All Shapes of Men

Can be fitted and suited here. We have clothes made for the "hard to fits" and we fit them. Many stout and slim men who give up trying to buy clothes ready made, come here and find exactly what they want. If you are an extra tall, short or fat man come and see what we can do for you. We'll surprise you with the clothes; possibly more with the prices—for, being unusual in shape, you've had to pay a penalty to your tailor. We do away with that and charge you no more than we do the ordinary built man.

We also have a large line of Ladies' and Gents' Furnishings, Hats, Caps, Neckties, Dry Goods, Notions, etc. Large line of Trunks and Suit Cases.

SHENANDOAH MAN SHOT

Police Officer Kills a Man in Self-Defense.

Victim Attacked the Blue-Coat With Steel Knuckles and the Latter Used His Revolver.

While Patrolman Thomas Dodd, of Shenandoah, was passing along a street in that town Saturday night, he heard cries for help and upon hastening to the spot from which they emanated found two men engaged in a fight. The one was lying on the pavement and Stinoy Barwick, known to the police as a dangerous character, was belaboring him with a club. When the latter saw the officer he dropped his weapon and started down the street on a dead run, the officer in pursuit.

Dodd came up to his man in an alleyway, and the two engaged in a struggle. Before Dodd knew what had happened he was dealt several hard blows on the head with a pair of steel knuckles. Realizing that his life was in danger the officer drew his revolver and shot his assailant in the stomach. With the blood gushing from an ugly wound the fellow again took to his heels and was soon lost in the alley.

Weak and partly dazed Dodd made his way to the police station and reported the occurrence.

When the officers went in search of Barwick they found him lying unconscious in the middle of the street where he had been fighting. He was taken to the station house and afterward to the Miners hospital, where he died.

Dodd surrendered himself at once and was locked up on a charge of murder. Application will be made today for his release on a writ of habeas corpus.

End of Fifteenth Volume.

With this issue the Tribune closes its fifteenth volume. For four years it was published as a weekly, for eight as a semi-weekly and for three as a tri-weekly. The paper has steadily grown in circulation and prestige and today easily maintains its position as leader of its field. During the fifteen years of its career none has been more prosperous than the one which ends today and never has the future looked more brighter than at the present time.

The publishers attribute their success

Kodol Gives Strength

by enabling the digestive organs to digest, assimilate and transform ALL of the wholesome food that may be eaten into the kind of blood that nourishes the nerves, feeds the tissues, hardens the muscles and recuperates the organs of the entire body. Kodol Dyspepsia Cure cures Indigestion, Dyspepsia, Catarrh of the Stomach and all stomach disorders. Sold by Grover's City drug store.

to the following of the policy laid down by its founder—of printing a clean local paper which can be placed without fear in the hands of every member of the home, of standing in the front rank at all times in defense of Freeland and its interests and of treating all local subjects impartially and honestly in its columns.

To the large number of subscribers whose names are on the Tribune's books, many of which have been there since the first issue of the paper, the publishers are grateful for the support given and hope to deserve its continuance as fully in the future as in the past. The same can be said of those advertisers who have for years used the Tribune as a medium to extend their business.

Without the generous patronage accorded us during the past the Tribune could not have attained its position as leader of the local news field, and it is the hope of the publishers that the pleasant relations existing between the Tribune and its patrons may continue indefinitely. On our part we give assurance that we will continue to publish the best paper that the field and opportunity will permit, and it will appear as often as the patronage accorded it will justify.

Presented With a Chalice.

At the Grand opera house hall, on Saturday evening, Rev. Patrick J. Gallagher, who was recently ordained at Baltimore, was tendered a reception by his fellow-members of Division 6, A. O. H., of town, and during the evening the young priest was presented with a beautiful gold chalice, as a tribute to the respect and esteem in which he is held by the organization. The gift was presented, on behalf of the members of Division 6, by Rev. M. J. Fallhee, Rev. Gallagher was surprised, but responded with an address in which he thanked the donors.

Addresses by County President E. J. Moore, of Wilkesbarre; Rev. M. J. Fleming and a number of the members were also delivered, and a high-class musical program completed the evening's entertainment.

Increased Water Supply.

Preparations are being made for the erection of a large water tank on the mountain along the road to Butler valley, a short distance from the reviewing stand. The tank will be used for the storage of water from the artesian well in the swamp back of St. Ann's church. New arrangements have also been made at the well and air is now used to force water up and out. The new tank is of sufficient elevation to add considerable force to the pressure at Drifton.

State Teachers' Meeting.

The forty-eighth session of the Pennsylvania State Educational Association will convene in Wilkesbarre tomorrow and will remain in session on Wednesday and Thursday. The sessions will be held in the Nesbitt theatre. Hon. H. W. Palmer, Dr. Guthrie and Superintendent Conghlin will deliver the addresses of welcome. Several hundred teachers will be there.

Settling Minor Disputes.

Committees are being appointed at many of the collieries in the upper region where the miners have grievances to confer with the colliery officials, in the hope of being able to adjust the grievances without referring them to the Conciliation Board. In the past efforts of this sort have been seldom successful, but the company officials are now evincing a better spirit.

Nearly all of these grievances are in regard to excessive docking, reduction of yardage prices, failure to pay the 10 per cent increase on the gross earnings and differences of opinion about working time.

Under the instructions of their officials the mine workers will endeavor to settle as many of these grievances as possible before the session of the Conciliation Board next Thursday in Wilkesbarre.

Twenty Years for Murderer.

The jury in the case of Fred Barney, charged with the murder of his wife, returned a verdict Saturday morning of guilty of murder in the second degree. One Sunday night in March last Barney and his wife quarreled at their home. The inmates heard a pistol shot and found Mrs. Barney on her knees praying, with a pistol shot wound near the heart. She expired in a short time. Asked who shot her she is alleged to have whispered "Fred." The husband claimed that his wife was jealous of him and that in a fit of jealousy she shot herself. Judge Lynch sentenced the prisoner to twenty years in the Eastern penitentiary.

Because of the rapid spread of scarlet fever at Mahanoy City the borough council and the Board of Health, in special session yesterday afternoon, decided to fumigate homes, restrict attendance at funerals of fever victims to immediate adult relatives and enforce a rigid quarantine.
