ANOTHER FLUKE.

THE ELEMENTS AGAINST THE YACHTS IN THE INTERNATIONAL RACES.

Insufficient Wind For the Time Allowance. The Columbia Was a Mile and a Half Ahead at One Time, But the Yachts Were Running Home Neck and Neck.

Special to EVENING HERALD.

New York, Oct. 5.—The Columbia and Shamrock raced again to-day for the America's cup, amid the same enthusiasm that marked the event last Tuesday. The race and conditions were the same as those on the day when the first race was declared off on account of neither yacht returning within the allotted time, the course being laid fifteen miles dead before the wind and back again.

The weather was hazy at the start and the wind light, the latter being accepted by the Shamrock admirers as a favorable omen for their racer, but from the general conditions there was a belief that both vessels would fail to get back on time.

The Shamrock repeated her trick of last Tuesday and got over the starting line first, at 11:01.1. The Columbia followed at 11:10.3, making a more favorable start than she did in the last race. The Columbia appeared to be much better handled to day than she was on the preceding occasion and her backers appeared to have still greater confidence in her than at any other time.

At 11:21, with three knots covered, the yachts were apparently on even terms and the handling of both excited the thousands of spectators on the accompanying steamboats and yachts. The Columbia was acting beautifully and at 11:40 she appeared to be slightly ahead. There was almost a dead calm prevailing and this again brought up visions of a fluke. The calm finally worked to the Columbia's disadvantage and favored the Shamrock, and at 12:30, with the wind beginning to blow about six miles an hour, the challenger was leading. The revival of the wind, however, filled out the Columbia's sails, and at 12:45 she had attained a lead of half a mile and was steadily increasing it.

At one o'clock the Yankee vessel had increased her lead to a mile, and was still going at a distance increasing pace. It was looking very blue for the Shamrock at 2:25, the Columbia having increased her lead to a mile and a half. The fog had cleared and the wind had shifted to the south. It was blowing at the rate of seven miles an hour, but the outer stakeboat had not been reached and hopes of the race being a success were fast diminishing.

At three o'clock the Columbia had lost her lead and the yachts were neck and neck. They continued in this order, and at 3:45 were seven miles from the finish line. At that time it did not look as if the yachts could finish within the time allowed.

At 4 o'clock a message was received at the HERALD office that the race was declared off on account of the time limit expiring.

FRIGHTFUL DISASTER.

The Steamer Republic Capizes With Seven Hundred People on Board.

Special to EVENING HERALD.

Reading, Oct. 5.—An Associated despatch received here at 4 p. m. confirms the report that the excursion steamer Republic, which accompanied the yachts along the international race course off Sandy Hook to-day, capsized with seven hundred people on board. The loss of life is not stated. Among those on board were the members of the New York Yacht Club. The steamer was chartered by the club for the races.

Part 2—Animatograph exhibition by George S. Niver, interspersed with illustrated songs by the Ashley sisters.

To-night's Play.

No expense has been spared by Mr. Carl A. Haswin to make his latest purchase, "A Lion's Heart," the greatest melodramatic production that has been seen on the American stage in years. The most intelligent care has been given to all the accessories. The scenery is elaborate and correct and truthfully represents the locality in which the action of the play takes place. Mr. Haswin's support has been carefully chosen and excels any company that has been seen in melodrama in years. This attraction will be at Ferguson's theatre this evening. The press of the region give it strong endorsement.

REPUBLICANS ORGANIZE

Preliminary Arrangements Made Last Night for the Local Campaign.

THE VISIT OF COL. BARNETT!

A Committee Appointed to Receive the Republican Candidate For State Treasurer, Who Will Visit Shenandoah, Mahanoy City and Tamaqua Next Wednesday.

A number of Republican voters representing the five wards of the borough met in the hall on North Main street last night and organized for the fall campaign. Executive committee John M. Stauffer was in attendance and made a very encouraging report on the Republican outlook bearing upon the campaign as reflected by the reports thus far received by the county committee.

The organization was effected as follows: President, D. R. James; Secretaries, Thomas Dove, Jr., and Edward Reem; Treasurer, John M. Stauffer.

Several measures calculated to have a favorable bearing upon the campaign were discussed and adopted, and the organization was launched in a manner that bids fair to bring about excellent results.

Colonel Barnett, the Republican candidate for State Treasurer, starts from Harrisburg this week on a tour of the state and is expected in this county next week. He will visit Shenandoah and his coming was discussed. It was decided to appoint one representative Republican from each of the wards to make arrangements for the visitor's reception and Chairman James appointed Charles E. Smith, Paul W. Honeck, C. T. Straughn, Hob. M. P. Fowler and John T. Lee for the purpose. It is intended that Colonel Barnett's visit will be the opening of the active campaign in favor of the ticket of the Republican state and county tickets.

COL. BARNETT'S TOUR.

The HERALD to-day received from the Republican headquarters at Pottsville the itinerary as at present arranged for Colonel Barnett in this county. On the afternoon of the 10th inst., next Tuesday, he will visit Ashland and Elmville, and he will return to Pottsville in the evening of the 11th. On the morning of the 11th he will leave Pottsville on the short line P. & R. train for Shenandoah. His stay here will be brief and he will proceed to Mahanoy City in time to hold a brief reception there and leave at about 3 p. m. for Tamaqua, from which place he will start at about 5:30 p. m. for Mauch Chunk, where he will speak on the evening of the 11th.

Dr. Charles E. Quast, E. D. Smith, Esq., Dr. George Halberstadt and Major Thompson have been appointed as a committee to greet Col. Barnett upon his arrival in Schuylkill county next Tuesday morning and will meet by the reception committee at Pinegrove.

The Jennings Case Settled.

The sensational Jennings railroad case, a claim against the Lehigh Valley for its share in the Mud Run disaster, had a peculiar ending on Monday in the Monroe county courts. When Judge Craig opened court Everett Warren, a well-known Scranton lawyer, asked that a jury be summoned for the case of John G. Jennings vs. the Lehigh Valley Railroad Company, which after being sworn to render a verdict in favor of the company, as the case had been settled out of court. The opinion is that Jennings received something substantial in the settlement.

Tribune Case Settled.

Parties who held claims against the Pottsville Tribune, the newspaper started by Brumm, Whitehouse & Co., and which suspended several months ago, have reached an amicable settlement by dividing the property and paying the debts of the concern. In the settlement B. J. Wilson secures one of the linotype machines, "Hudson" Brown gets the job department and Messrs. Brumm, Whitehouse and Wilson jointly own the perfecting press and steam engine.

THE SCHOOL BOARD.

An Unimportant Meeting of the Organization Held Last Night.

The School Board held a regular meeting last night. Most of the Directors evidently forgot that the time now fixed for the meeting is seven o'clock, and it was half an hour later before a quorum was secured. The Directors in attendance were Messrs. Keiper, Hanna, Holvay, Dove, Connors, Baugh, Claborn, Martin, Whitaker, Kerrigan, Malick and Leo.

The finance committee made the following report of expenses and money in treasury: Janitors' wages, \$245; Janitress' wages, \$165; officers' salaries, \$250; interest on temporary loans, \$445.74; coal, hauling and gas, \$45.61; building and repairs, \$16.50; materials for same, \$107.32; text books, etc., \$20.84; insurance premiums, \$265; school supplies (Hooks & Brown) \$829.58; bills for text books, etc., \$386.40; October interest on bonds, \$400; total, \$3,766.95. Balance in treasury, \$659; Tax Receiver Burke will furnish, \$800; total, \$1,459. Debt, \$2,247.95. Total assets, \$1,459. Debt, \$2,247.95. Net deficit, \$1,399.68. We recommend that orders be granted for the above bills and salaries, except for text books, and that the secretary be instructed to hold them until there is money to pay the same. We also recommend that the interest on temporary loans be paid, and that the temporary loans be coming due be renewed for ninety days. The report was accepted and the proper officers instructed to renew the temporary loans.

The committee on fire insurance stated that it met to consider the question of insurance on the school buildings and found that \$15,000 worth expires on October 7th and 8th, as follows: \$8,000 on the West street building, \$1,000 on the furniture and \$1,000 on the library, the premium being 3 per cent; \$6,000 on the new White street building and \$1,000 on furniture, at a premium of 4 per cent, a total premium of \$200. Mr. Thomas Bedall submitted a proposition to insure the West street building at 2 per cent, and the White street building at 2 1/2 per cent, which would be a saving of \$25 on the present premium. The committee asked permission to secure bids for insurance and recommended that the total amount be reduced from \$15,000 to \$12,000 to be put on the West street building, furniture, library, etc., and \$3,000 on the White street building, furniture, etc. The report was accepted and approved and the committee instructed to place the insurance with the best and cheapest companies.

An Excellent Showing.

County Treasurer Davis' report for the month ending September 30th shows a balance on hand of \$61,305.20, an increase of \$8,400.91 over that of last month. Very little tax receipts outside of those paid by the different corporations has yet been received. The sixty days settlement will begin this month and large amounts will be paid into the treasury within the next sixty days. The receipts for the remainder of the year will be greatly in excess of the expenses. This is an excellent showing, and it is a pleasure to note that the County Commissioners are giving the people an economical and business administration. Three-fourths of this year's expenses have been met without drawing on the tax duplicate of the present year. It is estimated that there will be a balance of nearly \$200,000 in the treasury at the end of the year.

Are Teachers Vaccinated?

The question has been asked by several parents within the past week whether the public school teachers were vaccinated in order that the County Commissioners are giving the people an economical and business administration. Three-fourths of this year's expenses have been met without drawing on the tax duplicate of the present year. It is estimated that there will be a balance of nearly \$200,000 in the treasury at the end of the year.

Fighting the Company Store.

The business men of Minersville are about to make an organized effort to close the Lytle Company Store at that place, which, it is alleged, is being conducted contrary to the laws of the state. The merchants of that town have determined to form an organization to enforce this law. Judge Dunn has been made temporary chairman of the proposed organization and will appoint a committee to formulate a plan of action.

FIGHTING FILIPINOS!

Many Skirmishes With the Rebels, With Losses on Our Side.

CAPTAIN AND LIEUTENANT DEAD

Insurgents Attack Paranaque and Their Sympathizers Fire Several Buildings—Rebels Re-occupy Porac. Efforts to Save Urdaneta Successful.

Manila, Oct. 5.—Reconnaissance from Mexico by the Fourth cavalry toward Santa Ana, northeast of Mexico, and toward Arayat, due north of Santa Ana, developed the fact that the insurgents are in position at both points. An American private was killed in the skirmish at Santa Ana.

The Arayat party learned that Scott and Edwards, of the Twenty-fifth Infantry, who are missing, are prisoners at Magalang.

The insurgents on Tuesday made two attacks on Calamba, in which the commanding officer reports 40 Filipinos were killed and many wounded. Two companies of the Twenty-first regiment repelled each attack, losing two men killed and seven wounded. Bolomen surprised an American outpost near Guaga, killing two privates. The other two escaped.

While four sailors of the United States cruiser Baltimore were entering the Bacoor river in a boat on Tuesday, after the fight, they received a volley, wounding three. It is understood that the volley came from United States soldiers, who, having been ordered to prevent the passing of boats, fired by mistake upon the Baltimore's men.

Rear Admiral Watson announces the recovery of the United States gunboat Urdaneta, which was captured and beached by the insurgents near Orani, on the Orani river, where she had been blockaded. The expedition was entirely successful, the Americans suffering no casualties.

Several hundred insurgents have re-occupied Porac, which was captured by General MacArthur on Sept. 28 and evacuated by the Americans the following day.

The insurgent forces are also reported moving toward Mexico, southeast of Angeles.

The object of the double movement is, apparently, to get behind the American garrison both sides of the Manila-Dagupan railway.

An attack upon Paranaque was made by the insurgents last night and rebel sympathizers in the town set fire to a number of buildings. Colonel Daggett repulsed the attack and declined offers of assistance from Bacoor. The extent of the damage done by the incendiary fires has not yet been learned.

Captain Bogardus Eldridge, of the Fourteenth infantry, was killed Tuesday in the fighting around Imus. He leaves a widow and three children.

Captain Poore, of the Sixth infantry, attacked an entrenched rebel band in Western Negros on the 1st inst. Lieutenant Corbin was killed, Dr. Shillock and three enlisted men wounded and 20 robbers killed.

COLONEL BARNETT'S CAMPAIGN

Started Off at the Republican League Convention—League Officers.

Harrisburg, Oct. 5.—Colonel James B. Barnett, Republican nominee for state treasurer, formally started his campaign with a speech at yesterday's convention of the State League of Republican Clubs. Speeches were also made by Governor Stone, Lieutenant Governor Gobin, Attorney General E. L. Kin, Deputy Attorney General F. H. and Major Archibald, of Philadelphia. Colonel Barnett will start next Tuesday on a stumping tour of the state, under the direction of the state committee, and he will be joined at different points by General Gobin and other campaign speakers.

J. Hampton Moore, of Philadelphia, was elected president of the league by acclamation, to succeed Arch Mackrell, of Pittsburg. These officers were also elected: Vice presidents, John R. Wiggins of Philadelphia, Henry Zimmerman of Erie, J. D. Little, William J. Nehl and A. C. Robertson of Pittsburg; F. P. Reitmeyer of Williamsport and Milton W. Lowrey of Scranton; reading secretary, George J. Llewellyn of Wilkesbarre; treasurer, Jere H. Shaw of Philadelphia.
