### SEVENTY-FIFTH YEAR

#### BEECHWOODS PRESBYTERIANS CELEBRATE ANNIVERSARY.

Many of the Pioneer Members Attended the Exercises Wednesday and Had a Pleasant Reunion.

Perfect weather favored the Presbyterian congregation of the Beechwoods for their three quarter centennial celebration Wednesday, June 17, and this occasion was attended by a large crowd of people from the entire surrounding neighborhood.

It was an interesting occasion for everyone and there was a general feeling of good fellowship manifested on every hand. The open-hearted generosity and hospitality, for which the people of the Beechwoods are famous, was in evidence at all times and everyone felt better for having been present.

The church was entirely too small to accommodate the crowd in attendance and many people listened to the address as the words of the speaker came out through the open windows. The church building was prettily decorated for the occasion and a large fringed sign of welcome was suspended across the altar. On the rear wall was a sign, "1832—Greetings—1908."

Rev. Robert A. Hunter, a former pastor, acted as chairman of the meeting and he was very happy in his introduction of the various speakers.

The opening session in the morning was given over entirely to a review of the church history from 1871 to 1908. Revs. G. H. Hill, R. A. Hunter and J. H. Hill, giving the various periods. The facts presented were of a most interesting character and make most readable history.

Following adjournment at 12 o'clock the good ladies of the Beechwoods congregation served dinner under the trees in the orchard of the parsonage grounds. Much care and forethought had been given to this part of the day's entertainment and the result was most gratifying. There was an abundance of eatables and the large assembly was given a royal feast.

At 1.30 the church was again filled and following the singing of a hymn, Chairman Hunter called upon Nilsen Cooper, of Reynoldsville, a patriarch of the church, who spoke briefly, then called upon Rev. Hill to read his paper on the early history of the congregation. Mr. Cooper has a remarkable memory and the facts presented by him were of intense interest, especially to the younger generations, who little realized the early struggles of the pioneers of the Beechwoods congregation. Mr. Cooper was the third child born in the Beechwoods settlement. He and one other of the original congregation were present Wednesday.

Mr. Cooper's paper took up the history of the congregation from its earliest inception and traced it with the utmost fidelity to details down to 1871, giving names and dates of interesting events, the persons composing the original congregation, the officers and all data. The predominant figure in his paper was the Rev. John Wray, who took up the work in the Beechwoods congregation and built it up by his indomitable energy and christian spirit. In this great work he was ably seconded by his wife, Mrs. Georgiana Wray.

Following an excellent anthem by the choir, greetings were had from other churches in the vicinity. Rev. J. B. Hill, of Brookville, Rev. A. D. McKay, of Reynoldsville, Rev. F. B. Bonner, Hazen and Sugar Hill, Rev. J. V. Bell, DuBois, Rev. McIlvaine, Ridgway, and others, spoke.

A pleasing and interesting feature of the afternoon exercises was a demonstration of the manner in which the Psalms were formerly sung. Archie

McCullough, one of the well known members of the congregation, led in the singing. Rev. Hunter read two lines and then Mr. McCullough struck the pitch and led the congregation in the psalm singing. On one verse all over 70 years of age in the congregation were asked to sing alone. The response to this novel appeal was quite good. At four o'clock adjournment was taken and in the evening a good program was carried out.—DuBois Express.

### REYNOLDSVILLE WINS FROM SOLDIER IN TWO INNINGS.

Home Team Now in Third Place in Inter-County League Race.—Some of the Club's Troubles.

Reynoldsville defeated Soldier in the first two innings at this place last Friday. It was a walkover for Reynoldsville until Soldier settled down. Soldier did not seem to know the finer points of the game. By winning this game Reynoldsville goes into third place in the Inter-County League. Baseball is one of the most wholesome sports that men participate in. Every one enjoys it. Last Friday there was about 250 people present. The team received something like \$2.50, about an average of a cent apiece from each person. Three new balls cost \$3.75. The old Mountain League has been organized, which will bring baseball to a normal standard in this section. We could get into the Mountain League. Baseball advertises a town more than any other medium. It is mighty disheartening for a team to play ball with the support that they get around here. Why not get interested? If we cannot get into the Mountain League this year we can next. Following is the box score for the Soldier game:

#### Suicide at Sigel.

Thomas Reed, aged 46 years, a well known citizen of Eldred township, committed suicide at his home, near the Mt. Tabor Presbyterian church, Sigel, on Thursday evening of last week, by cutting his throat with a pen knife. Mr. Reed's mind had been weak for some time past, and the rash act was committed while he was laboring, no doubt, under a mental aberration. The deceased is survived by his wife, a daughter of George Shaw, of Eldred township, and two children, to whom the sympathy of the community is extended.—Brookville Republican.

### TWO DAYS OF GLORY

JULY 3 AND 4 TO BE REPLETE WITH EXCITEMENT.

Reynoldsville will Have the Biggest and Best Celebration in this Section of the State.

The Hope Fire Company, which is composed of a number of our hustling and enterprising young men, is making arrangements for a big time in Reynoldsville on Friday and Saturday of next week, July 3rd and 4th. It will be a celebration second to none in this section of the state, and a large crowd is expected in town both days, especially July 4th, the nation's holiday. Every person who can do so should arrange to enjoy the fun both days, as there will be a hilarious time in the old town.

The firemen were a little disappointed in their first plans for the two-day celebration, but they were heroic enough to surmount the difficulties and have arranged for a good program for both days.

No other town can offer as good entertainment free as will be given here July 4th. From 9:00 a. m. to 9:30 p. m. there will be "something doing" all the time and everything is free except the ball game. We have not the least doubt but that there will be thousands of strangers here for the great celebration. Don't miss it if you want a full day of fun. Of course if you cannot stand a full day of fun and enthusiasm you had better not come to Reynoldsville.

Below we publish the two-day program that has been arranged for and there will likely be some other small attractions that have not been put on program yet:

### WILL COMPARE WITH OTHERS.

Business is Not Any Slower in Reynoldsville Than in Other Towns.

It is an undeniable fact that business is not as brisk in Reynoldsville at present as it has been in other days, but it is also a fact that Reynoldsville will compare favorably with any of the surrounding towns in the amount of business transacted each week or month by our business men. A gentleman, who had been at several neighboring towns recently, says he is convinced that Reynoldsville is as brisk as any of them. There are brighter days just up the road a short distance. We'll get there by and by.

#### Shops Running Once More.

The B. R. & P. locomotive works and car shops opened at full blast this morning and the majority of the men were back on the job, although quite a number are out of town. The locomotive works are running nine hours per day and the car shops at 10 hours.

Although the traffic has not approached the volume held before the depression, it is gaining gradually and it will not be long before it has reached its former basis. As there has been but little repair work done for the past several months, however, there is plenty of work for the two shops and it is expected that the 1,000 men will be employed steadily. The many cars and locomotives that have been out of commission for several months will be brought in and repaired.—DuBois Express. This is good indication that the miners will soon be making better time.

#### Joseph Jelbart Married.

T. Joseph Jelbart, of Renovo, made a flying trip to Brookwayville Tuesday. After spending a few hours with his parents, Rev. and Mrs. J. H. Jelbart, he left for Johnsonburg, the home of Miss Mary Yost, to whom he was married on Wednesday at Ridgway by Rev. J. H. Clemens. Mr. Jelbart is connected with the civil engineering department of the Pennsylvania railroad, and after a trip to New York and other points east will reside at Renovo.—Brookwayville Record. The benedict, who is a grandson of Mrs. Hannah Butler, of Reynoldsville, has many friends here who extend congratulations.

#### A Grand Family Medicine.

"It gives me pleasure to speak a good word for Electric Bitters," writes Mr. Frank Conlan, of No. 436 Houston St., New York. "It's a grand family medicine for dyspepsia and liver complications; while for lame back and weak kidneys it cannot be too highly recommended." Electric Bitters regulate the digestive functions, purify the blood, and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at Stoke & Felcht Drug Co. drug store.
