"There is only one chance to save your life and that is through an operation" were the startling words heard by Mrs. I. B. Hunt of Lime Ridge, Wis., from her doctor after he had vainly tried to cure her of a frightful case of stomach trouble and yellow jaundice. Gall stones had formed and she constantly grew worse. Then she began to use Electric Bitters which wholly cured her. It's a wonderful stomach, liver and kidney remedy. Cures dyspepsia, loss of appetite. Try it. Only 50c. Guaranteed. For sale by H. JAMES W. STEVENSON,  
Deputy Controller of New York City.

James W. Stevenson, son of Henry Stevenson, a farmer residing near Sandy Valley, and son-in-law of M. M. Davis, of this place, has been appointed second Deputy Controller of New York City at a salary of \$6,000 per year. The appointment was made last Friday.

Mr. Stevenson was secretary to President Edward M. Grout of the Borough of Brooklyn four years at a salary of \$3,500 per year. Mr. Grout, in speaking of Mr. Stevenson's appointment as Deputy Controller, said: "Mr. Stevenson was formerly and for many years engaged in journalism, and during the four years that he has been with me has proved himself in every way competent and reliable. I do not know of any other person who is not a lawyer, nor

indeed of many lawyers, who has as thorough an acquaintance with the charter of the city as he has, and I do not believe that any person not now in the Controller's office could enter it with as clear an idea of the duties imposed upon it. Very many of the changes made in the charter and taking effect on the first of January were due to suggestions first made by Mr. Stevenson and afterward urged by me on the charter revisers."

About a dozen years ago Mr. Stevenson was "devil" in a Reynoldsville printing office at a salary of \$1.50 per week. It gives us pleasure to make mention of the success of our old time friend, who bears the same name as ye editor, but we cannot claim a relationship.
