WE CAN NOW SUPPLY THIS HAIR PREPARATION.

Our big Harmony Laboratories in Boston have caught up with their orders now and so we won't be disappointed any who are using Harmony Hair Beautifier and want more of it, or any who have been advised by your friends to use it. We can now fill all demands, even if it becomes even more of a rage than it is now. Harmony Hair Beautifier is just what it is named—a hair beautifier. It is not a hair dye or hair oil—but a dainty, rose-perfumed liquid dressing to give the hair its natural gloss and brightness, wavy softness, rich beauty. Easy to apply—simply sprinkle a little on your hair each time before brushing it. Contains no oil, and will not change color of the hair, nor darken gray hair. To keep your hair and scalp dandruff free and clean, use Harmony Shampoo. This liquid shampoo gives an instantaneous rich, foaming lather that immediately penetrates to every part of the hair and scalp, insuring a quick and thorough cleansing. It is washed off just as quickly, the entire operation taking only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness. Both preparations come in odd-shaped very ornamental bottles, with sprinklers. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores, and in this town only by us.—St. Joseph Drug Co., St. Joseph, La.

Several other colored friends, beneficiaries of the doctor's kindness for many years, also attended the funeral. Quite a number of the doctor's friends at both St. Joseph and Waterproof, were disappointed by their inability to attend the obsequies. Mr. H. A. Marshchalk, deputy clerk of Circuit Court of Claiborne county, and for several years publisher of the Waterproof Enterprise, came down from Port Gibson to pay a last sad respect to Dr. Andrews, in whose house he lived during his residence in that town.
