DURBIN-LANIUS.

A quiet but happy wedding was mnized in Vidalia, La., or Tnursday last, November 5th. at 11 A. M., at the residence of Mrs. W. E. Lanius, the bride's mother, when Mr. J. K. Durbin. of St. Joseph, and Miss Katie Lanius, of Vidalia, were united in marriage by Rev. W. B. Lewis, of the Jefferson Street Methodist Church, Natchez. None but the DR. I. A. MURDOCK is visiting families and closest friends were this happy couple. It was the good fortune of this scribe to be present on the auspicious occasion, and while not prone to compare the happiness prevailing at weddings generally, the writer is certainly of the opinion that few marriages were ever attended with greater bliss than the one that bound these two together.

Mr. Durbin, the groom, is sterling young man of many excellent qualities, sober and industrious and very attentive to business. His long residence in our MR. A. B. Convillor, of Davis town together with his excellent come guest in every home in St. Joseph, where he is so universally

> The bride is an accomplished young lady of Vidalia who has ensition, pleasant manners and many admirable qualities. We bespeak for her a kindly reception at the hands of our people.

THE TENSAS GAZETTE joins their numerous friends in wishing Mr. and Mrs. Durbin health, happi-WE REGRET TO HEAR of the death ness and prosperity throughout a of Mr. Robt. Dial, son-in-law of long wedded life, and none are cess, none are more fervent in wishing them happiness than the writer of these few lines.

Don't forget that Kershaw has the best assortment of fancy groceries, among which you will find olives, deviled crabs, asparagus, flake tapioca, sago, anchovies, in my Cotton Exchange Saloon and capres, clam boullion, dried and canned fruits.

> Cups and saucers, plates and goblets at 5 cents; also a nice line of fine crockery, glassware, water sets, tea and dinner sets, lamps, valses, etc.; also a complete line of fine perfumes and toilet articles at Kershaw's.

Good TIMES seem to be coming. Bonds and stock are on the up grade and it is now in order for every man to put his shoulder to the wheel to take advantage of the prosperity that seems about to light upon this country.

MR. ROBT. J. METCALFE, a nephew of Judge S. C. Young and Col. W. C. Young, was foully assassinated by J. Wash Wiggins at Trinity, La., on Tuesday, November Brd. Mr. Metcalfe was the only son of Mrs. James Metcalfe He was a young man of most estimable character. We trust justice will be fully meted out to the assassin.

THE PAPERS are full of reports from all over the country of new business and industries that have long laid idle starting up again, and we hear that an agent in Vicksburg who had large amounts ON ELECTION DAY at the St. Jo- of money for investment for his this is so in other sections of the country we may soon look for times that are better than we have had for several years.

WE REGRET TO LEARN that on Sunday last at 3 A. M. the handsome residence of our friend, Mr. Theodore Crothers at Natchez was destroyed by fire. The house and contents were entirely lost. There was an insurance of some \$4,200 on the building and furniture, but this will not cover the loss. Mrs. Crothers, nee Miss Annie Clinton, of St. Joseph, had furnished the THE VOTE for Judge Baird for home beautifully and very taste presents she had received were all him, Benoit had no friends here. Crothers had a delightful home Where do people spend their and to the young couple the money? It is where they get good loss was a very serious one. We
