EXTENSION OF THREE STREETS

Ridge, Centre and Pine Are
to Be Opened.

Ordinances Passed at the
Last Meeting of Council
Make This Possible—Con-
siderable Other Business.

The borough council met Wednesday evening with all members present, except Messrs. Doggett, Carpenter and Moore. In the absence of the secretary Mr. Crawford was chosen to act. After the reading of the minutes Mr. McNellis called council's attention to the fact that the Board of Health was not in existence and has failed to meet for at least six months. He also noted that the president had failed to abide by the agreement in the deed of conveyance whereby the trustees of the Knights of Labor were to be given representation on the library committee. The foregoing were noted and the minutes approved.

Three ordinances for the extension of Ridge and Centre streets to Schwabe and Pine street to Connors were read and passed finally by unanimous votes on three readings. They were given to the printing committee for publication. The street committee was authorized to investigate and ascertain if land can be purchased to open Laurel street in the Fourth ward.

The special committee on securing a cabinet had not done so, but expected to have one in position by the next meeting.

In the matter of no report having yet been filed by the auditor on annexation of South Heberton, the burgess and solicitor were instructed to take the auditor into court for the purpose of learning why he has not made a report; also to effect a settlement with ex-tax collectors. The street committee reported inability to secure a surveyor to have work ordered done at last meeting. The chair informed the committee that a profile of Adams street has been found.

The president and burgess have not yet signed the light contracts, but will do so.

The sanitary committee reported that some parties have made a dumping ground for rubbish of lots on South and Adams streets. The committee was authorized to abate the nuisance. The fire and water committee was empowered to secure one dozen zincs and coppers for the electrician.

The rails on South Centre street were reported by Councilman Ward as dangerous to traffic. A motion prevailed that the secretary and solicitor have bills made out and sent to the different companies from whom taxes are due on rails, poles, wires, etc.

After much discussion on the Board of Health question, the sanitary committee was given charge of the task of effecting a reorganization, if possible.

The president was empowered to investigate the agreement in relation to the library committee and report at the next meeting.

Councilman Ward stated he had been

Back Pay Tomorrow.

Notices were posted yesterday afternoon at the collieries of G. B. Markle & Co. to the effect that the employees of the firm will be paid tomorrow the 10 per cent increase due them on wages earned from November 1 to April 30. The announcement came as a surprise to the business people and the employees, but was received with a cordial welcome by all. The Upper Lehigh Coal Company, J. S. Wentz & Co. and M. S. Kemmerer & Co. have not yet announced the date when they will pay the arrearages.

The regular semi-monthly pays will be distributed next week to the employees of Jeddo, Highland, Oakdale, Ebervale, Sandy Run, Upper Lehigh and Hazle Brook collieries, also the monthly pays of the D. S. & S. and Lehigh Valley Railroads and several of the smaller industries of town.

Local merchants therefore expect to do some business during the balance of the month, and those who advertise can depend upon getting the bulk of the money which will be spent.

Town Improvement.

Many residents are engaged in beautifying the graves of departed relatives in the cemeteries of town.

Matthew Johnson is having a neat fence erected and his property improved on Walnut street.

Contractor Griffith is placing a new roof on the Burke residence on Walnut street.

John M. Connors is making extensive repairs to his property in the Second ward.

Morris Ulrich is having a fence erected around his property in the Second ward.

Plans are being prepared for an addition to St. John's Reformed church.

Agent for Mitchell's Picture.

Bart McClennan, of Chestnut street, has been granted permission to sell enlarged framed pictures of John Mitchell, national president of the United Mine Workers of America, and orders for the same will be promptly filled. The pictures are 16x20 inches and were taken direct from the latest photograph of the miners' champion and show the great labor leader as he really appears today. Frames can be selected to suit the taste. This is one of the pictures which should hold a place of honor in every working-man's home, and Mr. Mitchell's admirers can depend that those now offered to them are the only correct and authorized pictures they have yet had the opportunity of purchasing.

Mr. McClennan was made agent for these pictures because he is a man whose health was permanently ruined in the mines. For this reason also the pictures should find a ready sale among the laboring people of this vicinity.

"Minnesota's Best" flour is sold by A. Oswald. There is none better made.

SCHOOL BOARD.

Routine Business Only Was Transacted
at Last Evening's Meeting.

The May meeting of the borough school board was held last evening and was attended by Directors Brennan, Buckley, Fetterman, Isaac, McGeehan, Purcell, Shelhamer and Slatery.

The secretary reported that the case of the Popsin boy, who is charged with breaking into Ridge street school, is in the hands of the solicitor, who has not yet decided whether or not it would be advisable for the board to prosecute the offender.

The same officer reported that some necessary repairs had been made to the South Washington street building.

The report of Supervising Principal Hanlon for the seventh month showed an enrollment for the term of 1,313; attendance for the month, 893; average for the month, 761; average for term, 822; percentage for month, 82; percentage for term, 84. He also reported having collected \$9.50 of the amount due for tuition fees from pupils residing outside the district.

The principal also called the board's attention to the fact that he was obliged to engage another substitute teacher for a few days recently, owing to the absence of two regular teachers. Miss Annie Lindsay was placed in charge and he recommended that she be paid at the same rate as the regular substitute.

The report was accepted and the recommendation approved.

The finance committee was authorized to consult with the tax collector and fix upon a date for a special meeting to settle the accounts of the collector.

The following bills were ordered paid: Cox Bros. & Co., coal in March, \$41.60; P. J. Boyle, hauling coal, \$3.50; Freeland Water Company, water in April, \$12.91.

Death of Aged Resident.

Mrs. John Melly, a resident of town for over thirty years, died yesterday afternoon at her home on South Washington street, after an illness of several months. The deceased came to the country from Ireland over half a century ago and settled at old Buck Mountain. Later she resided at Eckley and afterward moved to South Heberton, now a part of the Third ward, where she lived many years before moving to the residence on South Washington street. Mrs. Melly was a woman who enjoyed the respect of a very large number of friends and acquaintances and her death is regretted by her many friends.

She was aged 77 years and is survived by her husband and one son and three daughters, as follows: School Director W. J. Brogan, Mrs. John Gallagher, Mrs. Sarah Lawlor and Mrs. James McHugh.

The funeral will take place at 9 o'clock tomorrow morning. The remains will be taken to St. Ann's church, where a requiem mass will be read, after which the funeral cortege will proceed to Hazleton, where interment will be made at St. Gabriel's cemetery.

Attacked by Vicious Dog.

Mary, aged 3 years, daughter of George Marcuiko, of Hazle Brook, was attacked by a dog yesterday and now lies in critical condition. The child wandered to the stable in the rear of her home to see a litter of pups and was attacked by the dog. Her face and leg were severely bitten and torn. The cries of the little one attracted the attention of her mother who rescued the child. Her recovery is doubtful. The dog was shot.

With Those Who Are Ill.

Reports from Philadelphia state that Mrs. Fannie Jenkins, who went to that city a few days ago to receive treatment for throat trouble, is seriously ill.

Phil C. Miller, of Front street, who has been dangerously ill at times during the past few months, is again very low. Miss Lina Vanauker, who was suffering from typhoid fever, is able to be about again.

James McCollum is very ill at his home on Walnut street.

Two Banquets.

The members of St. Ann's band, with their wives and lady friends and ex-members of the organization as their guests, banqueted at the Hotel Osborne last evening. This is an annual custom of the band and last evening's affair was one of the most successful yet held.

On Wednesday evening the members of Mayflower Assembly, Daughters of Naomi, held a banquet at the same hotel. It was well attended and enjoyed.

Large House for Sale.

A fourteen-room house on South Centre street will be sold at a reasonable figure. Apply to T. A. Buckley, J. P., or David P. Jones, South Centre street.
