her up. I used Thompson's Diphtheria Cure and she recovered. I credit her recovery to this excellent remedy, and words fail to express my appreciation of the medicine." Sold at Kirkin's drug store at 25 cents a bottle.

Last Day to Pay Taxes. Next Friday is the last day on which taxes can be paid to enable one to vote. All who have not paid their taxes within two years, and those who voted last year on age should see that their taxes are paid before that date.

TO CURE A COLD IN ONE DAY

Take Laxative Bronzo Quinine Tablets. All druggists refund the money if it fails to cure. 25 cents.

He Wanted Sound Money.

Valeria Gustaf is the name of a Polish girl residing with her mother on West Coal street. She is an industrious, hard-working girl, being employed as a domestic in Bigley's oyster bay, on West Centre street, where she had earned \$30 and which she placed in a trunk at her home for safe-keeping. Among the other occupants of the house is a boarder, whose name could not be learned, and who occupies the room which contained Valeria's trunk and his own. On Saturday afternoon he repaired to his room, remained there a few minutes and hastily came down stairs, exclaiming that thieves had been in the house and ransacked both trunks. The mother and daughter at once suspected him being the thief, and upon cross-examination he admitted that he committed the deed early in the morning. Of the \$30, he only had \$10 in his possession, the other \$20 he had already sent to New York for various appropriations. The girl may enter suit for recovery of the money.

Collections for Pope Leo.

The recent collections taken up in the archdiocese of Philadelphia for Pope Leo amounted to \$7,571.46. Of this amount the following Shenandoah societies contributed the following: St. Cassimer \$33.39; Annunciation B. V. M., \$25.50; Holy Family, \$13.00; St. George's, \$12.55.

Beware of Counterfeits.

A counterfeit fifty-cent silver piece was passed at an East Centre street store Saturday night. The coin is dated "1892" and bears a close resemblance to the genuine coin, but is much lighter in weight and lacks its metallic ring.

The A. O. H. County Board.

The quarterly meeting of the County Board of the Ancient Order of Hibernians was held at Pottsville on Saturday. The meeting was presided over by J. J. Keilly, of St. Clair, the county president, and there were about 35 members present, representing all of the divisions in the county. The session occupied the whole forenoon and was not adjourned until 1 o'clock. The proceedings were not given out for publication.

Naturalization Day.

Thursday and Friday, October 1st and 2nd, are the days set down by the courts for parties desiring to become naturalized. Applicants, therefore, will govern themselves accordingly. James R. Deegan, Prothonotary. 9-24-17

The Canton Excursion.

It appears that there was some big mistake somewhere in the management of the proposed Republican pilgrimage from Northumberland county to Canton, O. It was given out that the Pennsylvania railroad would run an excursion to Canton for \$2 a head, but it now appears that \$5.37 is the lowest obtainable rate.

MAHANOY CITY.

Result of the Century run to Philadelphia on Sunday. MAHANOY CITY, Sept. 28.—Five of the wheelmen of this place started on a century run to Philadelphia at 4:30 yesterday morning and reached Philadelphia at 7 o'clock last evening, having covered a distance of 113 miles. The riders were J. W. Logan, C. C. Sunday, James Clifton, Thomas Flannigan and Edward Gorman. They were delayed an hour and a half on the way for repairs. One of Sunday's tires was punctured by a horse shoe nail, Logan's front tire burst and Flannigan's chain broke. They returned by train today.

James Blengle and Milton Wagner, of town, who left here at 5:30 last Monday morning for a bicycle trip to Washington, D. C., reached the White House at 3:15 p. m. last Thursday, having wheeled over 200 miles in four days.

A narrow escape from a serious wreck occurred at the L. V. and P. & R. crossing, where the recent wreck took place. Some boys upped the brakes of two gondolas which were standing at one of the galleries and they ran down just as a Lehigh Valley passenger train was elted rounding the turn at the Glendon colliery. Fortunately employees of the road got on the gondolas and stopped them in the nick of time to avoid a collision.

The funeral of Augustus Roth will take place to-morrow morning from his late residence at East Mahanoy Junction. Interment will be made at Barnesville.

ADVERTISING PAYS.

Stolen Horse and Wagon Recovered Speedily Through It.

Last Thursday John Vajdelki, a West Centre street grocer, offered through the columns of the HERALD a reward of ten dollars for the recovery of a horse and wagon stolen on the preceding Tuesday morning and which he failed to recover on a personal chase. The advertisement attracted the attention of Constable Leitenberger, of Mahanoy City, and on Friday he followed clues to Delano and Lefly, and finally located the horse and wagon at Hazleton, in a livery stable, where they had been left on Thursday by the two thieves. Police, one of whom had been the owner's partner, Leitenberger identified the horse by the description given in the HERALD and notified the owner, who went to Hazleton on Saturday and got the horse and wagon. He paid the constable the \$10 reward and all expenses, and then drove home sounding praises of Constable Leitenberger's ability as a detective and the HERALD's value as an advertising medium.

The Proposals Opened.

The County Commissioners, through the County Controller, advertised for sealed proposals for the whole or any part of the new 4 per cent. (10-35) registered county bonds. The bids were opened this afternoon, and there were thirty-two bidders. The highest premium offered was \$108.00 for \$4,000 of the bonds. H. H. Pearson, of Philadelphia, offered to take the whole issue of \$75,000 at par, and Philip F. Kelly, of Philadelphia, bid \$109.55 for the whole issue. The Pennsylvania National Bank wanted \$10,000.00 at par, while the Miners' National Bank bid 1 of one per cent. premium, (\$100.12) for \$50,000.00 of the issue. The Commissioners made the award but the names of the successful bidders are not given.

A Narrow Escape.

Charles Drumheller, wife and infant child, of Ringtown, narrowly escaped being killed while driving to this town. The horse ran away and threw them from the carriage. Mrs. Drumheller had her back injured and the horse tramped on her husband's hand. Mr. Drumheller's leg was also injured, but the child escaped. The carriage was wrecked. Mr. Drumheller says some Hungarians suddenly jumped from bushes to the road and frightened the horse by waving their arms and shouting. He has not located the men.

Royalty Entertained.

F. A. McClure, manager of the Lakeside hotel at East Mahanoy Junction, royally entertained several newspaper men at his hotel Saturday night. A generous supply of delicious edibles was washed down by imported champagne which was ordered especially for the occasion. Mr. McClure was voted an excellent entertainer as well as enterprising and progressive hotel manager.

A Child in Danger.

Justice Carlin today issued a warrant for the arrest of Mrs. Euna Interlior, of West Coal street, on a charge of assaulting Violet, the 10-year-old daughter of Mrs. Caroline West. The child suffers from cancer of the stomach and is said to be in a precarious condition on account of the aggravation of the disease brought on by the assault.

McGrath Returns.

Daniel J. McGrath, who composes the songs he sings and sells upon the streets, has returned to town after an extended trip through the West. He has composed hundreds of popular songs, among them verses dwelling upon the Mud Run and Bear Run disasters, the Park Place (N. Y.) fire and now offers as his latest production, "The Pittston Disaster."

Bicycle Match.

George Frost, of town, and Howard Burchill, of Mahanoy City, signed articles of agreement on Saturday evening for a one-mile bicycle race at Lakeside on October 10, for a \$25 prize.

Tie Score.

The foot ball game at Lakeside on Saturday between the Shenandoah and Mahanoy City teams resulted in a tie score of 4 to 4.

An Opportunity.

In another column will be found an advertisement offering a hat and gents' furnishing goods business for sale and giving the reasons for selling.

Continued Revival.

The home camp meeting services will be continued in the Methodist Episcopal church this week. Rev. Alfred Heebner, the pastor, will preach to-night.

Tamaqua Youth Injured.

Ellwood Billing, aged 18 years, and son of James Billing, of Tamaqua, was knocked down and run over by a train at that place yesterday, the wheels running over his leg. The young man was removed to the Miners' hospital, and died last evening at 7:30 o'clock.

The Silverites.

B. J. Yost and Martin Lawler have engaged Robbins' opera house at Shenandoah for a demonstration in behalf of free silver on Thursday evening next. Joseph H. Pomeroy, Esq., and William Wilhelm, Esq., will be the speakers.—Journal.

Teacher Retires from the Race.

ALBANY, Sept. 28.—John Boyd Thatcher, in a statement of 1,000 words, has declined the Democratic nomination for governor of New York. Senator Hill wanted Mr. Thatcher to stay in the race. Mr. Thatcher usually does what Senator Hill desires, but this time his influence and arguments had no effect. By some it is believed that a possible outcome of the dilemma will be the endorsement by a branch of the Democracy of Daniel G. Griffin on state issues, and the endorsement of a Populist candidate by the silver men in the state. Tammany Hall may insist upon its own candidate, and at the state committee meeting tonight they may fight for the promotion of Wilbur F. Porter to first place on the ticket and Elliot Danforth to second.

Dillon and Redmond "Get Together."

TIPPERARY, Sept. 28.—Thousands of persons attended the meeting yesterday in favor of amnesty to the Irish political prisoners. For the first time since the split in the Irish party John Dillon and John Redmond appeared on the same platform. John Daly, the recently released dynamiter, also spoke.

The Brooklyn's Premium \$350,000.

WASHINGTON, Sept. 28.—Having completed the calculations of the performance of the cruiser Brooklyn on her recent trial trip, the navy department has allowed Cramp & Sons, the builders, a premium of \$350,000 for the speed made in excess of contract requirement, in knots.

Murdered and Placed on the Track.

TOWANDA, Pa., Sept. 28.—The body of J. E. Compton, of Waverly, N. Y., was found wedged between the ties of the Lehigh Valley railroad bridge, at this place, and he died without making a statement. He attended the Bedford county fair at East Towanda, and was known to have had in his possession \$25 and a watch. These were missing. A post mortem revealed that Compton had been shot in the back of the head and afterward placed on the track. A tramp giving the name of Phillips, who says he lives in Chicago is under arrest on suspicion.

"Boys will be boys," but you can't afford to lose any of them.

Be ready for the green apple season by having DeWitt's Colic and Cholera Cure in the house. C. H. Hagenbach.

Champion of Labor's Rights.

The workmen of this county will attest the truth of the following from a Philadelphia exchange: "Representative Joe Wyatt, who is running for re-election to the Legislature from the Shenandoah district of Schuylkill county, should by all means be returned by the laboring men, whose staunch friend he was in the last session. Mr. Wyatt is not of the numerous class of bunco labor men who are in politics, but an honest, active and intelligent champion of labor's rights."

Scanlan's Bond Approved.

Bond of M. J. Scanlan, tax collector of Shenandoah, has been approved by the court in the sum of \$100,000, with Thomas Scanlan, Michael Pribula, M. Mollet, Mrs. Mary Mellet, John Berg, Thomas McCormick, M. J. Whitaker, E. J. Brennan, John Maher, M. H. Master, James O'Hearn, Mrs. E. Kelly, Thomas Contors, Owen Brennan, M. L. Fahy, Jos. Rynkiewicz, M. M. Burke, James Shields, M. P. Whitaker, E. C. Brobst, Edmund Harris, Daniel Ellis, Jr., and Mrs. Margaret Connor, as sureties.

Many a day's work is lost by sick headache, caused by indigestion and stomach troubles. DeWitt's Little Early Risers are the most effective pill for overcoming such difficulties. C. H. Hagenbach.
