## Second High School Team Downs DuBois on the Gridiron

Visitors Were Outclassed From the Start and Lost the Game By a Score of 11 to 0.

A very interesting game of foot ball took place on the local ball grounds on Friday, Nov. 26, between DuBois and Reynoldsville second high school teams which resulted in a victory for Reynoldsville by a score of 11 to 0.

DuBois was completely outclassed from the start of the game and it was only the good work of Toner, of DuBois, that kept the score down. It was exactly 3.30 when Cochran, of the local team, kicked off to DuBois. Toner, of DuBois, getting the ball and advancing ten yards when he was tackled by DeHart and thrown hard. DuBois failed to gain and punted to Phillips, in mid-field, who was thrown in his tracks. Murray and DeHart by nice end runs advanced steadily and then DeHart, by a great end run, took it over for a touchdown. During the remainder of the half the ball see-sawed back and forth in the middle of the field.

In the second half, Cochran, of the locals, kicked off to DuBois, Baughman recovering the ball on the bounce and advanced about ten yards and then kicked it, a DuBois man recovering the ball and going for a touchdown. The play was illegal and a touchdown was not allowed. The ball was taken back to mid-field and given to DuBois. After a succession of line bucks, DuBois failed to gain their distance and the ball went to the locals, who started on a march for another touchdown. DeHart, Cochran and Murray carrying the ball for good gains. Murray was a tower of strength going through the line and DeHart shone brilliantly on his end runs. By a few end runs and line bucks Reynoldsville advanced the ball to the 20 yard line, when DeHart was given the ball and by a clever run, dodging here and there, succeeded in going through the whole DuBois team for a touchdown. This was one of the best plays of the game. DeHart kicked goal and the score stood 11-0 in Reynoldsville's favor. The rest of the game was played mostly in DuBois territory, the boys fighting bravely all the time.

The Reynoldsville line played well and too much credit cannot be given to the local boys. The two ends, Alexander and Pierce, played a nice game and broke up many of the plays that DuBois tried to pull off. Phillips, who held down the quarter-back position for the locals, played steadily at all times and succeeded in running back all the punts for nice gains. He was on the

job at all times. The Reynoldsville back field played well at all times during the game and was a tower of strength. Toner, of DuBois, starred for his team, he being the only player that could gain through the local's line. The game was attended by about 500 fans and there was much cheering. Following is the line up of the teams:

DuBois.	Position.	Reynoldsville

### School Notes.

Mrs. John O'Hare has sent in her contribution to the Alumni Laboratory Fund. Next?

When Miss Esther Bell came forward on Wednesday morning in response to her name she found her violin broken. Her solo was therefore omitted.

Miss Fonda King and Miss Dora Reed were High School visitors one morning last week.

Miss Ada Early visited the school Monday. She gives a good report of her school and her work.

The chart for Judge Alden's lecture opens Saturday.

About thirty patrons attended the Thanksgiving Day exercises in the schools.

□Zelda Snyder, Margaret Love and Hazel Strouse, pupils of Room 12, missed no words in spelling this month.

Monthly reports for the third month of school will be issued next Monday, December 6. Every parent should take a few minutes time to examine his child's report.

Calendar of school lectures: December 9, Judge Alden; December 10, Rev. John F. Black will give an illustrated lecture on the battle of Gettysburg; December 17, Scotch songs, recitations and a lecture on Robert Burns.

## Thanksgiving Exercises In The Public Schools.

A Special Program Was Rendered by all the Grades and Many Patrons Attended the Exercises.

A Thanksgiving program was rendered by the pupils of Room 12 Wednesday afternoon. The program consisted of dialogues, recitations, readings and vocal and instrumental music. A special feature of the afternoon was an address by Dr. Meek in which he brought out lessons to be learned from the lives of Sir Isaac Newton and Benjamin West. The room decorations were characteristic of the day.

A very interesting program was rendered in Room 11 by sixth grade pupils on last Wednesday afternoon. The program consisted of songs, recitations and dialogues, all of which spoke of work and interest manifested on the part of the pupils. Dr. Meek addressed the school, bringing out the good points in the characters of Isaac Newton and Benjamin West. The address was enjoyed by all and the children showed their appreciation by giving him a hearty vote of thanks. The room was decorated for the occasion.

On last Wednesday afternoon a short Thanksgiving program was given by the pupils of Room 9. The room was appropriately decorated with flags and drawings suggesting the historical significance of the day. The address of the afternoon was delivered by Rev. Dr. Meek. It was an elegant address and was received well by the pupils. A number of patrons visited the school during the course of the afternoon and their presence and interest manifested was appreciated.

With but three exceptions the pupils of Room 6 took some part in the rendering of the program on Wednesday afternoon. The blackboard decorations

were suitable for the occasion. □After singing several Thanksgiving songs, John H. Wagner made a very appropriate address. Then followed the play entitled, "Little Puritans," in which the pupils wore Puritan costumes. During reciting of "The Jack-o-Lantern," the real object was shown which interested the boys and girls. "The Three Cooks," with implements ready for work, told how to make the delicious pumpkin pie. The program throughout was well prepared. A few of the patrons listened to the exercises.

A Pilgrim's reception was given by the pupils of Room 4. Invitations on pumpkin shaped cards were sent out a few days before announcing the hour, 2.30 to 3.30, and the pupils, wearing colonial costumes, took a keen interest in the occasion. A very interesting Thanksgiving program was rendered in which all participated. The boards and room had been decorated suitable for the occasion. A sand board displaying a miniature landing of the Pilgrims, was very interesting to all. Mrs. Dr. Murray gave two readings which were very much enjoyed by patrons as well as pupils.

Impersonating the leading characters among the Pilgrims, a reception was held by Room 1 and 2. A miniature landing of the Pilgrims and of Plymouth was displayed on a sand board in each room. The pupils of the elementary grades were as interested as the little people. Great interest was aroused in the history of early Plymouth. Many songs were rendered by the children and they were entertained in a very pleasing talk by Mrs. M. E. Weed.

## Little Joe Mondilo's Glorious Trolley Joy Ride Ended In the County Jail.

Joe Mondilo, aged 12 years, son of Samuel Mondilo, of Eleanora, was taken to the county jail at Brookville last Friday afternoon by Sheriff Galbraith for stealing a trolley car out of the Jefferson Traction Company car barn at Eleanora on Monday of last week and taking a trolley ride.

The story is that Joe started for school that morning and reaching the school building too late to be admitted he did not wish to return home and face the consequences, so he concluded to go to DuBois, from whence the family had moved not long since. Arriving at the street car station at Eleanora he was disappointed in not getting a street car right away. Joe

He Wanted to Get Away from Eleanora and Appropriated a Trolley Car for His Own Private Use; Five Foot Jumps Into the Air by the Car Was Part of the Fun.

has an uncle in DuBois who is a motor-man and Joe had watched his uncle operate a trolley car and he thought he could also operate a trolley car. There was an idle trolley car in the barn, a clear track and nobody around and Joe quickly concluded to return to DuBois in the car by himself. Joe got the barn doors open, got on the car, touched up the "sparker" and turned on the power and the trolley car shot out of the barn and up the track towards Reynoldsville at a furious rate.

The car climbed the Wishaw hill faster than any car had ever climbed the hill before. The trolley was on backward and when the car was flying down the steep grade through Wishaw, the power on in full force, the trolley jumped off near the postoffice. Philip Koehler, who was in Wishaw when the car whizzed through that place, says that when the car struck the railroad crossing near the church that it jumped almost five feet high and landed on the track again. When the car struck the up grade on this side of Wishaw it stopped and the young motor lad took to the hills. A

trolley car was due at Wishaw from Reynoldsville in a few minutes and had it not been that the trolley pole jumped off there would have been a frightful collision. It was one of the company's old style short cars that Joe took the wild ride on.

Fifteen or twenty school children had walked down the track and had just stepped off the track, near the church, when the car flew past that point. Had the car been a minute sooner some of the children would have been killed.

Joe was arrested in DuBois Wednesday and taken to Punxsutawney. Friday he was taken to Brookville.

On Monday Judge John W. Reed remanded young Mondilo to the custody of the father, who was ordered to pay the costs and given ten days to dispose of any property he does not want to take with him, and to get his boy and family out of the state.
