MINERS CALL FOR MITCHELL

Union President Needed in Anthracite Region.

Has Promised to Come Here Next Week to Investigate Dissatisfaction -- Arbitration at Jeddo.

After a meeting with other district officers of the Mine Workers at Wilkesbarre yesterday, District President Nichols had a long talk over the telephone with President Mitchell, at Indianapolis, and told him of the dissatisfaction among the men, asking him to come to Wilkesbarre. Mr. Mitchell promised to come to the anthracite region as soon as he could. All this week he will be busy in Indianapolis, but he hopes to be able to get here next week.

The district officials are perturbed by the ill-feeling among the men and the failure of some of the younger workers to obey the decisions of the Strike Commission relative to submitting their complaint to the companies.

The chief difficulty is over the interpretation of the nine-hour day clause. Driver boys' time is counted from the time they are ready to work with their mules. It takes half an hour to harness and unharness the animals and the boys thus say they work nine and a half hours. They want the time reduced to nine hours.

The efforts of some companies to increase the output by paying the men for working an extra hour have made the miners suspicious that the companies desire to accumulate a large stock and they are refusing to work more than the nine hours. On Saturday, too, large numbers of them refused to work more than the seven or eight hours they have been accustomed to work on Saturdays. The operators insist that the men work the full nine hours, and declare their refusal to do so is a violation of their pledge to obey the findings of the commission.

The firmen oppose the plan to fill the three shifts required with the same number of men now working, instead of increasing the force 50 per cent.

It is also semi-officially announced that President Mitchell will advise the officers of the three districts in the selection of the board of conciliation suggested by the commission.

In the Schuylkill region there is great dissatisfaction over the order that the Reading collieries shall work nine hours on Saturday, instead of eight hours, as heretofore. Largely attended meetings of the United Mine Workers were held all over that region yesterday and it was decided to insist that the companies shall not cut off any time-honored privileges because the commission has granted the men other concessions.

ARBITRATION AT JEDDO.
The demand of the drivers of Markle & Co. that they be paid extra if required to work longer than nine hours per day has been refused by Superintendent Sidney Williams, of the Jeddo firm. The drivers have also been notified that the custom heretofore prevailing must be continued, which means that the mules shall be harnessed and ready for work at 7 a. m. and that the drivers shall work without a specified noon-hour.

The system appears to be at variance with the intent of the Strike Commission's award, as it requires the drivers

to work ten full hours for nine hours' pay and also gives them nothing for the extra time spent each morning and evening taking their mules to and from the stables.

The demand was presented Friday evening and the answer of the superintendent was received Saturday evening. At a meeting held at Jeddo yesterday afternoon the matter was considered by the drivers and it was decided to ask for arbitration on the subject, as suggested by the superintendent. In the meantime, work under the old system will be continued.

Brewing Company's Officers.

At the annual meeting of the stockholders of the Freeland Brewing Company, held this morning, the present directors were re-elected, after which the company reorganized for the coming year by choosing the following officers: President—Condy O. Boyle. Vice president—John Shigo. Secretary-treasurer—James J. Timony.

In addition to those named above, the list of directors contains the names of James McHugh, Peter Timony and Charles Dusheck.

John M. Carr, Esq., was re-elected solicitor.

Notwithstanding the fact that considerable business was lost during the past year on account of the seven months' strike of the miners, the financial statements showed that the company is in a prosperous condition and that the interests of the stockholders are being well cared for by the management.

The Boxing Contests.

The followers of pugilism did not turn out in large numbers on Friday night to see the Jeffries-Fitzsimmons combination. The upper portions of the house were fairly well filled, but the lower section was not in keeping with the reputation of the town as a sporting centre. Previous to the appearance of the two stars on the stage, there were four preliminary bouts of four rounds each. The contestants were principally Pittsburg boxers and among them were some very clever men.

Those who expected to see a prize-fight on the stage were naturally disappointed, as the exhibitions were purely scientific contests and were satisfactory to the majority of those in attendance.

Death of Andreas Nusbaum.

After an illness of almost three months, during which time he suffered the most excruciating pain, Andreas Nusbaum was relieved by death yesterday shortly after noon hour. Deceased was the father of Mrs. Libor Winter, North Centre street, but for the past twenty-three years has resided with his daughter, Mrs. Philip Maue, 466 West Broad street, Hazleton. He was aged 82 years and was extensively known throughout the region.

The funeral will take place on Wednesday afternoon from his late residence. Interment in Vine street cemetery, Hazleton.

A Sweet Breath

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes: "I have been a dyspeptic for years—tried all kind of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Grover's City drug store.

BASKET BALL.

Crescents Defeat the Strong Tamaqua Team, 16 to 7.

Tamaqua's crack team came to town Saturday evening and had their colors lowered by the Crescents to the tune of 16 to 7. At no time during the play were the visitors in it, in comparison with the locals, notwithstanding the fact of an overwhelming advantage in weight and the presence on the team of Captain Swaving, of Pottsville, one of the best individual players that has ever appeared here.

The locals started early to entertain their opponents and by way of introduction Captain O'Donnell landed the first basket. Tamaqua then succeeded in the half could do nothing.

At this point Referee Cope warned the players against fouling. Aces were made by O'Donnell, Jacquot and Nowak, and two free throws allowed the Freeland team were failures. The score at the end of the half was: Crescents, 8; Tamaqua, 2.

When the second half opened the visitors settled down to win. With that determination there began a memorable contest which was marked by rapid playing by both teams, and as a result fouls were committed by both. Tamaqua led off in this half with the first ace, but was quickly followed with one by the Crescents. The visitors were allowed three free throws, but scored only one. The locals were given two free throws and landed both.

Tamaqua then scored a basket and the locals went them one better and landed two, one by O'Donnell and another by Jacquot. The one thrown by the latter was of a sensational order and members of the visiting team were the first to shake his hand and compliment the feat. The half resulted 8 to 5 in the locals' favor.

The final score was: Crescents, 16; Tamaqua, 7.

The line-up was:
Crescents. Positions. Tamaqua.
Nowak..... Forward..... Swaving
O'Donnell..... Forward..... Harpster
Welsh..... Centre..... Ehrich
Davis..... Guard..... Williams
Jacquot..... Guard..... Gallagher
Goals from field—O'Donnell, 3; Jacquot, 2; Swaving, 2; Welsh, Nowak, Ehrich. Offense goals—Nowak, 2; Ehrich. Referee—Cope. Timekeeper—Oswald. Time of halves—20 minutes.

BASKET BALL NOTES.

Centralla basket ball team is scheduled to play here on Wednesday evening.

A three-column cut of the Crescent basket ball club appeared in yesterday's Philadelphia North American. The picture is accompanied by a sketch of the club and a statement of the result of the games played. The team is styled the "Champions of the Middle Anthracite Region."

Foster School Board.

Foster township school board met in regular session Saturday evening with Directors Ziesltoft, O'Neil, Johnson and Dudley present. The latter was chosen to preside in the absence of President Weber. The board decided to pay \$1 per month from March 1 to Hazleton school district for tuition of a pupil unable to attend the township school.

Principal Hoffman reported a total enrollment in the district of 1,005; average attendance 786 and the per centage of 83. An increase in attendance was reported at Scale Siding. The former enrollment was 5 and is now 7. The night school at Eckley was closed March 31 on account of a falling off of attendance. Damage from a cave-in at Eckley was also noted. The district and local institute minutes were also read.

The certificate of Miss Cora A. Dunkerly to enable her to procure a normal diploma was presented for the signatures of the officers. The teacher is a graduate of Bloomsburg and has taught the required two years.

It was decided to close the schools on Good Friday, April 10.

A motion prevailed that the president should call a special meeting before the next regular meeting for the purpose of fixing the length of the term.

The following bills were ordered paid: Upper Lehigh Coal Company, coal, \$23.40; M. S. Kemmerer & Co., coal, \$8.51; G. B. Markle & Co., coal, \$9.20; Cox Bros. & Co., coal, \$10; Mrs. Patrick Gallagher, cleaning, \$4.

Bills from Fred Brantmer, coal, \$33.60, and John Metzger, hauling, \$8.25, were laid over for investigation.

A bill from the publisher of the School Journal for subscription was not paid for the reason that the directors decided not to subscribe.

A bill from Ginn & Co., for books, was also laid over for the reason that the board did not order or receive them. Treasurer Johnson reported having received from all sources \$14,652.26 and paid out \$12,134.76, leaving a balance on hand at present of \$2,517.50.
