Main 411**Reputation Dominates**

That is why our business is increasing and why twenty of the best fire insurance companies represented in Arizona have made us their agents.

By attending strictly to our own business, without the aid of "hot air," rebating, offering inducements or of any other method tending to promote but temporary success, we have acquired the bulk of the insurance business in this locality, which we intend to retain under the same conditions.

WHEN INSURING DO SO WITH A COMPANY THAT PAYS EVERY DOLLAR YOUR POLICY CALLS FOR.

Your Real Estate

Is good for a loan from the **CITIZENS LOAN & TRUST CO.** No trouble, no delay, but rapid action from the instant you make application to the receiving of your loan. Come in and see us about it.

One Man Who Is Two Men

According to the statutory laws of the United States and of Pennsylvania, Antonio Polonio is two men, and he has asked the Lackawanna county court to decide whether he is Antonio Polonio or Antonio Scavazzo or both or neither.

In 1899 Antonio was naturalized a citizen of the United States and the commonwealth of Pennsylvania under the poetic name of Polonio. Since then some relatives while delving in the family history, discovered that the family name was Scavazzo.

When Polonio, or Scavazzo, whichever it is, learned that his real name is Scavazzo he bought property in South Scranton under that name. This property is in a different ward than the one in which he lives, and for three years he has been paying taxes on it under both the names of Polonio and Scavazzo.—Scranton dispatch to Philadelphia North American.

"You and your wife have a joint bank account, haven't you?"
"Yes."
"How does it work?"
"Like clockwork. I put the money in and she takes it out."—Cleveland Leader.
