

TUCSON TRIMMED ON LOCAL FIELD

The Unbeaten Globe Team Plays Horse with Alleged Fastest Team in Tucson.

RAGGED BALL PLAYING BY BOTH CONTESTANTS

But the Home Team Didn't Have to Play to Beat the Visitors—Score 11 to 2—Collins versus Collins.

The Tucson Armstrongs may be a very fast team in "the oldest city in the United States," but it would never be arrested for breaking the speed limit in Globe, even if there was such a thing in this city.

The game was a slow one on both sides, the home team putting up the worst game they have played this season, but there never was any occasion to play fast ball.

Score on Error Tucson scored once in the first inning when Pinyon dropped Mardorf's throw to the plate, letting in Roletti, and in the seventh Sauer scored after he had been called out at second and then called back, the umpire declaring the batter out for hitting an infield fly, which Shirk muffed.

J. Collins, Tucson's twirler, was easy at all times for the locals, and Guy Collins, Globe's star slab artist, had the visitors at his mercy throughout the game.

The only reason that home was not stolen was probably because the local boys were ashamed to do it.

Cordis went in to catch for the visitors, but after doing the seive act for three innings, he was replaced by Phelon, who did some better.

The following score makes the story easier to understand: Green, if. 3 3 1 0 0 0 Mardorf, 3b. 2 2 1 1 4 2 Quinleven, 1b. 3 3 3 10 0 1 Bridwell, ss. 5 0 1 3 2 0 Pinyon, c. 5 1 2 11 0 2 Murphy, cf. 5 1 2 0 0 1 Shirk, 2b. 5 0 0 1 5 1 Shute, rf. 4 1 1 0 0 0 G. Collins, p. 4 0 1 0 4 0

Total 26 11 12 26 15 7 Tucson— AR. R. H. PO. A. E. Mitchell, rf. 4 0 0 0 0 1 Roletti, ss. 5 1 3 3 1 0 Keen, cf. & 2b. 4 0 0 5 2 1 Cervanti, 1b. 4 0 0 10 0 0 J. Diamond Chips Quinleven, the new first baseman, made good in his first game. He did fine work at the bat, making three hits, a sacrifice and getting a base on balls. He dropped an easy throw from Collins in the eighth, his one error.

Manager Joe Prochaska is now going along with the team, J. G. Naquin having dropped out of the game. Bridwell played his usual game at short Sunday. He has not made an error since his first game here. He made the longest hit in the game Sunday, driving a long one to deep center for two snucks.

JASPER WOMAN IS HELD FOR MURDER

Coroner's Jury Places Blame on Colored Sporting Woman for Bertie Lee's Death.

DYING WOMAN ACCUSED HER ON DEATH BED

Charged Her With Throwing a Lighted Lamp at Her—Preliminary Hearing Will Be Held Late This Afternoon.

Alena Jasper, the colored woman of the tenderloin, will have to stand trial for murder, the coroner's jury having held her responsible for the death of Bertie Lee, which was caused by burns received after the Jasper woman threw a lighted lamp at her.

The inquest was held Sunday afternoon at 4 o'clock at the office of Coroner Thomas and a large number of witnesses were examined. Those who gave evidence were: Quencie Bailey, Josephine Adams, Jesse Alexander, Annie Williams, Dr. L. E. Wightman, Aric Jones, Lonnie Lemons, Blanche Woods, Bertha Reed, Ada Berry, Mae Davis, Ella Coleman, Mattie Tate, Joe Brown, J. Kline and Jerry Conahan.

None of the witnesses was present in the house at the time that the Jasper woman is alleged to have thrown the lamp, but most of those who were examined heard the dying woman accuse the other one of having done so.

The following is the verdict rendered by the coroner's jury: "We, the jurors in the above entitled matter, on our oaths do say: That the name of the deceased was Bertie Lee, a colored woman about 25 years of age; that the evidence shows that she was a sporting woman and that she came to her death on August 17, 1907, from being burned August 16, 1907, in Globe, Gila county, Arizona, and that the fatal burns were caused by a lighted lamp being thrown at her and on her by one Alena Jasper, a colored sporting woman.

MEMORIAL FOR AMERICAN DEAD

Unveiled in Salisbury, England, by Ambassador Reid—Killed in Wreck

By Associated Press. SALISBURY, England, August 19.—Ambassador Reid unveiled a tablet in the ancient Salisbury cathedral in memory of the twenty-eight dead victims, mostly Americans, who were killed in the derailing of a year ago of the American line boat train.

The bishop of Salisbury dedicated the tablet, concluding with the words: "May God bless this gift as a token of the love that binds our kindred nations together."

Ambassador Reid, referring to the manifestations of sympathy shown by the erection of the tablet and otherwise, said: "These bare testimony to that quick community feeling which in our deepest sorrows as in our highest joys binds us together as one great family still."

CALAMITY HOWL FROM OIL KING

Rockefeller Says that Anti-Trust Policy of Administration Spells Disaster.

BIG FINE HAS CAUSED LOSS OF CONFIDENCE

Investor Is Frightened and He Locks His Money Up—Railroads Unable to Make Touch—Lauds Taft and Hughes.

A Cleveland dispatch to the World says: John D. Rockefeller's answer to President Roosevelt's anti-trust litigation campaign is a prophecy of financial disaster that will sweep the country from end to end.

"What, in your opinion, will be the effect on the country of the present policy of the president toward the great business combinations?" Mr. Rockefeller was asked.

"The policy of the present administration," Mr. Rockefeller said, earnestly and deliberately, "toward great business combinations of all kinds has only one result. It means disaster to the country, financial depression and financial chaos.

"Feeling of Unrest "The world already has a fair dose of this since the extreme penalty imposed on one corporation, with a limited number of shareholders, has caused a loss of confidence, reflected in a falling stock market, a tightening of money and a fear of the future.

"What will be the effect when similar action is taken against corporations with stockholders scattered throughout the country, the investors, the widows, the orphans? There can be but one answer. The present situation will be intensified many fold.

"Confidence is gone, and confidence is the basis of all prosperity. With confidence established there can be no (Continued on Page Two)

SHAKE-UP ON THE HARRIMAN LINES

Rumored that Head of Oregon Short Line Gets Out—Other Predicted Changes

Rumors foreshadowing a Southern Pacific managerial shakeup that have been discussed up north for several weeks received impetus yesterday by the return of the officials of the Salt Lake system, says a Los Angeles dispatch.

The rumors are relative to the retirement of W. H. Bancroft, first vice president of the Salt Lake and general manager of the Oregon Short Line.

E. E. Calvin, second vice president and general manager of the Southern Pacific, is slated as Bancroft's successor.

Bancroft's health is said to be declining. He has extensive interests outside of railroads, and as he is aging railroad men say they will not be surprised to see him quit active managerial work.

Vice President J. Ross Clark of the Salt Lake said yesterday that Bancroft has been with his party as far as Caliente, and he noted that he was not in robust health, but nothing was said about resigning.

General Superintendent R. H. Ingram at Los Angeles, who has charge of the southern division, will probably be promoted if the change occurs to Calvin's place, as there will be shifting all along the official line.

GLOBE DRILLERS WIN BIG CONTEST

McIver and Pickins Take Down First Money in Butte, Mont., on Miners Day.

NEAREST CONTESTANTS OVER TWO INCHES BEHIND

Practically Cinches World's Championship for the Well Known Local Hammersmen—Page Brothers Participate

That Globe has the two best rock drillers in the country was demonstrated Saturday at Butte, Mont., when Jack McIver and his husky partner, Jim Pickins, defeated all the teams in the double handed contest that was the feature of the annual observation of Miners' Day in the big Montana copper camp.

Telegrams were received here last evening from Jack McIver, who was then in Salt Lake City, telling of the victory, but outside of stating that he and his partner won by two and one-quarter inches, no additional information was given.

The victory of McIver and Pickins did not cause much surprise among local enthusiasts, as they showed their ability to drill during the matches of last month, when they decisively defeated Page brothers, who held the world's championship, which they had won from Ed Chamberlain and Carl Make at El Paso in November, 1905.

The following quotations were received by I. N. Kinsey: Arizona Commercial, 14 1/2 to 15; Calumet & Arizona, 14 1/2 to 15; Denn-Arizona, 8 1/2 to 9; Globe Consolidated, 11 to 12; Superior & Boston, 2 1/2 to 3; Greens-Gunnes, 12 to 12 1/2; Old Dominion, 29 to 29 1/2; Shannon, 12 1/2 to 13; Superior & Pittsburg, 13 1/2 to 14 1/2; Amalgamated, 68 1/2; Smelters, 94; Reading, 83 1/2; Union Pacific, 122 1/2.

North Butte today declared the regular quarterly dividend of \$2. Calumet & Arizona will no doubt declare \$5 in a few days, but dividend declarations have little effect in this market.
