### Going or Coming!

The best Underwear is the DEIMEL LINEN MESH.

We have studied the problem and that's the answer. Costly? Yes—\$6.50 a suit—but the saving in doctor's bills cuts the price in two. Delightful for summer wear. Cool as only linen can be for the hot weather, and a wonderful protection in our variable climate.

Warner & Searies Co.,  
VICKSBURG, MISS.

Mrs. R. H. Whitney made a trip to New Orleans last Sunday.

Mr. F. O. Denny was a visitor to St. Joseph and Newellton this week.

Mrs. Jas. R. Lynch of New Light was a visitor to Natchez this week.

Mrs. W. R. Baker is visiting her sister, Mrs. Geo. W. Dorsey at Jackson, Miss.

Messrs. E. E. Morris and J. J. Salomon of Newellton were visitors to St. Joseph on Friday.

Miss Pauline Bowman of Natchez spent last Saturday and Sunday morning with Miss Katie Clark.

Mrs. G. N. Clarke and daughter, little Miss Elizabeth, and infant son, Master Thompson Clarke, are visiting her sister, Mrs. J. G. Rucker at "Bombay."

Mr. Joseph T. Curry came home from Culver (Indiana) Military Institute on Thursday to spend the Easter holidays. His colleague, Mr. Joseph M. Davidson, is visiting a college chum in Missouri.

Mr. W. H. Cohee of Indianapolis, Indiana, who is interested in "Locust Land" plantation on Lake Bruen, is in town to-day and is accompanied by Messrs. C. P. Wright of Reusselar, Indiana, and John Haag of Cullom, Illinois.

The friends of Mr. Will McCamley of St. Joseph, who has been engaged on the Cordill for the past two months as second clerk, will be glad to hear that he is making good in his new birth and gives promise of becoming a first-class steamboat man.

The St. Joseph Embroidery Club met on Tuesday with Mrs. F. D. Childress, with about 18 members present. A most delightful evening was spent, and after the embroidery work in hand was laid aside delicious refreshments were served.

Mr. Haspel, of New Orleans, is visiting his daughter, Mrs. Emile Mayer, in St. Joseph. Mr. Haspel seems well pleased with our town and parish despite the backward condition of farm work and the unfortunate condition of the roads resultant from the untoward weather that has prevailed the last four months. He made a number of friends during his visit.

The subscription contest that has been conducted for some time past by the Natchez News, and which was entered into with so much enthusiasm by the several contestants, terminated on Thursday evening. The first prize, a 1912 Overland touring car, was awarded to Mrs. F. D. Tawney of Natchez, while the second prize, also a 1912 Overland touring car, fell to Miss Marie Lawrence of Natchez. Two handsome pianos were won by Miss Peale of Natchez and Mrs. F. F. Litchler of Tensas parish.

The Ladies' Aid Society of the Union Church held a meeting on Wednesday evening, when it was decided to have an Easter sale of sweet meats, consisting of pies, cakes, candy and other toothsome dishes such as salads of various kinds and other palatable viands of more substantial nature. The sale is to be given on Saturday evening, April 6th, at the home, or if the weather is good, on the lawn of Mrs. B. F. Bonney, the proceeds of the sale to be devoted to the repair of the Union Church, which is badly in need of same. The idea of this sale is suggested to the ladies as a practical means to serve the end desired and at same time afford a convenience to those of our people who may wish a nice Easter dinner without the trouble and worry of preparing same and also at moderate cost and at same time be assisting in a good cause. The day following the sale will be Easter and the rabbit has consented to come a day earlier as special accommodation to this occasion and will be glad to lay as many eggs as desired.
