TRI-WEEKLY

All Shapes of Men

Can be fitted and suited here. We have clothes made for the "hard to fit" and we fit them. Many stout and slim men who give up trying to buy clothes ready made, come here and find exactly what they want. If you are an extra tall, short or fat man come and see what we can do for you. We'll surprise you with the clothes; possibly more with the prices—for, being unusual in shape, you've had to pay a penalty to your tailor. We also have a large line of Ladies' and Gents' Furnishings, Hats, Caps, Neckties, Dry Goods, Notions, etc. Large line of Trunks and Suit Cases.

MONUMENT TO STRIKE MARTYR

Death of a Union Leader to Be Remembered.

Will Be Unveiled on August 18 Next, One Year After Patrick Sharpe Was Murdered at Nesquehoning.

At a meeting of the Panther Creek Valley Sub-District Executive Board of the United Mine Workers, of District No. 7, at Coaldale this week, it was unanimously decided to have the Patrick Sharpe monument erected by the firm of George McGee & Sons, of Elizabeth, N. J. The monument design, when completed, will be an artistic work of art.

A plot of ground twenty feet square, adjoining the spot where the remains of the strike martyr are interred, has been purchased as a site for the monument.

The monument will be in readiness for unveiling on August 18, the first anniversary of Sharpe's death. The entire district will probably take part in the ceremonies attending the unveiling.

President John Mitchell has acknowledged an invitation to be the principal speaker and promises to be present. He says that only something of the greatest importance will cause him to absent himself.

The dimensions of the monument are: No. 1 base, 5 ft. 7 in. square; No. 2 base, 4 ft. 3 in. square; No. 3 base, 3 ft. 8 in. square; cap, 3 ft. 5 in. square; cross, 3 ft. 5 in. high.

Its height will be fourteen and one-half feet. It will be made of Barry granite. The weight will be seven tons, and its cost will be \$1,500. The men employed in its construction are to be union men.

Pleasure Ground in View.
At a meeting of the Citizens' Hose Company on Wednesday evening the question of providing a pleasure ground for the people of town was discussed at length. A committee was chosen from

ROUND THE REGION.

The mine workers of District No. 1 are completing arrangements for their convention, which will be held at Plymouth the first week in July. The election of district officers and board members will be one of the principal matters to come before the convention. The election of these men is now being made by a referendum vote of the various locals and the totals will be counted and announced at the convention. President Nicholls has no opposition.

The Lehigh Valley Coal Company has leased all the Stockton workings formerly operated by Linderman & Skeer, who abandoned the collieries some years ago. The workings contain a large quantity of coal of good quality. Their acquisition will greatly increase the production of the Lehigh Valley in this district.

After much difficulty Schuykill Republicans have secured a candidate for mine inspector. Ben Evans, of Morea, registered yesterday. The Democratic candidate is Mine Inspector Brennan. He and Evans are the only men in the county who hold the necessary certificates to qualify them for the office.

President John Mitchell, of the United Mine Workers, was agreeably surprised by North Scranton miners before his departure for the West by being presented with a smoking set. The set includes a pipe, cigar and cigarette case and holder, an ash holder and a stand.

The Butchers' Association of Shenandoah has notified all the butchers that hereafter they must keep their shops closed on Sundays and that violators of the rule will be fined \$25. Heretofore the shops were open Sunday mornings.

Fifteen men, who are charged with attacking the house of Peter Churke, near Nuremberg, and smashing the furniture during the recent strike were yesterday placed on trial.

The North American washery, at Plymouth, was so severely crippled by fire yesterday that it will be some weeks before repairs can be made and operations resumed.

Nanticoke has adopted a curfew law and every child under 16 must be home by 9 o'clock at night unless accompanied by parents or guardian.

N. Smith Murphy, of Shamokin, has been elected principal of the schools of Lehighton.

Simple Cause of Death.
Miss Mae Jones, a Wilkesbarre young lady, died yesterday morning of blood poisoning. She had been ill since last Thursday. Deceased had a small pimple on her face and squeezed it with her finger nails. The following day her face was swollen slightly, but nothing was thought of it until Saturday, when it commenced to color and greatly pained her. Blood poisoning had already set in and when a physician was summoned he was able to do but little to relieve her. The girl suffered intense pain and despite the best efforts to prolong her life she died. She was 18 years of age.

Board to Meet Again.
The first meeting of the Conciliation Board will be held in Wilkesbarre next Thursday and then plans will be arranged for hearing the grievances of the mine workers. Much satisfaction is expressed at the promptness with which this has been arranged and both mine workers and operators are looking for a speedy adjustment of the difficulties.

It is expected that President Mitchell will appear before the board to present the mine workers' side of the grievances and there have been some rumors that the operators would refuse to allow this.

Miner Seriously Hurt.
Hugh Kennedy, a miner employed in No. 1 colliery, Drifton, was seriously hurt yesterday morning by a fall of coal. He was severely cut about the head and face and his back is hurt so badly that the full extent of the injuries there has not yet been ascertained.

Mr. Kennedy was taken to his home on Fern street, Coxe addition, where he is suffering intense pain from his numerous wounds. He recently removed to town from Drifton, where he resided many years.

Ladies and Children Invited.
All ladies and children who cannot stand the shocking strain of laxative syrups, cathartics, etc., are invited to try the famous Little Early Risers. They are different from all other pills. They do not purge the system. Even a double dose will not gripe, weaken or sicken; many people call them the Easy Pill. W. H. Howell, Houston Tex., says nothing better can be used for constipation, sick headache, etc. Bob Moore, Lafayette, Ind., says all others gripe and sicken, while DeWitt's Little Early Risers do their work well and easy. Sold by Grover's City drug store.

All kinds of ice cream at Merkt's.
