THOMPSON BENEFIT—Friends of J. H. Thompson, who was seriously injured in the recent accident at the Old Dominion mine, are planning a benefit entertainment in order to secure funds for the injured man. An attractive program is being prepared and a

good sum should be netted. Thompson was badly crushed and bruised in the accident. One leg was amputated, and he is recovering very slowly.

The new structure will give the chamber very commodious quarters on the ground floor and in a most desirable location and as the result, the members are congratulating themselves at being able to secure the room at such a reasonable rental, through the public spirit of Mr. Fisk.

BOARD OF HEALTH—The city board of health is scheduled to hold a meeting today, for the purpose of deciding on a new wagon for the garbage collection department. It is expected that a low wheeled wagon for dry garbage will be added to the present equipment.
