MAXIM GORKY AND HIS SECOND WIFE.

Maxim Gorky, the famous Russian revolutionist and novelist, is said to be suffering from lung trouble at his present place of residence in Italy. Gorky's visit to America is still fresh in the public mind. He was accompanied by the woman who, under the peculiar Russian system, is his wife, but when it became known that he was not regularly divorced from his first wife, it being impossible for a revolutionist to obtain a divorce, he was ostracized in America. The couple retired to a country place, and Gorky spent the time writing a new novel. The present companion of the author was formerly a noted Russian actress.

### "FOUND"

Sing a song of six E's,  
A postal card to call  
At 10 o'clock on Thursday  
At university hall.  
Th' assistant dean he said to me,  
"Come in. Get out. Good day."  
Now wasn't that a pithy thing  
For our good dean to say?

Pa was in his office  
Counting up the money  
That I had spent in college—  
I entered, feeling funny,  
"Dear pa, I want another chance."  
Said I, when I could speak;  
He gave it—and I've got it yet,  
His clerk at six per week.  
—Harvard Lampoon.

### A Character Sketch

The closing speeches were over, at the court of assizes. Following his custom, the judge asked of the defendant, a burly, low-browed scoundrel who had murdered a poor old couple to rob them:

"Defendant, have you anything to say?"

In a cheerful, effeminate tone the other replied:

"Just a word. I am opposed to the capital punishment!"—Le Figaro.

Violet—It had on Tom's heart. He fell in love with a pretty waitress.—Smart Set.

A woman always wants to be a man's friend so he can do something for her to prove that he is glad of it.—Chicago News.
