SUITS BEFORE JUSTICES.

Domestic Troubles Caused by a Post Office Receipt.

Joseph Kooloch was arraigned before Justice Toomey this morning on a charge of wife beating. The woman was of comely appearance and neatly dressed, and the husband apparently an industrious man. All the witnesses seemed to favor the latter.

The husband made no denial of the charges, but produced a post-office receipt he found at his home, as evidence that the wife had been sending money to a paramour. The defendant was required to furnish \$300 bail for trial at court, and he did so, declaring that he would sever the domestic relations. An affidavit was being furnished the wife intimated that she was willing to settle, but the husband rejected the overture. About two years ago a man was shot in a quarrel at "the rocks," and jealousy over Mrs. Koslosky was given as the cause of the shooting, which was not a very serious one.

George Urwanawicz was put under \$100 bail by Justice Shoemaker Saturday night, on a charge of assault made by Matt. Buska. It was alleged that Urwanawicz was beaten because he would not lend money to the defendant.

M'CORMICK AND BONNER.
Lively and Exciting Boxing Bout Between Heavy-weights.

The great crowd that packed the Quaker City Athletic Club at Philadelphia, Saturday night, saw one of the best glove contests between heavy weights that has ever been seen in that city for a long time. The principals were Jack Bonner and Jack M'Cormick, and the latter had a shade the best of the boxing. One thing that pleased the spectators was the fact that both men were trying their best to win. Bonner was of several times when a good left hand work. The fifth round was a very warm argument from first to last. It was M'Cormick's round, and he got in some hot punches, although Bonner was not idle, and did a little punching on his own account.

The last round was not so exciting. M'Cormick did the bulk of the leading and he landed many times. Bonner was trying to finish the bout with one punch, but the chance never came, although he landed one punch on "Mac's" head that must have set M'Cormick's brain buzzing.

Burgess Signs the Orders.
A contention has arisen between the borough officials of Shamokin as to whether the Chief Burgess or the President of Council should sign borough orders passed by that body and presented to the Treasurer for payment. During Burgess Farrow's incumbency of the office he has signed the orders, and they have been cashed without question. But now the question has been raised by some of the Councilmen that the president should sign the orders, and as their borough solicitor's opinion is in favor of the Burgess, the matter will come up before Council next meeting and if not amicably settled will be carried to court. In this and all other Schuylkill county towns, the president of Council has always signed the orders.

A VERY SIMPLE MATTER.
To lie in bed at night turning from one side to the other without being able to sleep is very distressing. Everything is quiet and everybody around you peacefully sleeping and you try in vain to pass into that state of forgetfulness which gives rest to both body and mind and reinvigorates the system. If you do fall into a doze perhaps you have horrible dreams which are worse than being awake and suffering, and you wake tired and dragged-out mornings. This condition is the result of overwork, worry, or disease due to acts of imprudence and excesses. Dr. Greene, 35 West 14th St., New York City, the widely known specialist in these cases, cures this kind and if you are suffering in this way he can cure you. Dr. Greene can be consulted by letter, free. If you are suffering from any diseases write to him at once and get his advice.

Quarities Win in Lancaster.
Lancaster, Pa., March 27.—As a result of Saturday's Republican primary for delegates to the state convention and county offices the Quarities elect all of their candidates by majorities ranging from 5,000 to 9,000. The delegates had a majority of 4,500, with a gain of almost 2,000 over last year. Ex-Senator C. C. Kaufman, of Columbia, who was one of the anti-Quary leaders, lost his own ward and borough, which last year, when he was an unsuccessful candidate for senator, he carried by 900 majority.

No rest night or day.
Kidney trouble, of course—a bad case.
'Twould have been better if it had been attended to long before it was.
Didn't matter, though, in the end—Doan's Kidney Pills fixed it up in a jiffy.
And, by the way, did you ever hear of a case of kidney trouble that
Doan's Kidney Pills
wouldn't cure?
Read what this man says about it. He's a Shenandoah citizen. You can easily verify his statement:
Mr. John D. Hughes, of 213 Market street, miner, says: "I have been in Shenandoah for twenty-eight years. My son and I contract in taking out coal. For years I have been troubled with my back and kidneys, had both a pain and lameness across my loins, and in the small of my back. Well, this bothered me very much, sometimes being worse than the other. I was induced to try Doan's Kidney Pills and procured them from Kirkin's drug store. I derived great benefit from them for they corrected the kidneys and since taking them I have had no trouble with the kidney secretions and I have been free from pain. Doan's Kidney Pills took out the lameness across me, and I know that they are a reliable kidney remedy."
