FORTY-EIGHT COLUMNS

Who is Mrs. Winslow.—A question is frequent asked, we will simply say that she is a lady who for upwards of thirty years has untiringly devoted her time and talents as a female physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup, for children teething. It operates like magic—giving rest and health, and is moreover, sure to regulate the bowels. In consequence of this article Mrs. Winslow is becoming world-renowned as a benefactor of her race; children certainly do rise up and bless her; especially is this the case in this city. Vast quantities of Soothing Syrup are daily sold and used here. We think Mrs. Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No mother has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's Soothing Syrup. Try it, mothers—try it now.—Ladies' Visitor, New York City. Sold by all druggists. Twenty-five cents a bottle.

PHYSICIANS freely prescribe the new food medicine, "Malt Bitters," because more nourishing, strengthening, and purifying than all other forms of meat or medicine, while free from the objections urged against malt liquors.
SUREST AND BEST.—The Journal Battle Creek, Mich., thus puts it: "The surest, safest, best blood purifying medicine known is Warner's Safe Bitters in connection with Warner's Safe Pills. Regular practitioners prescribe them as a remedy for impure, poisoned blood."
