I wish to assure my old patrons and the public in general that all work will be first-class and that a prompt service will be given. Give me a trial. Nov. 21, 1907. **G. BOHSE.**

SHORT STORIES OF THE CITY

Educator Is Surprised—Prof. A. K. Stabler, the popular superintendent of the Globe public schools, was pleasantly surprised at his home, Monday evening, by his corps of teachers. The evening was passed very pleasantly, and at the close delightful refreshments were served by Mrs. Stabler. Mr. Stabler was presented with a beautiful gold mounted fountain pen as a token of the esteem and affection in which he is held by his class of teachers.

Visiting Old Home—Merle and Walter Davis, of Globe, Ariz., spent several days in town last week. These young men spent their childhood in this city, but later moved to Arizona and this is their first visit here in twelve years. They will be well remembered by the old timers in this city, the Davis family having been very prominent among the early settlers.—Silver City Independent.

Fed the Newsies—On Christmas eve, Wm. Maher, "Hamburger Bill," set 'em up to the newsboys at his stand in front of the Newport barber shop. As fast as the boys trotted up Bill shoved out eatables and when the last one had been fed, he figured out that 35 had eaten. Of course some of the boys never sold a paper in their lives, but there was no discrimination shown.

District Court News—Four judgments were rendered in the district court yesterday. Alice M. McNiece was granted a decree of divorce from Robert D. McNiece, the only divorce trial of the day. T. F. McCullom et al were awarded judgment against the Globe-Arizona Telephone company for debt; the Globe Hardware company secured judgment against the Live Oak Mining company and the case of A. V. Whitmer vs. Denis Murphy was decided in favor of the plaintiff.

Death of Child—Sophia, the three months' old daughter of Mr. and Mrs. George Sidow, died yesterday morning at 1 o'clock of bowel trouble and the funeral was held yesterday afternoon. Mr. and Mrs. Sidow have the sympathy of the community in their bereavement.

Dies in Hospital—John Williams, aged sixty-five, died in the county hospital yesterday after a long illness. He was formerly employed at the Old Dominion smelter and little is known of his antecedents. He has no relatives in this vicinity.

Dance This Evening—There will be a dancing party and banquet this evening at the Dominion hotel given by the young men who make their home there. The invitations have been limited to twenty-five couples.

Mrs. Gilson Dead—Mrs. George W. P. Hunt received a letter yesterday telling of the death of Mrs. Sylvester Gilson at Julian, a mining camp in San Diego county, California. Mrs. Gilson was known to almost every old timer in this vicinity. She formerly resided on Gilson's ranch, which was the only watering place between Globe and San Carlos and the ranch was the stopping place of everyone who traveled to and from Globe in the days before the railroad. Mrs. Gilson moved to California about seven years ago. She leaves two daughters, Mrs. Bob Samuels of Solomonville and Mrs. E. A. Jones of Aravapai and two sons.

Overland Trip—On account of the impossibility of obtaining anything but the straight railroad rate, the Della Pringle company will make the trip to Phoenix overland as far as Elkin, where they will take the P. & E. train for the capital. The members of the company and all of their baggage will be transported by the Kelsey livery stable in a half dozen separate rigs. They expect to leave Globe at 8 o'clock this morning and arrive in Kelvin at 3 this evening.

GOOD RIDING AT THE BALL PARK

Many See Broncho Busting by Experts; Good Horse Races on Broad Street.

The program of sports planned for Christmas day proved quite an attraction at the ball park, but two numbers on the program, the rifle shooting contest and the wrestling match were not pulled off. The program at the park was preceded by an exciting horse race on South Broad street in which five horses were entered. There was nothing fakey about the race as every horse entered tried hard for the money. The first prize was taken by Craig's mare and Jack Burns' sorrel horse won second money.

Several thousand watched the broncho busting from the grand stand and the surrounding hills at the ball park. Eight horsemen were entered and some of the riding was excellent. Melvin Burnett succeeded in capturing first money and the second went to Bert Edwards. The riding of Young, the long Texan cowboy, who formerly rode in Buffalo Bill's wild west show, excited considerable admiration among some of the old timers and many thought he should have landed in the money.

BOHEMIAN CLUB DINNER ON CHRISTMAS DAY

One of the pleasantest affairs of the Christmas time was the entertainment of the Bohemian club Wednesday by Mrs. Laura B. Collier at her pleasant home on Maurel hill. The dining room was very prettily decorated, as was also the table, which was loaded with a repast that was most tempting and which did great credit to Mr. Welsh, who performed the important duty of caterer to the occasion. Those who partook of the dinner will remember Mr. Welsh and his cooking for a long time.

During the afternoon the club was pleasantly entertained with both vocal and instrumental music. Prof. Reinboth presided at the piano and rendered some very excellent music, while Miss MacDonald sang "Annie Laurie" and other selections in a manner that brought her the most generous encomiums. Mrs. Rayl also played and sang.

Among those present were: Prof. and Mrs. Reinboth, Mr. and Mrs. S. Boehm, Mr. and Mrs. Rayl, Miss Edna MacDonald, and Messrs. Welsh, Conley, Crawford, Campbell, O'Rourke and Master Darold Boehm, all of whom on taking their departure felt that they had been most royally entertained.

Santa Claus Turned Loose in Globe

Blow your trumpets inside out
And bang your biggest drum,
For Xmas days have come to Globe
And our town is on the hum.
Old Santa Claus is struttin' round
With a pack upon his back—
The little folk have captured him,
He says he wont go back.

He further states that Globe is the only Globe on the map and the place where one can trade his overcoat for a linen duster and bask in the smiles of prosperity and sunshine all the year around, and when Miss Prosperity and old Santa Claus go to marching around the town of Globe, "together side by each" we know that there has been, and will "be something doing" all along the line, "for the small young people and the big young people never get old.
