Money Saving Values. WHERE? AT DAVIDSON'S FURNITURE STORES. WE HAVE THEM, AND LOTS OF THEM. OUR FIRST INDUCEMENT FOR 1908: 150—Solid Antique Oak Sideboards—150. By the closing out of a large sideboard manufacturing business, from the end of the year, I was afforded this lucky opportunity to purchase them and am therefore prepared to cater to the trade with every imaginable design. As the space in our large store room is at a premium which deprives us of displaying more than a fourth of them, we call the attention of the public to come and examine our samples. We Quote a Few Prices: A nice antique oak sideboard, handsomely polished and carved, with a plate glass mirror, medium size, at \$6.50. Another design, much larger, with heavier carving, at \$9.50. These prices are merely illustrations, for we have them at almost any price. We are compelled to sell these goods at sacrifice prices, occasioned by the competition made by the railroad companies who demand storage charges.

OUR LINE OF Bed Room Suits, Parlor Suits, Lounges, Rockers, Chairs, Tables, Sofas, Springs and Mattresses. At lowest prices.
