A BEAUTIFUL FLAG PRESENTED TO GILA

County to Receive Silken Emblem for Its Loyalty to Territory

Gila county's loyalty to Arizona and single statehood and the proud distinction the county won by casting the largest vote against jointure, is soon to be recognized.

It will be remembered that during the Arizona-New Mexico statehood controversy, Hon. Mark A. Smith offered a silk flag to the county casting the smallest number of votes in favor of jointure, and Gila won this honor.

"On behalf of the territorial committee I would ask that yourself and the other committeemen from Gila formally present the same to the county with the compliments of Mr. Smith.

"I take this opportunity of congratulating the people of Gila county on the vote cast by them against joint statehood and of winning this beautiful flag."

At the Iris Last night was amateur night at the Iris and a change of moving pictures was also presented.

Every seat and all standing room was taken at both performances and a great many were turned away.

There were four amateur acts in all and every one was a hit. Mr. Frank Gibson did some clever dancing.

The regular program of moving pictures and illustrated songs was very good. The amateurs in addition to this made a show worth many times the price of admission.
