THE DAILY BULLETIN.
SPEECH RETOUCHING.
 Quincy Herald.

We are told that there are in Washington, a certain class of men who follow as a means of livelihood, the business of revising and writing speeches for politicians and congressmen during the sessions of the national legislature.

"You must know," he began, "that there are always in congress a number of members who have their speeches written for them. This is not always because they cannot write their own speeches, but often because they do so much work of other kinds that they cannot find time.

Speeches that are made in the house, and yet there have been times when he has employed others to hunt up facts and collate them for him—in other words to prepare speeches for him. He always departed from the path prepared for him, and put in such word pictures as the occasion suggested, so that the speech, as delivered, was far different, and nearly always better than that he had prepared.

"AN OLD PHYSICIAN'S ADVICE."—Coughs, colds, asthma and other pulmonary affections should be looked to and promptly treated in time and thus all serious results may be avoided, and for this purpose we know of no better remedy than "Dr. Swayne's Compound Syrup of Wild Cherry."

FOR AQUE, ANEMIA, INTERMITTENT FEVER, CONSUMPTION, GENERAL DEBILITY, ETC., ETC.—Ravenna, Mercer county, Missouri, May, 1879. The Fellows Medical Manufacturing Co.—Gents:—We have used your Compound Syrup of Hypophosphites with gratifying results in our practice, and cheerfully recommend it to physicians, and others, as a reliable, and agreeable preparation in acute, intermittent fever, first and second stages of pulmonary consumption or anemia or general debility.

DRIVING OVER A rough road last winter, one of my horses became suddenly very lame—a bad sprain of the right ankle. Applied all the remedies I know of and those suggested by horsemen, without any benefit.

SUFFERING WOMAN.—There is but a very small proportion of the women of this nation that do not suffer from some of the diseases for which Kidney-Wort is a specific.

OUR drug stores are now supplied with "Malt Bitters," the new food medicine which has done so much good and come to us so highly recommended.
