Attending Grand Lodge of Elks.

F. A. Alexander and Walter D. Williams are in St. Louis, Mo., this week attending the convention of the Grand Lodge B. P. O. Elks. Mr. Alexander went to East Liverpool, Ohio, Friday and spent Sunday with his family, who are visiting there, and on Monday returned to Allegheny where Mr. Williams met him and the twin joined the Allegheny delegation of Elks and traveled in a special Pullman train to St. Louis, stopping a day at Cincinnati.

Clarion Ladies.

Mrs. Mable Arnold and Miss Eleanor Arnold, of Clarion, were the guests of Mrs. W. B. Alexander from Friday evening until Monday. Miss Arnold stopped off here on her way home from Boston, where she had been taking voice culture from a private teacher. She sang in the Presbyterian church Sunday and captivated the congregation with her charming voice. She is certainly a sweet singer. Mrs. Mable Arnold, who has quite a reputation as a violinist, played a solo in the church.

"Gyp, the Waif."

"Gyp, the Waif," a comedy-drama in three acts, was played at the Reynolds-opera house last Thursday and Friday evenings by home talent under the directions of H. Eugene Phillips, for benefit of the Village Improvement Association. A good sized audience attended the play the first evening, but the second evening the attendance was not so large. All things considered, the play was not patronized as liberally as it should have been. The play was exceedingly well rendered and the young people who took part in it all did very nicely.

Auck-Syphrit.

William Auck, of Bucyrus, Ohio, and Miss Tressa Syphrit, of Munderf, who gave music lessons in this place over a year, were married at high noon yesterday at the home of the bride's parents at Munderf, Pa. Rev. W. Frank Reber, pastor of the Reynoldsville Presbyterian church, tied the nuptial knot. Frank P. Alexander, assistant cashier of the Seelye, Alexander & Co. bank, was the best man, and Miss Celia Auck, of Bucyrus, was bridesmaid. It was a swell wedding. Mrs. Reber and Miss Belle Arnold were also at the wedding.

Golden Wedding.

Ex-Sheriff S. P. Anderson and wife, of Summerville, celebrated the fiftieth anniversary of their marriage—golden wedding—on Wednesday of last week, June 14th. About seventy-five guests were present. An excellent dinner was served. Mr. and Mrs. Anderson received a number of valuable presents, including elegant furniture, handsome set of dishes and gold coins. Mr. and Mrs. L. M. Snyder, of this place, attended the golden wedding. Mrs. Snyder is a daughter of Ex-Sheriff and Mrs. Anderson. We received a lengthy poem from Kodak, Corsica, concerning this golden wedding, which was received too late for publication.

Knocked an Eye Out.

It was reported in this place Monday afternoon that a foreigner named Mike Feek had been murdered at the Virginia mine, which is located between this place and Rathmel. The report proved false, but the Polisher was badly used up. One eye was knocked out and his head had a number of cuts on it. As near as we can learn bad whiskey and jealousy was the cause of the fracas. Feek went into the home of Mike Routowicz and he was ordered out. He refused to go and Routowicz and wife and a man named Metrow proceeded to put him out, using a poker, clubs and anything they could get their hands on. Feek was unconscious for a time and that was the foundation for the report that he had been murdered.

Galvanized-iron Barrels.

The ladies of the Village Improvement Association have had a number of galvanized iron-barrels put up at various places on Main street so that paper, &c., can be thrown into them in place of throwing it out on the street. The ladies have ordered twenty barrels which will be put up at different places in town. The Reynoldsville Hardware Co. is making the barrels. The object of the barrels is to keep our streets clear of trash, and it is certainly a very worthy object. Some person or persons devilishly inclined have already damaged one of the barrels and performed other uncivilized tricks. If the ladies learn who the guilty parties are they will make an example out of them. There is a law protecting public property.

Royal Arcanum Picnic.

All the preparations are about completed for the Royal Arcanum picnic to be held in this place to-morrow. A large crowd is expected. The Phillipsburg delegation will bring a brass band, glee club and banjo club, and the Clearfield people will bring a mandolin club. The Curwensville and Reynoldsville ball teams will play at 3.00 p. m. Tables have been built in Frank's Park at which about 2,000 people can be seated at one time. The occasion is worthy of special decorations, and the town should be dressed in gala attire. The program for the day's "doings" is as follows:

Table listing picnic program items: 9.00 Music, 9.30 Arrival of trains, 9.45 Gathering at Park, 10.00 Music, 10.20 Prayer, 10.30 Welcome, 10.40 Response, 10.50 Music, 11.00 Address, 12.00 to 1.30 Dinner, 1.35 Visit to Silk Mill, 1.40 Banquet, all afternoon, 2.00 Bicycle parade, 3.00 Base ball, 3.15 Cake walk, 4.00 Girl's whistling contest, 4.30 Boy's foot race, 4.45 Music, 5.00 to 5.30 Lunch and Refreshments, 5.30 Closing all amusements, 7.45 Music, 8.00 To trains.

J. C. Norris for Commissioner.

This week, under the proper heading, will be found the announcement of J. C. Norris, of Henderson township, as a candidate for the Democratic nomination for county commissioner. Mr. Norris is not only a worker in the Democratic party himself, but he comes from a family whose Democracy dates away back into the past, and none of the family have ever asked for a county office before. Then again, Mr. Norris, lives in a township wherefrom never a citizen has been selected to fill a county office. Aside from party fealty, &c., Mr. Norris is deserving of the nomination on account of his ability to fill the office in a very creditable manner and for the best interests of the tax-payers of the county. His claims and capability are certainly worthy of careful consideration by the Democratic voters of Jefferson county. We bespeak for the gentlemen from Henderson township a large vote at the primaries on Saturday, July 1st.

The Elks' Club Rooms.

The Elks of Reynoldsville propose to have the finest club room in this section of the state when finished. The Elks are noted for their sociability, and they will soon be in shape to entertain royally in their new club rooms. As stated in THE STAR last week, the rooms are on the second floor of the Degan & McDonald brick block and consist of a parlor, smoking room, banqueting room forty feet wide, cloak room, kitchen and toilet room. The parlor will be furnished with leather covered furniture and the floor will be covered with brussels carpet. The smoking room floor will be covered with linoleum, the banqueting room and kitchen floors will be hardwood and oiled. There will be an archway between parlor and smoking room and sliding doors between smoking room and the banqueting hall. All the rooms will be handsomely papered and painted.

Republican Primaries and Convention.

The Republican primaries for Jefferson county were held last Saturday, and the county convention was held in Brookville Monday afternoon. Only once before in the history of the county has there been as large a vote polled at the primary election as was polled Saturday. After the vote cast in each precinct was read before the convention, and while the secretaries were counting up the total vote received by each candidate, the convention took up some other business, the election of a county chairman and the passing of some resolutions, &c. T. M. Kurtz, of Punxsutawney, was elected county chairman. The convention made a good selection in the chairmanship.

Among the resolutions passed was one that Senator Penrose be requested to use his influence with the department at Washington to have a post-office established at West Falls Creek.

There was a resolution presented to the convention that the treasurer of the county committee be instructed to pay delegates to county convention \$2.00 for the day. This resolution was hotly discussed and voted down.
