The constable from Kittanning came to Reynoldsville Friday and took Kline to Kittanning. The festival given in Schugers' hall at Horntown Saturday evening, June 11, by the Horntown Grange, was well patronized and was a success financially and socially. The attendance was larger and patronage better than the Grangers had anticipated, consequently, they were very much encouraged. The Horntown Grange was recently organized, but it is a lively youngster. Rev. J. C. McDonald and wife, of Warren, were guests of Squire and Mrs. J. T. Guthrie from Friday noon until Saturday morning, stopping here on their way to Punxsutawney where Rev. McDonald preached in M. E. church Sunday morning and evening. Rev. The Children's Day exercises in the Baptist church last Sunday evening was one of the finest exercises of the kind ever held in that church. The songs and recitations were very good, but the emblematic piece, heart song, was the finest thing on the program. The church was beautifully decorated and was crowded to its fullest capacity and a number of people were unable to get into the church and had to return home or go to some other church. A meeting of the National Association of Window Glass Manufacturers was held at the International Hotel at Niagara Falls, N. Y., on Tuesday and Wednesday of last week. A. T. McClure, manager of the Star Glass Co. of Reynoldsville, attended the meeting. A committee of nine, of which N. L. Strong, of Brookville, is a member, was appointed with instructions to formulate a plan of organization, with the idea in view of making it of such a character that it would meet with the approval of the majority of the window glass manufacturers in the United States so that the trade could again be placed on a good working basis. This committee is to submit a report at the meeting to be held at Put-In-Bay July 20th. A. Katzen, of the People's Bargain Store, will give away a fan to every person who will call for the same on Saturday, July 2nd at Mr. Katzen's store.

Her home was in Henderson township. She was 53 years old. Fine Entertainment. The home talent entertainment given in Assembly hall last Thursday evening for benefit of the Young Men's Reading Association, was one of the best local talent entertainments ever given in Assembly hall, but it was poorly patronized. The entertainment consisted of trios, solos, quartettes, recitations, declamations. The program was published in THE STAR last week. All those who took part deserve high praise. The entertainment was worthy of a crowded house. Business Change. A. P. King, Charles M. Dingor and August Baldauf, all of this place, have bought the Reynoldsville Hardware Co. store, but have not taken charge of the store yet, and will not take charge until the stock has been invoiced.
