Indorsing the App.  
In Marmontel's tragedy of Cleopatra, represented in the Theatre Francaise, when the Egyptian queen was about ready to commit suicide she held in her hands a mechanical asp of cunning workmanship devised by Vancanson, the most ingenious mechanician of his time.

This venomous reptile reared its head and before plunging its pointed fangs into the arm of the actress gave a shrill hiss.

A spectator hereupon arose and left the house, with the simple but expressive remark, "I am of the same opinion as the asp."—Pearson's Weekly.

Just Like a Man.  
A man doesn't realize that his daughter is old enough to read until he catches her reading a novel, and then he blames his wife for not selecting the girl's reading matter.—Acheson Globe.

### BILIOUSNESS

booses many a body and burdens many a mind. You can't enjoy the food you like because you are bilious. You take all sorts of precautions, and yet the bilious attack leaps on you like a tiger from ambush. You know the feeling! The blood seeming on fire with a dull heat; the boring pains in the eyes; the head seeming to open and shut; the horrible nausea. You know the irritability which precedes and the languor that follows the attack. It's miserable, isn't it? Why not cure the trouble? There's a pill that will cure biliousness. Dr. J. C. AYER'S PILLS are an acknowledged specific for this derangement.

A Swanger, Texarkana, Tex., writes: "For fifteen years I have used Ayer's Pills, and find them very effective in bilious complaints. I have yet to see the case where they have failed to cure."

SIT ON THE FLOOR.

The Advantages to be Derived From the Adoption of Chairs.  
An eminent English physician, Sir James Crichton Browne, who has wonderful aptitude for making medical subjects interesting to the public at large, announces that men and women would derive great benefit from sitting on the floor instead of chairs. Women would benefit even more than men by the practice. The position of sitting on the floor or the ground is more natural than that of sitting on a chair. It was once general with the entire human race. It is both healthy and natural.

The exercise of getting up from and down to the floor is beneficial. Through the general adoption of the sitting position among the civilized races many muscled have become stiff or obsolete. Persons who sit on the floor have strong back and thigh muscles. Tinkers, tailors and shoemakers are examples of this fact. If you sit on the floor, you can change your attitude as often as you please and can enjoy an endless variety of pose, and, however often you alter it and however you may place yourself, there is never any chance of your falling off. If you sit on the floor, you can achieve all kinds of comfortable positions which it is impossible to obtain even with the easiest of easy chairs. The influx of visitors need never cause anxiety to the well constituted mind on the subject of chairs. All he has to provide is a quantity of cushions—cushions of every size and shape. Let guests select any they please, and it will be their own fault if they are not comfortable and happy. It is of course only desirable to sit on a clean floor.—Exchange.

### COMMITTEE NAMED.

Republican County Chairman Quail Announces His Appointments.  
Dr. Charles E. Quail, the new chairman of the Republican county committee, announced on Saturday his appointment of the new county executive committee as follows: Harrison Bail, Mahanoy City, chairman; Hon. John T. Shoener, Orwigsburg; Hon. Charles C. Matten, Pottsville; Hon. F. J. Keller, Locust Dale; W. J. Whitehouse, Pottsville; George H. Patterson, Ashland; Hon. Joseph Wyatt, Shenandoah; H. B. Denler, Shenandoah; Charles A. Shindel, Tamaqua; William H. Scarce, Tower City; Robert Barto, Pinecroft; Isaac Leeb, Selwyn; John Haven; Kluge Morris, St. Clair; James McShen, McAdoo; W. R. Price, Minersville.

POLITICAL POINTS.  
George J. Wadlinger, A. W. Schick and John O. Ulrich have accepted invitations from the Democratic state committee to deliver a number of speeches throughout the state.  
The county chairman of the Prohibition party says that Dr. Swallow will carry Schuylkill county.

No matter if the Populists do want an anti-trust paper for a strong platform, starting two years ahead means a good run for their money.  
The "workers" say Candidate Cummings has tipped his hat. There is no denying the fact he is making an active campaign.

The last day for filing certificates of nomination at Harrisburg is September 27th; and the final date for filing nomination signature papers is October 4th.  
The Republicans open the campaign this evening with a mass meeting at Pottsville.

To vote at the November election you must have paid a state or county tax within two years, and at least thirty days before the election.  
Col. Stone's speeches in the present campaign are having a good effect on the party. He ignores all dissensions among Republicans and appeals to the party for support solely on the basis of his public and private life. In judging that course he shows his good sense.

MARRIAGE LICENSES.  
Patrick J. Dever, of East Butler Twp., and Rose Ella Cusumano, of Mahanoy Twp., Oscar Reich, of Schuylkill Haven, and Oscar Greenwald, of East Brunswick Twp. Wm. Berkeiser, of Orwigsburg, and Annie M. Freed, of North Manheim Twp. John Jos. Fitzgerald and Mary Veronica Cusumano, both of Shenandoah.
