New Orleans, La., Dec. 12, 1911.

Editor Tensas Gazette:

Dear Sir—Please allow me to express through your esteemed journal my pleasure at being assigned to serve as pastor in Tensas for another year.

I can truly say that the past three years have been among the most pleasant, if not the most pleasant, of my life, and as I face another year, it is with earnest hope that I may be of some benefit to the good people whom I am to serve.

Wishing all prosperity and peace, and a happy holiday season, I am, Sincerely yours,

P. H. FONTAINE.

Mr. and Mrs. J. Gilbert Leigh have announced the approaching marriage of their sister, Miss Mamie L. O'Bryan, and Rollo C. Groesbeck of Portland, Ore., the ceremony to take place at the family residence on the evening of Wednesday, December 27.

The above notice of the engagement and approaching marriage of Mr. Rollo C. Groesbeck is taken from the Little Rock (Ark.) Gazette.

Mr. Groesbeck is well-known in Tensas parish, having been located at Waterproof for several years, where he served as principal of the high school at that place with ability that soon caused him to be recognized as one of the leading lights of that noble profession in this State. After leaving Waterproof Mr. Groesbeck began the study of law and by vigilant effort, aided by an unusually bright mind, completed the prescribed course in unusually short time and later located in Portland, Oregon, where he has since hung out his shingle. His close attention to business, devotion to duty and determined will are guarantee of success in his chosen field, where his friends are confident he will attain prominence in his adopted State.

In common with his hosts of friends in this parish, the Gazette extends Mr. Groesbeck heartiest congratulations in his approaching marriage and wishes him and his fair bride the best of life's gifts.

After a most pleasant visit to her aunt, Mrs. Lilly, Miss Grafton has returned to her home in Natchez.

Mr. and Mrs. A. A. Maddox have returned to their home near Port Gibson, after a most pleasant visit to relatives in this parish.

The St. Joseph Drug Co. has accepted the agency for the celebrated Victor Talking Machines and records and will be pleased to demonstrate the merits of the machine to the interested. Mr. Smith parenthetically observes that the Victor Phonograph makes an idea Xmas present.

A piano recital will be given on next Thursday evening, at 8:30 o'clock, by the music department of the Newellton High School under the direction of Miss Dawkins, the program for which is published elsewhere. The general public is cordially invited.
