CHILDREN POISONED.
They Ate Some Poisonous Substance While
at Play.
Mary Delcamp and Verdie Stetler, children
about four years of age, residing on North
West street, ate some poisonous substance
while playing together yesterday afternoon
and each was seized with violent vomiting
at about six o'clock in the evening. Dr. J. S.
Callen attended the victims. The vomiting
continued at intervals for some time and then
the hearts of the children seemed to become
affected and they collapsed. The Stetler
child remained in a comatose condition for
about three hours and the Delcamp child con-
tinued so for over four hours. Both ultima-
tely recovered, however, and neither showed
ill effects to-day. It has been impossible to
ascertain what the children ate to produce
the effects from which they suffered.

At Kepeshnik's Arcade Cafe.
Liver and onions to-night.
Oyster soup to-morrow morning.
Had the "shakes."
Armed with a pair of scissors and crazed
with drink Joe Dallas made things lively for
a short time on South Main street last evening,
between Poplar street and the Pennsyl-
vania railroad crossing. Pedestrians were
accosted and compelled to yield to the antics
of the man by giving him a wide berth and
talking to the street. Dallas' fun was checked
by the appearance of Chief Toeh and Officer
Goodman, who took him into custody. He
paid the penalty of a borough fine before
the Chief Burgess to-day.

noon. 9-15-97.
Wedding Reception.
An event long to be remembered is the
wedding reception tendered the friends of
Mr. and Mrs. Edward J. Brennan, in Kelly's
hall, on South Main street, last evening.
From the hour of four yesterday afternoon
until a late hour last night people could be
seen pouring into the hall. The hall re-
sembled one mass of humanity, which made
it almost impossible to dance to the strains
of Cleary's orchestra. Refreshments were
served.

YORK STATE BAKERY FEARS.
A fine lot of these favorite pears will be on
sale at Collett's, 36 South Main street, to-
morrow morning. 9-15-97.

Inspecting the Bakeries.
Earl W. Bishop, of Danmore, Pa., who
holds the position of Deputy Factory Inspec-
tor is making a tour of the county inspecting
the bakeries. He was in Shenandoah on
Monday, and yesterday he made an inspection
of those at Ashland. The inspection is
made under the Act passed at the last session
of the Legislature, for the violation of which
a heavy fine is imposed. The local bakeries
were found to be in good condition, especially
as to cleanliness. Mr. Bishop will continue
his tour of inspection to other parts of the
county.

Hickert's Cafe.
Our free lunch to-night will consist of
vegetable soup, fish cakes with dressing
to-morrow morning.

Patriotic Drum Corps Festival.
Robbins' opera house was crowded last
evening by a large assemblage of young folks
who had gathered there to pay "tribute" to
the ice cream festival of the Patriotic Drum
Corps. In the early part of the evening all
enjoyed themselves by partaking of ice
cream and other refreshments. At 10 o'clock
the appearance of the hall was entirely
changed by transferring it into a dance floor,
much to the appreciation and enjoyment of
those present. The festivities were kept up
until a late hour.

Neiswender's, Cor. Main and Coal Sts.
Oyster soup, free, to-night.
Hot lunch to-morrow morning.
Meals served at all hours.

Rode in a Freight Car.
The young son of James Beach, of Girard-
ville, was playing in a freight car, and finally
fell asleep in a corner of the car. The latter
was subsequently attached to a train bound
for Manch Chunk. When the train had de-
parted the father learned that his son was in
the car and he boarded a passenger train and
overtook the freight at Delano. The car was
opened and the child found, but it was badly
frightened.

Smith's Cafe.
Cream of tomato, free, to-night.
With every five cent purchase at the bar
we will present the purchaser with a ticket
which will entitle the same to a chance on a
silver watch, to be chance off every Satur-
day evening.

Bridal Couple Return.
H. J. Muldoon and bride returned from
New York city last evening and repaired to
their home on East Centre street. They
hardly closed the door behind them, and
half dozen callithumpian bands appeared
upon the scene, followed by members of the
Columbia Hose Company with their carriage.
Mr. Muldoon sent them all away happy.

Kendrick House Free Lunch.
Grand Army bean soup will be served, free,
to all patrons to-night.

Monument Meeting.
A meeting of the Soldiers' Monument As-
sociation will be held in Reford's hall to-
morrow (Friday) evening, at 7:30 o'clock, to
hear final reports of committees and decide
whether the project shall be urged to com-
pletion. All representatives are urgently re-
quested to attend.

East Centre street, near the Reading
station.

A DYNAMITE CONSPIRACY STORY!

Extra Guards Placed About the Company
Stores at Lattimer For Fear That
They May be Blown Up—The
Prosecution of the
Deputies.

SPECIAL TO EVENING HERALD.
HAZLETON, Sept. 16, 5:30 p. m.—Contrary
to expectations, everything is very quiet
here to-day. There is no excitement of any
kind among the strikers, and things are fast
assuming their normal state. It was expected
the ranks of the strikers would be greatly
reinforced, but information received at this
hour from the various collieries shows that
the rumored strike was without foundation.
It is true a small ripple of excitement ap-
peared upon the surface on the South Side
this morning when seventy-five women, fol-
lowed by a number of men, swooped down on
the Star and Monarch washeries, opened by
individuals, and compelled the men to quit
work. The women chased the men from the
washeries and then closed the doors. These
washeries employ about fifty men. A com-
pany of infantry was dispatched to the scene,
but no encounter took place. A company of
cavalry was ordered out, but this order was
subsequently countermanded.
Those at the hospital are doing as well as
can be expected. No additional deaths have
been recorded, and the recovery of all the
patients, with the exception of two who are
in a precarious condition, is confidently
expected. No change has been made in the
position of the troops.

It is reported that the operations are not
anxious to adjust the strike, for the reason
that there is no demand for coal. There is
little truth in this rumor. From careful ob-
servation, and from what can be gleaned
from those in a position to know, it can be
stated that the companies are only glad to
adjust the difficulty. Enforced idleness, it is
estimated, means at least \$1,000 per month
expenditure at each colliery, and no returns.
LATER.
It was rumored here late this afternoon
that Sheriff Scott, of Schuylkill county, had
been called to Meadco. It is reported that
trouble is brewing at that place.

DYNAMITE STORY.

Extra Guards Placed About Company
Stores Yesterday.

Hazleton, Pa., Sept. 16.—A calm per-
vades Hazleton and its environs, and no
disturbances have been reported. The
strikers maintain order, and good
order, but the militia is not satisfied
that they are not meditating vengeance
for the shooting of last Friday. An evi-
dence of this was offered yesterday, when
an extra guard was placed about the
company stores at Lattimer. The reason
for this was a story that the foreigners
were plotting to blow up the
building with dynamite. They have
ceased dealing there, and are now buy-
ing their provisions in Hazleton. Some
are going so far as to move into town,
and several cartloads of poor house-
hold goods were traveling toward
Lattimer road yesterday. Large groups
of the miners are constantly hovering
about the stores.
For some reason, which could not be
learned, extra vigilance was maintained
at the camp of the Ninth regiment,
at Hazle park, yesterday. The guard
was strengthened, and not a soldier was
permitted to leave camp. The Fourth
regiment shifted from Audenreid to
Drifton in the afternoon and estab-
lished a camp on the hills. There is
no indication of trouble there, but
General Gobin means to keep every lo-
cally guarded, and he sent the regi-
ment there because the 600 miners in
collieries Nos. 1 and 2 are likely to
strike to-day.

Arrangements are under way for a
monster mass meeting here on Satur-
day night, and it is understood that ef-
forts are being made to bring Eugene
V. Debs and other prominent labor men
here to address it. All the miners in the
middle coal field will be asked to attend,
and it is estimated that 25,000 miners
will be present.
Another story of the day was that
William J. Bryan had been secured as
counsel for the prosecution of Sheriff
Martin and the deputies. It was scouted
by the strike leaders as too absurd to
merit consideration.
The arrangements for the prosecu-
tion by the Austrian societies who have
taken up the cause have been brought
to a pause by General Gobin's order
forbidding the arrests of the prospec-
tive defendants. Several meetings were
held, but it was finally determined to
let the matter rest in abeyance until
after Coroner Bowman has held the in-
quest and reached a verdict. That
official has not yet fixed a date for the
inquiry, but thinks it will be some time
in the nearly part of next week. Fifty
or 60 witnesses will be examined, in-
cluding Sheriff Martin and a number of
his deputies and some of the miners.
No matter what the verdict may be
the case will be carried into the courts,
but no details have been arranged.
The strike conditions were not materi-
ally changed yesterday, none of the
malcontents manifesting any disposi-
tion to return to work, and a few more
joined their ranks. These were from
the Audenreid washeries, about 160 in
number. So far as can be learned no
plans are under consideration by the
strikers looking to a resumption.
The 500 men employed at the Beaver
Brook colliery of Dodson & Co. met and
decided to demand an increase of 10 per
cent in wages and the sale of powder at
\$2 per keg instead of \$2.75. If the com-
pany refuses they, too, will join the
striking army. The Beaver Brook men
were out a few days ago, but returned
to work on Tuesday.
Incision is the feeling at Stockton.
The 1,500 men there had expressed their
intention of going out yesterday, but
they resolved to give the operators an-
other day for the consideration of their
grievances, and if they are not righted
they will go out to-day.
Rumors and reports of more or less
value continue to agitate brigade head-

quarters and the various camps. What
was set down as a startling dynamite
plot came to the usual lame and impo-
tent conclusion yesterday. It flashed
in from Cranberry. A local detective
gave the information that a quantity
of the explosive had been secreted by
the miners there. Two deputies, armed
with search warrants and guarded by
a detail of cavalry, went over and
made a thorough search of eight houses
without discovering anything to con-
firm the suspicions.
Sheriff Martin may resume the re-
sponsibility of preserving order in the
coal regions on Saturday. If he does
the military will retire.

THE STRIKE OFF.

The Soft Coal Miners Decide to Return
to Work.

SPECIAL TO EVENING HERALD.
PITTSBURGH, Sept. 16.—Between 15,000 and
18,000 coal miners in the Pittsburgh district
resumed work this morning, as did also the
DuBois miners. All other mines in the
Crescent district are working.
President Hatchford has issued an official
circular addressed to the miners declaring
the strike off. It takes effect next Saturday,
but the miners are generally resuming work
regardless of this.
The return of the Pittsburgh miners is on
the 65 cent basis, but they will continue the
fight on all companies refusing to pay the
same. An assessment of 5 per cent. on all
money earned will be levied on all workmen
to carry on the fight against the New York
& Cleveland Gas Coal Company, which is the
only concern refusing to pay the price.

PEACHES! PEACHES! PEACHES!!!

A fine lot of Jersey and Maryland peaches
will be on sale at Collett's, 36 South Main
street, to-morrow. 9-15-97.

The Clemens Company.
A week of surprises is in store for theatre
goers commencing Monday evening when
that model organization, headed by Casson
Clemens, will appear at the Ferguson opera
house. Davis & Keogh's "Stowaway,"
Augustus Piton's "Power of the Press,"
William Gillette's "All the Comforts of
Home," and Shook & Collier's "Lights O'
London," will all be given in the same
original presentation. A vast amount of
scenery is carried, more in fact than by any
dramatic organization appearing at either
high or low prices.

King of Low Prices Talks.
We are the people for the people. The fact
will never be better illustrated than on the
advent of the opening of our new grocery
store, on Saturday, September 18th. We are
soliciting a big throng of buyers and the
prize at the great values offered should be
more profuse than ever. The low prices and
the splendid qualities which we will offer
will make the town by storm. Our list of
bargains should be as fascinating as our
low prices are equally as fascinating as our
brilliant and complete stock of fancy and
staple groceries. Fresh butter and eggs re-
ceived semi-weekly.

Mr. Swalm's Generosity.
The Rescue Hook & Ladder Company and
the Columbia Hose Company have each been
presented with a handsome whalebone whip.
They are 7 1/2 feet in length and are furled
like the whips with nickel trimmings. They are
the gift of A. H. Swalm, the hardware man,
of the town, to the drivers of the respective fire
companies for their prompt and efficient
services at the recent fire at Mr. Swalm's
residence. The latter's generosity is highly
appreciated and the gifts greatly admired by
the fire companies.

The Board of Pardons.
The State Board of Pardons met in Harris-
burg yesterday. The application of Theodore
Eisenhower, who killed John Schmidt, for
pardon was heard and then held under ad-
judication until the next meeting of the
board. The next to be heard was Thomas J.
Devlin, the Blythe township school director
convicted of misdemeanor in office, now in
jail, was refused a pardon.

At the Contest Court.
Shenandoah was represented at the Lyon-
Dunn contest to-day by Messrs. Edward
David Owens, Stephen Trengeno and
David Owens. They were morning passen-
gers on the Pennsylvania train. George
Knoff was in attendance, but when called to
the stand it was found that his son, George
Knoff, Jr., was the man wanted.

rounding Liveryman John Roberts' residence
was to-day beautified by the addition of a
coat of paint.

The residence of Mrs. R. A. Glover, on
South Jardin street, is undergoing extensive
improvements. A portico is being erected on
the front upon which two large bay windows
are being placed. Upon its completion it
will present a very creditable appearance.

street near Plum alley last evening. Fortu-
nately the boy was knocked to one side by

Obituary.
Mrs. Mary M. Reese, wife of Edward M.
Reese, native of Bryn Mahr, South Wales,
died at her home in Pottsville yesterday, aged
64 years. She leaves three children. Funeral
Saturday afternoon.

John A. Cathers, aged about 22 years, well
known about this region, died at Camden, N. J.,
after a short illness with typhoid fever.
Mr. Cathers was employed on the railroad at
that place. His remains arrived at the home
of his sister in St. Nicholas yesterday, from
where the funeral will take place. He is
survived by one sister, Mattie, and two
brothers, Louis and Benjamin.

Edward Munson, a prominent resident of
town, died at his late residence on West
Coal street yesterday, from miners' asthma.
The deceased was 43 years of age, and re-
sided with his sister, Mrs. B. Burns. Besides
the latter, he is survived by one other sister,
Mrs. Thomas Gallagher, of Lansford. The
funeral will take place to-morrow morning.
High mass being celebrated in Ammanon
church at 10 o'clock, leaving on the 12:33 P. M.
& R. train for Tanques, where interment
will be made.

Greatly Surprised.
For the past three weeks John Meluskey
has been an inmate of the hospital connected
with the University of Pennsylvania. He
had been suffering with a peculiar ailment
of the left arm, which has been a puzzle to
many physicians. He returned home last
evening and says he has been greatly im-
proved by the treatment.

The Term Expired.
The official term of Postmaster C. C. Grae-
ber, of Ashland, expired yesterday but his
successor has not yet been appointed. R.
Bruce Clayton was recommended by con-
gressmen Burman several weeks ago, and the
announcement of his appointment was ex-
pected yesterday from Washington, but so far
it has not been made. Yesterday the Presi-
dent appointed R. F. Davis postmaster at
Freeland.

Cases Disposed of at Pottsville This
Morning.

THE INFANTICIDE CASE VERDICT.

The Jury Decides That the Mahanoy City
Mother Did Not Kill Her Child—West
Mahanoy Township Cases
Called Late This
Afternoon.

SPECIAL TO EVENING HERALD.
POTTSVILLE, Sept. 16.—The jury in the
infanticide case, in which Rose Jacobson, of
Mahanoy City, is charged with concealing
the death of her child, returned a verdict
this morning at 11:45 o'clock, and found the
defendant not guilty. The testimony given
showed that a male child was found in the
water closet June 1. It was fully developed,
and had a rag or towel around its neck.
In that condition it was taken from the
water closet by Luke Whalen. Deputy
Coroner W. F. Horn made the post-mortem
and stated there was mark of violence
about the child's neck, which, in the
opinion of the doctor, was due to the hand
age around the neck. The defendant
testified she did not murder or conceal
the death of the child, that it was born
where it was found and that before she could
explain her position she was placed under
arrest. The unfortunate girl, who is but 18
years old, was neatly attired in a dark red
dress and seemed to realize her position. She
wept bitterly during the trial and created
much sympathy. James Russell, of Mahanoy
City, was prosecutor in the case.
CHARGED WITH PERJURY.
The Victor Distilling Company, of Cin-
cinnati, O., prosecuted ex-Sheriff J. M.
Boyer on the charge of perjury. The case
was called this morning, and was given to
the jury this afternoon at 2:30 o'clock. It
is alleged that Boyer was interested with
P. F. Little, agent, in the liquor business at
this place. The Victor company pressed
Little for a claim, and included Boyer as de-
fendant in the suit. Boyer filed an affidavit
during the progress of the trial to the effect
that he was in no way interested in business
with Little. The company's claim he was,
and hence the present suit for perjury.

THE KERPOWIC CASE.
The case of Commonwealth vs. Matt.
Kerpowic, of Shenandoah, was called for
trial this morning before Judge Bechtel.
The defendant is charged with having in-
flicted injuries upon Thomas Tamalinis, in
December, 1896, that resulted in his death.
The scene of the trouble was in Walter
Snyder's saloon, on East Centre street. The
injured man died at the Miners' hospital.

DETRICH RELEASED.
Neri Detrich, the Director of the Poor
found guilty of accepting bribe and misde-
meanor in office, and who was sentenced last
week to pay \$500 fine, eighteen months' im-
prisonment and removal from office, was this
afternoon released from jail and brought be-
fore Judge and furnished \$100 bail under a
written order of the Superior Court. The writ
states all proceedings except so far as sentence
relates to vacancy in the office. This removes
all doubt as to vacancy, and the County
Commissioners will at once appoint some
person to fill the vacancy.

WEST MAHANOSY SCHOOL TROUBLES.
There was considerable delay in calling the
West Mahanoy township cases, in which
prosecutions have been entered and true bills
found against the School Directors of that
township. The information is sworn to by
Thomas H. Des. The Directors have also
instituted counter suits. It was 4:30 o'clock
this afternoon when the case was called. A
full and detailed report will appear in these
columns to-morrow.

THE AIR GUN.

A Driver Riddled With a Load of Buck-
shot Yesterday.

The first damage inflicted by the little
boy's air gun in town was recorded yesterday.
The victim was John Thomas, a driver for
Stull & Co., of Mahanoy City. He was
driving his team down West Coal street,
when he was suddenly startled by receiving a
full discharge of buckshot on the right side
of the face. It proved to be the work of two
small boys who had been meddling with
sparrows. Mr. Thomas immediately jumped
from his wagon and put both boys under
cross-examination, but was unable to detect
the one by whom the gun was discharged.
The victim's flesh was laid open in several
places and the cheek where the shot fell
heavily was considerably swollen. Should
blood poison set in the result would be
serious. More care should be exercised by
the shooters and the police authorities should
put an abrupt stop to this dangerous sport.
