SAGE TEA AND SULPHUR DARKENS YOUR GRAY HAIR

Look Younger! Try Grandma's Recipe of Sage and Sulphur and Nobody Will Know.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair.

But is it Worth While? Perhaps the boy who wants to run away to sea is justified. It's the only sure way to learn enough ship-talk to enable you to understand a nautical novel.

A modern beet sugar factory is being built in Harbin, Manchuria, at a cost of \$25,000.

NOW THAT AUTUMN IS HERE

Some Good Ways of Taking Advantage of the Season's Fruits and Vegetables.

Instead of the cool greens of summer, so refreshing and grateful during the extreme heat and dryness, in the markets we now find the late peach and pear, the pumpkin and sweet potato, the luscious tomato and all the other vegetables and fruits so abundant in autumn.

Baked Beets.—Take well-grown new beets and bake instead of boiling them. Take off the hard outside and you will be agreeably surprised with the sweetness of the beet.

Sugar Beet Pudding.—Here is a favorite Carolina dish: Boil the beets until just tender; peel and cut in small pieces. Allow a pint of milk to a pint of beets, two or three well-beaten eggs, salt and pepper to taste and a light grating of nutmeg.

Heard Cabbage.—A Dutch housewife contributes this good, substantial dish: Take a small head of white cabbage; cut it in fine shreds; four tart apples, peeled and sliced; one large tablespoonful of butter or drippings; a tablespoonful of salt, half a teaspoonful of pepper, a sprinkling of cheese or nutmeg.

MEASURING POTS AND PANS

Knowledge of Just How Much Each Holds Will Be Found to Make for Economy.

It seems that only in catalogues do we know or learn how large our pans are. But the housewife who really measures the quantity held by her pots and pans will be a better cook and more efficient housewife.

Hindu Curried Potatoes. Cut two large potatoes in cubes about an inch square, place in saucpan with one tablespoon melted butter. Season to taste with salt, cayenne pepper and one teaspoon curry powder.

Lamb Kidneys With Bacon. Split six kidneys in halves and remove the thin outer skin. Fry six slices of bacon until crisp. Remove them from the fat and keep hot. Dip the kidneys in flour and brown quickly on both sides in the bacon fat.

Orange Cream Filling. Put into a cup the rind of one-half and the juice of one orange, one tablespoonful of lemon juice, and fill with hot water; strain and put on to boil; add one tablespoonful corn starch, wet with cold water and cook ten minutes, being careful not to scorch; beat yolk of one egg with two heaping tablespoonfuls sugar; add to the mixture with one teaspoonful butter; cook until butter is dissolved; let cool.

Clean Flatirons. I always keep my flatirons clean and smooth by a very simple method, writes a contributor to the New York Times. When I finish on washday, before emptying the water out of the tubs, I put the irons in for some minutes. Then take them out and scrub with a soft, dry cloth. I find that done in this way each week keeps the irons in very good order.

Shrimp Wiggle. Three tablespoonfuls of melted butter, two tablespoonfuls of flour stirred in, 1 1/2 cups of milk; cook until it thickens then add two cans of shrimp and one can of peas; drain the liquid off of each and add them to the mixture, then stir all together; salt to taste; serve on toasted bread. But we have ours with mashed potato.

When Sprinkling Clothes. If you wish to iron your clothes immediately after you sprinkle them, try dampening them with hot water. Roll them tightly for a moment or two, shake them out well and iron with a hot iron.

Pretty Garnish. A pretty garnish for salads is mayonnaise jelly. Melted gelatin is added to the mayonnaise and then the dressing is allowed to harden. Cut into cubes as one would aspic jelly.

Bureau Drawers. To make bureau drawers slide easily rub the parts that catch with common yellow soap.

MRS. MANGES ESCAPES OPERATION

How She Was Saved From Surgeon's Knife by Lydia E. Pinkham's Vegetable Compound.

Mogadore, Ohio.—"The first two years I was married I suffered so much from female troubles and bearing down pains that I could not stand on my feet long enough to do my work."

three bottles and it made me feel strong and I avoided a dreadful operation. I now have two fine healthy children, and I cannot say too much about what Lydia E. Pinkham's Vegetable Compound has done for me."

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Saw Possible Famine. Little Earl had just learned that his cousin Hugh, whose papa had died when he was a baby, was to have a new papa. After long meditation Earl arrived at the conclusion, evidently, that when death removed a father or mother, it became the duty of the remaining parent to supply the loss to the child as expeditiously as possible.

"Mamma, if my papa should die an' you got me another papa and he died an' you got me another papa, and he died, an' you got me another an' all of 'em died till there weren't any more white ones, then, mamma, would you get me an Indian?"—National Food Magazine.

GAS, DYSPEPSIA AND INDIGESTION

"Pape's Diapepsin" settles sour, gassy stomachs in five minutes—Time it!

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it. Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain unfailing action in regulating sick, sour, gassy stomachs.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any dealer and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; cructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.—Adv.

Surely Not Her Fault. Hubby—You really must reduce your dress bills, my dear; they are far too large. Mrs. Newlywed—How inconsistent you men are. You speak as though I made out the bills.

SKIN TROUBLE ITCHED BADLY

Glenns P. O., Va.—"My baby's trouble began with an itching and then a little bump would come and she could not rest day or night. The trouble affected her whole body. The bumps festered and came to a head and the corruption looked like thick matter, kind of a yellow color. The sores itched so badly until it seemed to me she would scratch herself to pieces and then a sore would form and her clothes would stick to her body and pull off the little scab. In some places she would scratch and irritate the sores until they seemed to be large. She was affected about a year."

I wrote for a sample of Cuticura Soap and Ointment. I bathed her body in warm water and Cuticura Soap and then I applied the Cuticura Ointment, and they afforded relief after twice using. I bought some more Cuticura Soap and Ointment and inside of two weeks she was cured." (Signed) Mrs. J. R. Gregg, Nov. 21, 1912.

Cuticura Soap and Ointment sold throughout the world. Sample of each free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. L, Boston."—Adv.

The Objection. Patience—I hear that Montreal police authorities are in favor of the proposal to add several police women to the force.

Patrice—The trouble is that none of 'em want to be plain-clothes women, I suppose.

It is simply a question of getting the ladies to try it. All druggists sell Hunt's Lightning Oil in 25c and 50c bottles.—Adv.

He'd Called Seventeen. Jim was a new porter in the hotel, and he was putting in his first night at his new and responsible position. It was five in the morning, and so Jim had done all he was told, and was getting on splendidly.

"Call 17 and 4," commanded the night clerk as he looked over his call sheet. Jim obeyed. After he had been gone for a considerable time the clerk went up on see if he had called the rooms designated.

"Well," sighed the new porter, whom he found on the third floor, "I've got seventeen of 'em up, but I haven't started on the other four yet."—National Food Magazine.
