PRISON BOARD SNUBBED AGAIN

Court Refuses to Confirm Its Appointments.

Republican Politicians Are Panic-Stricken at a Decision Which Upsets Their Division of the Spoils.

The Republican politicians of this county were thrown into a panic Saturday afternoon when the court handed down a decision refusing to confirm the appointments made at the county jail by the Board of Prison Commissioners.

The board is Republican, but the members of that party are unable to agree on a slate and as a result the Democratic members on the board succeeded in electing a number of Democrats to positions. This was distasteful to a large number of Republicans.

It has been the custom heretofore for the Prison Board to make the appointments, and they were final, but this time the court resurrected an old law, that the board had no authority to appoint, but could nominate a jail warden and other officials, but the court must approve of the nominations.

When this was made known to the Prison Board they had another meeting and nominated the men previously elected. This was evidently not satisfactory to the court, hence the opinion refusing to confirm the nominations. The old officials of the jail will hold over.

The action of the court probably means a big breach in the ranks in the Republican party of Luzerne.

Gallagher Again Arrested.

From Saturday's Plain Speaker. William Gallagher, of Tamaqua, a former resident of Drifton, was arrested in the first named town this morning by Coal and Iron Policeman Eckert and brought to this city, where he was arraigned before Alderman Heidenreich on a charge of aggravated assault and battery. The prosecutor was Max Keslich, of Drifton. Gallagher was held in \$500 bail for his appearance at court. A friend in this city went his security.

The case is the result of an affair that occurred at Drifton during the strike last year. Gallagher was arrested several months ago on the same charge and held in bail for court, but the grand jury this week ignored the charge.

Local labor leaders claim that Gallagher is being persecuted. In view of the fact that the charge against him was ignored by the grand jury they think that there is no justice in his arrest.

Death of Ludwig Brandmier.

Ludwig Brandmier died Friday afternoon at his home in Allentown, aged 67 years. He had been unwell for some time past and his death was no surprise to his friends and relatives. Mr. Brandmier was one of the early settlers of Foster township, having made his home at Pond Creek in 1854, years before it became known that coal existed in that vicinity. The township, especially that portion of it where he chose to locate, was but little better than a wilderness in those days, but by

hard work and perseverance Mr. Brandmier succeeded in cultivating a large tract of land and in time was the owner of a fine and well-paying farm.

Later, when the presence of coal was discovered in the neighborhood, the deceased prospected on his property and found deposits in paying quantities. A few years ago he disposed of his holdings and with his wife took up his residence in Allentown. Mr. Brandmier had many friends who will regret to learn of his death.

He is survived by his wife and the following sons and daughters: Fred, Pond Creek; John, Cementon; Mrs. Susan Smith, Cementon; and Mrs. Elizabeth Mills, Pond Creek.

The remains will arrive at White Haven at 10.24 a. m. tomorrow, via the Jersey Central Railroad. They will be taken to St. Paul's Evangelical Lutheran church, where services will be conducted, after which the interment will be made at White Haven cemetery.

The New Time Table.

The new time table on this division of the Lehigh Valley Railroad went into effect this morning and the revised schedule is published in this issue. Up to Saturday last Freeland had nine departing and eight arriving trains. Today six trains will arrive and five depart.

The trains taken off were those leaving here at 8.15 a. m. for New York, Philadelphia and the Schuylkill region; 11.32 a. m. and 6.33 p. m. for White Haven, Wilkesbarre and the West, and 7.29 p. m. for Hazleton; also the trains arriving here at 9.12 a. m. from New York, Philadelphia and the Schuylkill region; 11.33 from the Schuylkill region and 7.29 from White Haven and Wilkesbarre.

One new train has been added, at 8.40 a. m., to White Haven, where connection can be made with a fast main-line train for New York, Philadelphia, etc.

The taking off of the 9.12 a. m. train, from the large cities and the Schuylkill region, will be felt by the business people, as this was the most important mail-train arriving here and has been so long coming in at or about 9.15 o'clock that it was considered a permanent fixture. The first mail train from the eastern cities is now due at Freeland at 12.35 p. m., and the last out-going mail train departs at 4.44 p. m.

Heretofore there were three trains to and from the county seat, now there is one each way. Under the late schedule there were four trains to and from the Schuylkill region, now there are three going there and only one, at 6.33 p. m., upon which the return can be made.

New Uniforms Received.

Handsome uniforms for the Tigers base ball club have been received and will be worn by those who have been chosen to represent the Tigers Athletic Club on the diamond this season. The uniforms are gray with blue trimmings and the material is of excellent quality. Drifton ball club has also received new uniforms and the followers of the national game are anxiously awaiting warm weather.

Fireman Saved Child.

John Wilkins, of Easton, a locomotive fireman, saw Helen Pastik, aged 3 years, playing on the track as his train approached Pittston on the Lehigh Valley road. The train was running at a speed of forty miles an hour. Wilkins rushed out to the pilot, and grasping a sure hold on the engine with one hand he picked the child from the rail with his free hand.

Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and Whooping Cough. It does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. BASKET BALL.

Crescents Meet Defeat for the First Time in Many Weeks.

Scranton's professional basket ball team, the North End Stars, defeated the Crescents in an exciting contest Saturday evening by a score of 15 to 6. The visitors were a battle-scarred party of strength and plainly showed the marks of the many contests they have participated in—such teams as the New York City Nationals and others equally as good having gone down before them by larger scores than the locals. Out of a total of about forty-five games played this season they have lost but five.

Referee Cope started the ball in play and the visitors took possession of it and after much hard playing landed an ace. The visitors placed another ace to their credit and landed three free throws, which gave them a total of 7 points. The Crescents failed to score on free throws allowed, but succeeded in shooting two baskets or 4 points.

The second half opened by the locals landing an ace and the visitors scored on a free throw. Time was taken out on account of the injury of a player and when play was resumed the ball was followed to the side line by Jacquot and Eltrigham.

The later struck the former a stinging blow on the head and then picked up the local player and threw him across the floor. Spectators interfered and the visitor would have been handled without gloves had not cooler heads prevailed. After an interval the players were prevailed on to forgive and forget and play was resumed.

During the balance of time the visitors succeeded in scoring 7 points, while the locals failed to get a look in. The score for the half was: North End Stars, 8; Crescents, 2. The final score was: Stars, 15; Crescents, 6.

The line-up was as follows:
Crescents. Positions. Scranton.
Nowak.....Forward.....T. McCloskey
O'Donnell.....Forward.....Haswell
Welsh.....Centre.....Eltrigham
Davis.....Guard.....J. McCloskey
Jacquot.....Guard.....Skiff
Goals from field—T. McCloskey, 2; Haswell, 2; Nowak, 2; Welsh, Eltrigham. Offense goals—T. McCloskey, 5. Referee—Cope. Time-keeper—Whackley.

In Hands of Governor.

The bill designed to muzzle the press of Pennsylvania and to give every person whose feelings may be hurt by any item appearing in a newspaper an opportunity to recover damages has been passed by the legislature and is now in the hands of the governor awaiting his signature. The Luzerne members voted on final passage as follows: Senator Drury and Representatives Holcomb and Hartman, all Republicans, for it; Representatives Burke and Flanagan, Democrats, against it. Representatives Ross and Ferry were absent. The bill received the votes of only three Democratic legislators.

According to the text of the proposed law its restrictions on the freedom of the press and the penalty for violating the same are to apply to all newspapers of the state, "whether the same be published monthly, bi-weekly, semi-weekly or daily." This apparently exempts the Tribune, which is the only tri-weekly in this county, and one of the very few in the state, but we can expect the number of tri-weeklies to increase considerably if our class is to be safe from the black-mailer.

Governor Pennypacker has promised to give the newspaper representatives an opportunity to present objections to the bill, but reports from the capital intimate that this will be merely a formality and that the bill will be signed.

300,000,000 Tons of Coal.

Drill men for the Lehigh and Wilkesbarre Company, in Hanover township, quit work on Saturday after determining the size of one of the richest deposits of coal in the anthracite field. Eight veins which have never been opened in the Wyoming district were located and the coal in twelve veins at present worked in this district and which lie beneath the new ones was found to be rich and veins thick. It is estimated that in the tract which includes the veins there are in all about 300,000,000 tons of coal.

The tract lies just south of Wilkesbarre and is the highest coal bearing land in that region. It comprises some 2,000 acres, and the extent of the coal is estimated, at 150,000 tons to an acre. This amount at the present market price would be worth almost \$1,000,000,000. The land is owned by the Lehigh and Wilkesbarre Company on the north and the Delaware, Lackawanna and Western Company on the south.

Jeddo Progressive Club entertained a large number of people at the Grand opera house last evening with one of the best entertainments of the season.

Happenings of the Past Two Days in and Around Freeland Recorded Without Waste of Words.

A dog, ownership unknown, acted in a peculiar manner on Centre and on Front streets yesterday morning. The animal was apparently mad and attacked several other dogs. On Front street five shots were fired at it, but all went wide of the mark. Later on the dog was shot on Birkbeck street.

Easter bonnets, new suits and spring frothy were given a decided setback yesterday. The weather was against the annual Easter exhibition of new clothing and but few braved the elements with new hats. In the churches the attendance was exceptionally good and all services were well patronized.

Arthur Fairchild, Harry Smith and John Wydock, employees of the Pond Creek Coal Company, were injured on Friday by the explosion of a keg of black powder. The men were taken to the Miners hospital, where it was found that their injuries are not of a serious nature.

Wanted—Girl for general housework. Apply to Mrs. H. Wilson, Second ward.

A heavy cave-in occurred yesterday in No. 1 mine, Highland. The fall took place in a section known as "Plane A," and its effects can be seen on the surface at the site of the old saw-mill, in the western part of the town. Several thousand tons of coal were covered by the fall and a number of men are idle.

Miss Mary McLaughlin, of Adams street, who has passed the preliminary examination for admission to the government printing office, has received notice to appear at Washington, D. C., on April 30, when another examination will be undertaken.

A special convention will be held by District No. 7, U. M. W. of A., at Hazleton on April 27, to take action on the revised constitution prepared by a committee appointed at the convention held in Freeland last January.

A Sweet Breath
is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes: "I have been a dyspeptic for years—tried all kind of remedies but but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Grover's City drug store.
