The Reynoldsville Candy Works, in the Nolan block, opened for business last Saturday with a fine line of fresh candies. This company has fitted up the cellar under the candy store for a candy factory and will manufacture their own candies for sale at wholesale and retail. The store room has been repainted and repapered and is now a very neat room. The married and single men of this place played a game of base ball on the home ground Monday afternoon, making the sixth game within five weeks, each club winning three games. While in Clarion county Mr. Johnston and his brother-in-law decided to take a drive behind a spirited moustang pony and they had not driven far until the pony decided to spoil their pleasure, and by a quick turn the gentlemen were dumped out of buggy into the middle of the road. Mr. Johnston's right arm and right leg were badly skinned. An article is going the rounds of the country press about a new game that has cropped out. It is called "Tickle the Editor" and is as follows: Take a sheet of ordinary writing paper, fold it neatly, enclose a bank note sufficiently large enough to pay all arrears and one year in advance and hand it to the editor. Keep an eye on him and if a smile adorns the face the trick works fine. Now is the time to play the joke. It beats "finch" and "pit" all hollow.

Bernard Gorman, the burglar who entered the Presbyterian parsonage at Brookville on the morning of June 1st, 1904, and was shot by Rev. Harry T. Chisholm, died in the Brookville jail Monday evening of this week. On account of his critical condition at August term of court Gorman's case was held over until the next term of court, but it was then known that he could not live until the November term. When arrested Gorman gave his name as John Doe, but several weeks after the man was shot and it was thought he could only live a few days, he confessed that his name was Bernard Gorman and that his parents lived at Titusville, and a sister came to Brookville to see him. Three Barns Struck by Lightning. During the heavy electrical and rain storm that passed over this section late last Thursday afternoon the barns of Henry Norris, Norman Douthit and J. J. Smith, all only a few miles out from town, were struck by lightning and the barns of Norris and Douthit burned down and Smith's barn was damaged considerably. Mr. Norris' barn contained about twenty-five tons of hay, five or six hundred bushels of wheat, rye and oats, two mowing machines, horse rake, wagon and other farm implements. No live stock burned. Loss about \$3,500; insurance \$1,000. Mr. Douthit's barn contained about twenty tons of hay, summer's crop of rye and oats, a mowing machine and other farm implements. No live stock burned. Loss about \$2,500; insurance \$500. Both gentlemen carried insurance in the Washington Mutual Insurance Co., of Rockdale. MURDER OR SUICIDE. Thomas Mack's Throat Was Cut and He Died Soon After. Thomas Mack, a colored man who had charge of the American House restaurant a number of years and afterwards opened a restaurant himself, committed suicide or was murdered at his home in Brookville last Thursday forenoon by having his throat cut with a razor. It was first reported that he committed suicide, but there were cuts on his body that could not be inflicted by himself and Mrs. Mack was arrested on the charge of murdering her husband and is now in the county jail at Brookville. Mack and his wife had been quarrelling before the razor was drawn over his throat. Mack was 38 years old. He was born at Hagersburg, Md. Mack and Ed. Blackwell, of Reynoldsville, were warm friends and had traveled over considerable of the country together. New Pastor. Rev. J. A. Parsons, who has been pastor of the Epworth M. E. church at New Castle six years, has been appointed pastor of the Reynoldsville M. E. church. Rev. His family consists of wife, two sons and one daughter. The oldest son is eighteen, the daughter fourteen and youngest son eleven years. Rev. Parsons will not move to Reynoldsville until next week, but he will be here next Sunday, Sept. 18th, to preach morning and evening. Rev. Perry A. Reno, who was pastor of the Reynoldsville church five years, has been appointed pastor of the First M. E. church at Sharon, which pays a salary of fifteen hundred dollars a year. We are glad to state that Rev. Reno has been given such a good appointment, and join with his other numerous friends in wishing him great success in his larger field of labor. Killed at Driftwood. Philip Bain, son of J. C. Bain, of Lawsonham, and brother of Mrs. J. W. Campbell, of West Reynoldsville, was killed in the P. & E. railroad yards at Driftwood between ten and twelve o'clock Monday night. His mangled body was found on the railroad track by the night watchman, supposed to have been run over by P. & E. passenger train No. 4, due at Driftwood about 11.00 p. m. Bain was fireman on the Low Grade Division but was not on duty when the horrible accident occurred. In view of the fact that the young man's money and a tightly fitting ring he wore were gone, his friends think there is a possibility that he was murdered and his body placed on the railroad track to cover up the crime. The last time he was seen alive by any of his friends was about 9.30. Philip Bain was born in 1881 and was 23 years old. The body was taken to Lawsonham on train No. 102 yesterday for burial. A New Old-Play. Frank S. Davidson and his Famous Company, Band and Solo Orchestra are booked at the Reynolds opera house for Saturday evening, Sept. 24. Last Thursday afternoon Mrs. Matilda Schugers and daughter-in-law, Mrs. William Schugers, of Hornstown, were returning from a picnic near Emerickville when their horse frightened at an automobile on the hill just west of Wm. Moore's residence and ran up on to the embankment, piled the two women and a small baby in a heap with the buggy on top of them. One of the ladies fell on top of the baby and knocked the breath out of the baby for a few seconds and it was thought the baby was killed, but it was not injured. Both ladies were bruised considerably. John Curry, A. C. Guth W. A. Engleman and a Mr. Funk, of DuBois, were in the automobile en route for Clarion fair. Some person telephoned to Brookville that the automobilist had killed a baby near Emerickville and requested that the party be arrested when they arrived in Brookville and the request was complied with and the gentlemen were detained at Brookville an hour or two before the charge against them was removed. A Wonderful Stove. The Keystone Hardware Company has just received a car load of the celebrated Coles Original Hot Blast Slack Burners. This stove already has the largest sale of any stove ever manufactured, and it gives such universal satisfaction that the demand for it is rapidly growing. Three years ago the Keystone Hardware Co., introduced Coles Hot Blast in Reynoldsville and sold 6 stoves the first season. The second year their sales amounted to 35 stoves and last year they sold 104, the largest number of stoves of one kind ever sold in a single season by one store in Jefferson county. The secret of this great demand lies principally in the merits of the stove. They work so satisfactorily that they are praised wherever used, so that the stove virtually advertises itself. There is no other stove made like it, as all of its valuable features are covered by patents and cannot be used by other manufacturers, although there are many imitations on the market, they all lack the important points which make Coles Hot Blast so popular. Card of Thanks. We take this method of expressing our heartfelt thanks to the friends and neighbors for their kind assistance during the sickness and death of our husband and father. Mrs. W. R. MARTIN AND CHILDREN. School Shoes. School time will soon be here—you'll be wanting shoes for the girls and boys. We have them in the good serviceable kind in all leathers at all prices. Death of William R. Martin. William R. Martin, who moved to Reynoldsville twenty-four years ago and lived here twelve years and moved away two or three times and moved back again to this place, died at his home on Jackson street at 5.20 a. m. Sunday, September 11, 1904, after a short illness from kidney trouble. The announcement of his death was quite a surprise to Mr. Martin's numerous friends in town, as very few knew that he was seriously ill. Mr. Martin was on Main street the forenoon of September 2 and in the afternoon of that day he took ill, but the doctor and family did not consider him in danger until Thursday. Funeral service was held in the Catholic church at 9.00 a. m. yesterday, conducted by Father Lynch. Interment was made in the Catholic cemetery. Undertaker Hughes had charge of the funeral. William R. Martin was born in Pittsburg April 5, 1853, making him fifty-one years, five months and six days old at time of death. July 1st, 1875, at Rimersburg, Pa., he was married to Miss Anna Butler, daughter of Mrs. Hannah Butler, of this place. His parents are both dead. Mr. Martin is survived by his widow, four sons and three daughters. W. J. Martin, of Arnold City, Fayette Co., Pa., Harry, of this place, George, of Mosgrove, Miss Ada, Margaret, Gertrude and Master Frank, at home. Mr. Martin was a kind husband and father and good citizen. His family have the sympathy of their many friends in their great loss. The floral tribute was beautiful, consisting of wreath and cross from family, large bouquet from Bing-Stoke Co., basket flowers from Thomas Black, bouquets from Mrs. David L. Postlethwait, Mrs. Ed. Gooder, Mrs. H. Armagost, Mrs. J. C. Hirst, Mrs. Ella Watson, Mrs. C. V. Smith, Mrs. W. H. Cumins. The following out of town relatives attended the funeral: Thomas Hoon and wife, of East Brady, William Butler, of Kittanning, Mrs. J. L. Murray and Mrs. Anna Butler, of Mosgrove, A. J. Postlethwait and wife, of Rostraver, Rev. J. H. Jelbart and wife, of Johnsonburg, Miss Sara Helm, of Cowansville. Sautelle's Circus. The manager of Sig. Sautelle's Nine Consolidated Railroad Shows forms a complete zoological display second to none to be seen with any other circus in all the world. In this department are to be found the most perfect specimens of every species of animal life in existence, carefully classified. The children will be especially interested in "First," the little kangaroo ever exhibited to the public; "Babe," the baby elephant; "Speck," a five-weeks' old spiral horned antelope, and last but by no means least a litter of cute little lion cubs, which are no larger than a pet kitten. It is doubtful if there is another menagerie in America with so many members in its kindergarten. In the mammoth double hippodrome the sports of Ancient Rome are most realistically reproduced, while truthful pictures of pioneer western life are presented in the great wild west arena by genuine cowboys and girls and full blooded Indians. The circus display proper is one of the best possible, the programme including a colossal coterie of exclusive all-star features. There are thrilling nerve shattering aerialists, superbly astonishing equestrians, death courting acrobats, lithe and sinuous contortionists, breath-taking mid-air wire walkers, clever jugglers, highly educated horses and ponies, absurdly frolicsome jesters and a myriad of other amazing and pleasing performers. This season these monster shows have been combined and are presented under one vast water-proof canvas amphitheater and may be seen in Reynoldsville when two performances will be given on Sept. 19 on show grounds. There will be a magnificent free street parade at 10.00 a. m. upon the above day and this display alone will be worth traveling many miles to see. It will be a full moving scintillating mile of gaily costumed ladies and gentlemen riders, handsome chariots, tableaux, vans, open and closed dens of rare wild beasts, brightly caparisoned horses and ponies, elephants, camels and herds of novelties. Last Niagara Falls Excursion of Season. The Buffalo, Rochester & Pittsburgh R'y will run their last Niagara Falls excursion of the season Sunday, Sept. 18th, on which date round trip tickets will be sold for special train leaving Falls Creek 6.35 a. m. at the extremely low fare of \$2.50, which will be good returning on special excursion train leaving Niagara Falls 7.00 p. m. and Buffalo 8.00 p. m. on date of sale, also from Buffalo on regular trains Monday, Sept. 19th. September is the most delightful month of the year in which to visit Niagara and this last opportunity of the season for a pleasant days outing at this great resort should be taken advantage of. Go to Keystone Hardware Co. for Anchor Brand clover and timothy seed. See the fall blocks in hats at Millirens. Ucanatmatch Harmon's shoes. Plain sewing done by Mrs. J. W. Public Schools Opened Monday—A Large Enrollment. Monday morning of this week the public schools of this place opened with a very good attendance. The number of pupils enrolled is very much larger than that of last year, 130 new pupils were assigned to the different rooms and grades. These added to last year's pupils who took up the work again make an enrollment of 597 for the first day of school. The pupils are distributed through the different grades in the following manner: Room 14, Prof. F. T. McClure, teacher, 35, 7 seniors, 11 juniors, 17 sub-juniors; Room 13, Prof. D. S. Bacon, teacher, 42, 19 in the 10th grade and 23 in the 9th grade; Room 12, Miss Julia Kirk, teacher, 29; Room 11, Miss Anne Kunes, teacher, 37; Room 10, Miss Lulu Black, teacher, 53; Room 9, Miss Blanche Thornton, teacher, 58; Room 7, Miss Margaret Butler, teacher, 59; Room 6, Miss Susie Schultze, teacher, 48; Room 5, Miss Olive Ross, teacher, 48; Room 4, Miss Edna Lewis, teacher, 50; Room 3, Miss Lillie Lenkerd, teacher, 65; Room 2, Miss Janet Snadden, teacher, 50. As it will be noticed, many of the rooms are crowded. Room 14 has an unusually large attendance. Including the pupils of the 10th grade, who are doing High School work, the High School numbers 54. Though the total enrollment of the schools is large, yet many more pupils are expected to enter in the next few days. Dr. A. J. Meek was present at the opening of the schools and conducted the devotional exercises. In a brief address to the pupils assembled in the auditorium he emphasized the great importance of getting knowledge. This address was much appreciated by the pupils and the teachers. Prof. Smith in a brief talk to the pupils suggested how a pleasant and successful school year would be theirs by fulfilling certain necessary conditions. After the morning exercises the regular work, incident to the opening of the schools was begun. The new pupils were seemingly properly placed and things began to assume a healthful state. During vacation the rooms had been thoroughly cleaned so that everything seemed to be in a good condition for the opening of the schools. For sanitary purposes the floors on the second story have been oiled, thus preventing the accumulation of so much dust. Glass Works Will Not Resume. The Record has it from what is considered a reliable source that the Eagle Glass plant at this place will not be fired up this fall. It is stated that the Oil City Fuel Supply Company notified the glass people that the price of gas would be raised on them when they started up this fall and for this reason the company does not deem it advisable to operate the plant at the advance in price of gas. It is to be regretted that the plant will remain closed as the operators were good citizens and employment was given to a number of men.—Brookwayville Record. B. & S. Reaches the City. On Saturday the whistle of a Buffalo and Susquehanna engine was sounded in the city limits for the first time. The rails are laid within a half a mile of the site of the passenger station the company will erect here and a work train came over the road far enough to enter the city on Saturday. It is expected that by Tuesday the rails will be laid through the Cottage Hill tunnel and by the end of the week the temporary passenger station will be reached.—DuBois Journal. Just Stop and Think. Winter will soon be here. Go on the last B. R. & P. R'y excursion of the season to Niagara Falls Sunday, Sept. 18th, and have one more good time before you have to get out your winter overcoat. Special train will leave Falls Creek 6.35 a. m. Round trip fare \$2.50. Pencil Tablets. Given free with each pair of boys' or girls' school shoes. School time will soon be here—our line of school shoes is here ready for you. Bing-Stoke Co. Good Judgment. Has the lady that called at our store the other day and after examining our line of stoves said we had the prettiest stoves in town. Reynoldsville Hardware Co. Go to Thompson's for Glass Goods. Lamp chimneys, gas globes and gas mantles at 10, 15, 25 and 35 cents at Thompson's racket store. If we love God's out-of-doors we can never grow lonesome. The leafy ways, the fruitful fields, the shorn glories of winter, the mystery of Spring life—all of these and every one of these, through every hour of every day, can lift us out of sordid surroundings and noisy highways of struggling life into quietude and peace. The honest buffetings of the winter, when the spirit of the wind carves mighty designs in the drifting snow, the soft blandishments of the summer, when the air is alive with creatures and sweet with the perfumes of life, when to lie beneath the trees is royal rest—the enjoyment of these, or even the thought of them, can make the petty annoyances of daily life sink into saner proportions.—Ex.
