We buy large areas and subdivide same into good size residence lots. Note the advantage to our customers. First cost of lots is less than half what it would be if we were to buy a few lots at a time. Again, we survey the entire tract at once. Then, if there are any defects in titles, the work necessary to perfect title to one lot will cover one hundred lots.

It is the reason we sell choice lots properly surveyed with clear titles at 50 to 70 per cent of prices currently paid for the same class of ground

We also furnish abstracts; you are never safe without an abstract. With a complete transcript of the county records we are able to furnish our customers with complete information regarding any property in the county.

ORDINANCE NUMBER FOUR

An Ordinance Providing for Licenses. Be it ordained by the Mayor and Common Council of the City of Globe:

SECTION I.

It shall be unlawful for any person or persons or body corporate to engage in or carry on within the corporate limits of the City of Globe, any business, profession or occupation for the transaction or carrying on of which a license is required, without first taking out or procuring the license required for such business, profession or occupation.

SECTION II.

No license granted or issued under any of the provisions of this Ordinance shall be in any manner assignable or transferable, or authorize any person other than is therein mentioned or named to do business, or authorize any other business than is therein mentioned or named to be done or transacted, at any place other than is therein mentioned or named, without permission from the Common Council endorsed thereon.

Whenever the Common Council shall grant such privilege, it shall immediately report the same to the City Marshal.

Every such license shall specify by name the person, firm or corporation to whom or which it shall be issued, and shall designate the particular place at which the business shall be carried on.

SECTION III.

Any person who shall violate any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than three hundred dollars, or by imprisonment in the City or County Jail for a period of not more than three months, or by both.

SECTION IV.

Upon the trial of any criminal action brought under or arising from any provisions of this Ordinance, the defendant shall be deemed not to have procured the municipal license, for the current time, unless he or she either produces the same or proves having paid for the same to the proper officer.

SECTION V.

In any action brought under or arising out of any provision of this Ordinance, the fact that the party thereto represented himself or herself as engaged in any business or calling for the transaction of which a license is by this Ordinance required, or that such party exhibited a sign indicating such business or calling, shall be prima facie evidence of the liability of such party to pay for a license.

SECTION VI.

If any person shall furnish such evidence as shall satisfy the Common Council that he or she, by reason of misfortune or physical infirmity, merits exemption from the provision of any section or clause of this Ordinance, a free gratuitous license may be issued to such party upon the recommendation of said Common Council, said licenses to be countersigned by a majority of said Common Council.

SECTION VII.

All licenses for owners, keepers or drivers of vehicles, hackney carriages or herdic coaches shall date from the first day of January or July of each year and shall be issued for six months from either of the aforesaid dates.

Licenses on dogs shall expire on the 31st day of December in each year, and shall be issued for one year from January 1st of each year.

All licenses of street railroad passenger cars, insurance companies or insurance agents, runners and solicitors, peddlers of produce, fish, fruit, game, vegetables and merchandise from baskets or wagons, shall date from the first day of January, April, July or October of each year, and shall be issued for the term of three months, provided on an application being made for the first time during the quarter, the license shall be pro rated and issued to the end of the quarter.

All licenses for theaters, concert halls, places of amusement, entertainments or exhibitions, and all other licenses not enumerated above may be issued for the period of one year, for three months, for one month, or for one day.

SECTION VIII.

All licenses shall be paid for in advance in lawful money of the United States.

No receipts for licenses shall be issued by the City Marshal on any other blanks than those received from the City Clerk.

No greater or less amount of money shall be charged or received for licenses so issued than is charged to said City Marshal by the City Clerk and printed on said license receipts.

No license receipt shall be sold or issued by the City Marshal for any period of time exceeding the time printed on the license receipt, and for which time the same was issued and charged to the City Marshal by the City Clerk.

No person required to be licensed shall receive from the City Marshal or his deputies any license receipts for a longer period than the time printed on the said license blank, or pay for any license receipt any greater or less amount of money than the amount printed on said license receipt.

No person required to be licensed shall pay any sum of money to the City Marshal or his deputies for a license, without demanding and receiving therefor a license receipt on which is printed the time for which said license is issued, and the amount paid therefor.

SECTION IX.

Every person having a license under the provisions of this Ordinance shall exhibit the same at all times while in force in some conspicuous part of his or her place of business, and shall produce same when applying for a renewal, or when requested to do so by any officer of the license or police department.

Every peddler, while engaged in peddling, shall carry his or her license and exhibit the same if required by any municipal officer.

JUR VERY BEST HOT BLAST

is the strongest and best hot blast stove made. It is a really wonderful heater (will hold fire 10 hours with half a pair of soft coal). It will burn ANYTHING—no coal is too cheap or poor for it. Heat the heating power of coal goes up the chimney as gas, when ordinary heaters are used. In the O. V. B. Hot Blast, this gas is oxidized and burned so that less coal is used and more heat obtained. This is accomplished by means of the Hot Blast Draft which takes in fresh air at the top of the stove, heats it to more than 600 degrees and forces it over the upper surface of the burning coal. This gas is then thoroughly mixed and burned out of the stove, and burns out 100% more heat than is obtained in ordinary heaters. This Hot Blast stove will burn less hard coal than a base burner, to heat the same room. It gives off a uniform heat and is absolutely safe. Don't worry about the price of hard coal. This Hot Blast solves the problem. Look it over and see for yourself. It is made better and heavier in every way than any other similar stove sold. See it before you buy.
