THE BANKS OF ARIZONA.

The report of the condition of the territorial banks for the quarter ending May 14 is highly gratifying, and mirrors a prosperity not enjoyed perhaps by any commonwealth in the United States.

Phoenix \$2,748,923 39 Prescott 2,534,464 26 Bisbee 2,109,082 25 Tucson 1,709,813 36 Globe 1,537,919 82 Douglas 683,916 23

This city is really entitled to a showing of about \$2,000,000, as about that amount is represented in monies at that time on deposit in the closed Globe National bank.

In examining the statements of the territorial banks, the pleasant discovery is made by comparison that the bank of the Old Dominion Commercial company of Globe is the strongest in Arizona.
