SANDYSTON.

The 22d annual reunion of the First Regiment N. J. Cavalry Volunteers will be held at Trenton, N. J., on Thursday, Oct. 10, 1901. A business meeting will be held in Bayard Post room at 11 o'clock, and the banquet at the Trenton House at 1 o'clock p. m. This gallant fighting regiment was organized in 1801 and mustered out in July, 1905, and upon its muster rolls appear the names of 3317 enlisted men. It participated in 97 engagements and is one of the 16 fighting regiments described by the historian, Fox. The writer spent 8 years in the ranks of this famous regiment and hopes the old boys will come to this reunion and talk over the times from 1801-05. We are getting old, and when I think of Feb. 14, 1862, when I enlisted, it counts almost 40 years ago. Don't forget the date.

Andrew J. Caton of Layton was married a few days ago to Mrs. Elizabeth Aber, widow of Wm. Aber, deceased, by the Rev. Mr. Myer of Montague. I extend fraternal congratulations to the happy couple.

Some boys think they have the right to congregate around the church during prayer meeting and annoy the people assembled for worship by loud talk and otherwise. They may do that as often as they like, and then they will know more. Keep away, boys.

Corn cutting is being pushed with vigor, and although it is pretty green the work will be rushed to a finish. The stalks are heavy, but it is said that the ears are not filled out. The late planting of potatoes is much better than was anticipated, and those having a whole lot planted are in luck.

Miss Cora Hursh has been very ill for the past week, but at this writing is much better.

The death of President McKinley has caused a feeling of sorrow in this community, and all flags were raised to half-mast. He was a truly good man and his death is a national calamity.

Preparations are being made for a grand festival or Harvest Home on the grounds of the Centreville M. E. church on Wednesday, Oct. 23. Good things will be in plenty and pot pie of the regular old fashioned kind will be there besides other good things. The proceeds will be applied to repairing the church, and it needs it. So let all turn out and make it a success, as it deserves to be.

George Swartwout of Jersey City paid a visit of one week with his father, James Swartwout, and Miss Ella, his sister. Mr. Swartwout's mother also and grandchildren made him a visit at the same time. Mrs. Swartwout, although over 80 years of age, is remarkably active for one of her years.

In anticipation of floods and eels galore racks were rushed into position and on Sunday evening came a rush of the animals, but they were too large for bait and too small for table use. Rack owners are hoping for another rise in the stream that will start the big ones.

Mr. Frontpaw—I am very glad you belong to our church choir, my dear; it is such an orderly organization. I never see you whispering to one another during services.

Mrs. Frontpaw—No; none of us are on speaking terms—Ohio Journal.

The Catholic Knights of Ohio, in annual convention at Columbus recently, adopted resolutions pledging the 25,000 members of the organization against the American custom of treating to intoxicants. The obligation was incorporated in the association laws and made a condition of membership.

Something to Remember.

When a cough or cold is long neglected consumption almost invariably follows. Remember Mexican Syrup only costs 25 cents a bottle, and yet has proven in many thousands an absolute safe cure for coughs, colds and consumption. Taken in time it cures quickly. Children like it because it tastes so good. Insist on your druggist giving it for sale. Read the seemingly miraculous cures it has effected, printed on the wrapper around the bottle.

A Pitiable Sight.

What is more pitiable than to see a puny, delicate little child absolutely dying from neglect. There are many little ones, whose cheeks would grow rosy, whose eyes would grow bright, whose flesh would be plump and pretty if only the worms that are gnawing at their vitals were removed, which is easily effected with Mother's Worm Syrup, so nice to take that children ask for it. Also a cure for tape worm in grown people. Try a 25 cent bottle.

The Secret of Good Health.

The secret of beauty and good health is cleanliness. Uncleanliness breeds disease. Internal cleanliness is even of greater importance than external. Keep your liver active and your bowels thoroughly clean by taking a Mexican Root Pill occasionally. Their use does the nerves, kidneys, etc., good also. Only 25 cents a box.

Gooch's Quick Relief.

When your joints and bones ache and your flesh feels tender and sore, a 25 cent bottle of Gooch's Quick Relief will give you quick relief. Best cure for colic.

Healthy Blood Makes Healthy Flesh.

To have good flesh and good feeling, to look well and feel well take some Gooch's Sarsaparilla. Nothing else so good for pale and sickly women.
