Millirens please their customers and the business prospers. The A. V. Ry pay car made a trip over the road last week. A report of the First National bank will be found in this issue. Robinson's. The low prices and honest values at Millirens will surprise and amaze you. A. W. Hawks, the laughing philosopher, at Assembly hall next Friday evening. What we call leather is leather and every shoe we sell is what we say it is. Robinson's. Voters had no excuse for staying at home on account of the weather. It was a pretty day. If you want a good fitting suit or an overcoat, go to Johns & Thompson, merchant tailors. Charles Burns had to have a good horse shot Monday that was afflicted with an incurable disease. Many graduates are preparing to return to the Clarion Normal School this spring to study advanced branches. The Labadie Repertoire Co., that played three nights in the Reynolds opera house last week, is a fairly good company. August Eschner and Mary Thorwart were married at the home of the bride in this place last Saturday afternoon by Ezra Neff, Esq. Don't fail to hear A. W. Hawks, the humorist, at Assembly hall Friday evening, February 23rd. Tickets on sale at Stoke's drug store. The sixth and last lecture in the public school course for this season will be delivered in Assembly hall next Friday evening by A. W. Hawks, the humorist. For Sale—One seven-year-old mare, weight 1200 lbs., one top surry, top buggy, open buggy, sleigh, set harness, blankets and robes. Inquire of John M. Hays. The Lawrence paints excel all others in beauty, durability and economy. They are always uniform, reliable and satisfactory. For sale by the Reynoldsville Hardware Co.

Frank Buck, a brakeman on A. V. Ry, fell off a car yesterday afternoon and was badly shaken up. No bones broken. Ed. Phillips, the barber, has moved into his own building, next door to the room he has been occupying. Ed. has a very neat shop now. An eight-year-old daughter of Mr. and Mrs. George Burkett, died Friday night with diphtheria and was buried in Chestnut Grove cemetery Sunday. Thomas O'Hare, who was to have played ball with the Grove City team this year, has withdrawn the contract and will sign with another club soon. The Ladies' Missionary Society of the Presbyterian church will hold a cake sale on Saturday afternoon at J. C. Froehlich's place of business on Main street. Mrs. S. B. Rumsey entertained a number of friends last evening. It was a bonnet party and was a very pleasant affair. The gentlemen made the bonnets. Edward Hughes, the Rathmel butcher, took a fine drove of cattle through this place last week. It is evident that Mr. Hughes is giving his customers fine meat. The I. O. O. F. Degree Staff was at Falls Creek last evening doing some degree work. About twenty-five Odd Fellows were in the party. They drove to Falls Creek. Muralo is a crystalline sanitary wall finish. It makes a coating as permanent as the wall itself. Ready for use when mixed with cold water. Sold only by Hall & Barton. Alfred Fisetto was given a birthday party last Thursday evening. The party was held in one of the rooms on second floor of Sam'l T. Reynolds' block. Refreshments were served. When Hill street, between Fifth and Sixth streets, was graded last summer the water line was left so near the surface that the water line froze last week and a part of it had to be dug up. The Ladies' Relief Corps will hold a bonnet and necktie social in the G. A. R. hall Friday, March 2nd. Ice cream, cake, coffee and sandwiches will be served. All are cordially invited. A hot supper will be given at 5.00 o'clock Saturday evening in the Bee Hive building by the Altar Society of the Catholic church. Oysters, ice cream, cake and coffee will also be served during the evening. Cinderella stoves and ranges contain every improvement that is of value to a house keeper. Cleanliness, durability and economy are its strong points. Guaranteed to bake. For sale by the Reynoldsville Hardware Co. George W. Swartz, of this place, is a loser by the recent cold snap in Florida, as all the vegetables and orange buds on his farm near Winter Haven were killed. Two years ago Mr. Swartz lost considerable by a cold wave in Florida. The Punxsutawney papers were blowing last week because that town has been supplied with a set of weather flags, something that Reynoldsville was supplied with six or seven years ago. However, for some reason, the flags are not used here any more. One of the miracles of modern times, along with the telephone, wireless telegraphy, horseless carriages, etc., is the Ruud Instantaneous Water Heater, the heater that furnishes scalding hot water without the least bother. You turn the faucet, the heater does the rest. For sale only by Hall & Barton. The annual election of directors and treasurer for the Reynoldsville Land and Improvement Company was held at the office of Lawyer C. Mitchell last Saturday afternoon, but a sufficient number of stockholders failed to materialize to make the election legal and the old officers will now have to serve another year. Through the kindness and thoughtfulness of Mrs. Dr. A. H. Bowser THE STAR office force had a small feast of cake from the Crotzer-Booth wedding dinner last Wednesday. A few years ago it was a rare thing for people to have wedding feasts and not send the printer a box of cake, but now it is a rare thing to send the printer cake. Good old customs do change. Frank Deemer, administrator of the estate of William Doney, deceased, is experiencing some difficulty in getting the estate settled. Some of the personal property is in possession of heirs who claim that it was given to them before Mr. Doney died, and they will not give same to the administrator. Testimony was taken before Squire Neff Monday and Tuesday which will be presented at argument court. The Ladies' Work Society of the Presbyterian church will hold a "measuring social" in the church Thursday evening, Feb. 22nd. George and Martha Washington have kindly consented to be present and will give you your correct measure, charging at the rate of two cents per foot and one cent for each additional inch. Sandwiches, cake and coffee will be served free of charge. An entertainment has been provided consisting of music and recitations. All are invited to come and spend a pleasant, social evening.

Help a Little. THE STAR office always gladly receives news and notices of persons going and coming. Please hand or bring them in. It is desired to give all the news of the county. Went to British Columbia. On Monday morning James Lusk, Martin Flannery and Charles Early left Reynoldsville for Fernie, British Columbia, where they will follow their vocation of coal mining. Good wages are paid there for miners and the men can have work every day if they want it. Birthday Surprise Party. Last Thursday evening the members of the Woman's Relief Corps gave Mrs. William Copping a birthday surprise party, that being her 60th birthday anniversary. The ladies carried refreshments with them. They gave Mrs. Copping a very pretty silver butter dish and knife. Glass Plant. Work on the glass plant buildings is being pushed along as rapidly as the weather will permit. To-day or tomorrow work will be commenced on one of the large buildings, which is 250 feet long and 150 feet wide. The Star Glass Company expects to have the plant in operation the first of April. New Machine Shop and Foundry. Herpel Bros., proprietors of the machine shop and foundry in West Reynoldsville, have decided to build a new shop and foundry. The location for the new shops has not been decided upon yet. It will be a very large plant and will be a credit to the town. We will publish particulars in another issue. Robbery Sunday Night. Sunday night thieves broke a lock and gained an entrance into the B. R. & P. freight house in Reynoldsville and carried away a small amount of plunder, several pairs of pants and about a dozen pairs of shoes. The robbers opened a number of boxes and ransacked them to see if they contained anything that they wanted. Institute March 10th. The public school teachers of Reynoldsville, West Reynoldsville and Winslow township were to have held an institute in Reynoldsville last Saturday, but for several reasons that date did not suit and the time was changed to March 10th. This promises to be a very interesting institute. Program will be published in THE STAR later. Presbyterian Meetings Closed. The special meetings in the Presbyterian church, which were in progress three weeks, closed last Friday evening. As a result of this special effort the membership of the Presbyterian church has been increased forty-two, nine were received by letter and thirty-three by profession of faith. Rev. C. W. Cherry, of Natrona, who assisted in the meetings last week, is a very able preacher. Freight Wreck. Last Sunday a small freight wreck occurred on the A. V. Ry near Camp Run, caused by a broken axle. The train was hauled with two engines and was making freight train time when the axle of one car near middle of the train broke and the car tumbled over into the creek. The front trucks of the car next to the one with broken axle was all that jumped the track. It would not have been surprising if a dozen cars had rolled into the creek. Farmers' Institute. The farmers' institute at Paradise and Allens Mills last week were exceedingly interesting and were well attended. John Dougherty and R. F. Morrison, local managers of the institutes, deserve credit for the success of the institutes. Dr. William Frear, of State College, and Senator Critchfield, of Critchfield, Pa., were the state lecturers at these institutes. These institutes are very profitable to the farmers who attend them. Building and Loan Business. At the regular monthly meeting of the Reynoldsville Building and Loan Association Monday evening five directors and one auditor were elected and \$5,000 were sold. The receipts the past month, almost \$8,000.00, were the third largest ever received since the Association was organized. The following officers were elected: Directors, John H. Kaucher, Henry C. Deible, William Copping, A. T. McClure and Martin Phalen; auditor, John H. Bell. Obstreperous Drummer. Last Saturday a drummer stepped into the ladies' waiting room at A. V. Ry's station and bought a ticket for DuBois, and in giving 20 cents in change Mr. Farrell had to give the drummer 10 pennies, which the fellow refused to take and became very obstreperous about it. Finally the agent called Policeman McKernan and he asked the drummer to step out of the ladies' room, which he refused to do and resisted the officer. The policeman arrested him and took him before Burgess McEntire, who fined the drummer \$3.00 and costs, which was \$2.00, making a total of \$5.00 the fellow had to pay, besides missing the train he wanted to go on. The drummer had this trouble and expense because he refused to accept ten pennies in change.

Buried Thursday. Franklin Ellenberger, whose death was briefly mentioned in THE STAR last week, was born in Jefferson county November 30th, 1837, and died on Tuesday, February 13th, 1900, making him 63 years, 2 months and 15 days old at time of death. The mortal remains of this father in Israel were buried at Panic Thursday. Funeral services were conducted by Rev. M. E. Borger, an Evangelical minister. The deceased was a member of the M. E. church in this place. He joined the church in 1885. Forty years ago Franklin Ellenberger was married to Miss Barbara Brown at Panic, Pa. To this couple twelve children were born, four of whom preceded the father to the Eternal Land. A few years ago Mr. Ellenberger moved from this place to North Freedom. He was an honest and upright gentleman and had many friends wherever he cast his lot. His death was indirectly the result of a severe attack of grip. The deceased is survived by his wife, four sons and four daughters, as follows: Mrs. Ida Pfifer, of this place, Thomas Ellenberger, of Cool Spring, Mrs. Emma Dickey, of Winslow township, Charles Ellenberger, of Echo, Phillip, Daniel, Nora and Lucile Ellenberger, of North Freedom. Smith for Congress and Fisher for Senate. Hon. W. O. Smith received the nomination for Congress and John S. Fisher, Esq., for State Senate. As we go to press it is claimed that Smith and Fisher each have a majority of about 1,500 in the county over Truitt and Morrow. The vote for Senator and Congressman in Reynoldsville, West Reynoldsville and Winslow township was as follows: REYNOLDSVILLE. Senate—1st precinct, Fisher 59, Morrow 119; second precinct, Fisher 135, Morrow 28. Congressman—1st precinct, Smith 73, Truitt 105; second precinct, Smith 134, Truitt 29. WEST REYNOLDSVILLE. Senate—Fisher 53, Morrow 21. Congress—Smith 44, Truitt 30. WINSLOW TOWNSHIP. Senate—West, Fisher 46, Morrow 20; East, Fisher 141, Morrow 49. Congress—West, Smith 44, Truitt 22; East, Smith 133, Truitt 57. Parker Concert Company. The Parker Concert Company gave an entertainment in Assembly hall last Friday evening to a large and enthusiastic audience. The people were highly delighted with the entertainment, and if this company ever comes to Reynoldsville again they will be sure to draw a large audience. Every member of the company is first-class. The violinist, Miss Ferry, and the reader, Miss Boynton, captivated the audience. The company gave appropriate services in the Baptist church Sunday morning and in the M. E. church Sunday evening to large audiences. The M. E. church was too small to accommodate all the people. Joy Almost Turned to Sorrow. A great calamity came near befalling the wedding party at the home of John Smith in Rathmel last Wednesday evening. Mr. Smith lives in rooms over his store and while guests were congratulating the bride and groom the joists in one end of the room gave way, but fortunately that side of floor did not drop far. There were about 150 guests present and the room directly under this one had molasses barrels, etc., in it. Had the floor given way entirely there is no doubt that a number of lives would have been lost. Ed. Platt Home Again. Edward Armstrong Platt, the poet of the Asiatic fleet, who was a participant in the battle of Manila Bay with Admiral Dewey, arrived in Brockwayville yesterday morning and will visit his brother, D. A. Platt, and old-time friends here for a few days. Mr. Platt has been honorably discharged from the service of the United States Navy, and, after resting up for awhile, will start out on a lecture tour.—Brockwayville Record. Surprise Party. Abram Newsome, a former loom fixer in the silk mill at this place, who left here Monday for Philadelphia where he has a position as loom fixer, was given a surprise party Saturday evening at his residence in West Reynoldsville by about thirty weavers and friends. He was given a number of presents. Refreshments were served. B. D. Ansdell, the hypnotist, assisted in furnishing entertainment for the party. Red Men Visitors. A number of members of Montour Tribe, No. 180, Red Men, of DuBois, visited Mazomania Tribe, No. 341, in this place last Friday evening. Past Sachem Musser, of Philadelphia, was present and delivered a speech. The Red Men took supper at Eufers' after the initiation and speech. Revival Continues. The revival in the M. E. church is still in progress. A number were taken into the church by letter and on probation Sunday. Three of the best things on earth—the Detroit Gas Range, Ruud Instantaneous Water Heater and the Oliver Chilled Plow. Hall & Barton sell all three. About fifty cents go as far at Millirens as a dollar does elsewhere. Just what you want in rubbers at Williams'.
